BELOW IS A "LETTER" GIVING THE DETAILS AND PROOF OF THE FRAUD
 AND "RACKETEERING" AGAINST LORENTZ G OPDAHL AND HIS
 "FOREIGN
 BANK", THE "FIRST COLONIAL TRUST COMPANY, In Liquidation"

FEBRUARY 15, 2014

FROM: THOMAS LORENTZ OPDAHL, CPA inactive and cancelled Iowa CPA# 2468(2/25)
 (100)(71)(10)(18)(50)

Acting in behalf of the “FIRST COLONIAL TRUST COMPANY, In Liquidation” P.O. BOX 341 HAWARDEN, IA 51023 WITH ABOVE “FOREIGN BANK ‘being’ BEING THE WORLD’S SMALLEST FOREIGN BANK WITH ONLY ONE OWNER DAD, ‘now deceased since march 18, 2003’ AND ONLY ONE ‘unpaid’ “depositor” still waiting For her second and for her second and final installment’ OF “SIXTY FIVE THOUSAND DOLLARS” WHICH THE ‘FBI’ AND “FEDERAL RESERVE BANK” ‘stole’ ‘by robbing and swindling dad’s foreign bank’ DUE TO THE FACT THAT MOST ALL OF THE FOUR DEPOSITORS IN APRIL 1983 WHEN THE FOREIGN BANK ‘was embezzled and put out of business’ AS THE ENTIRE “DEPOSITS” ‘being’ ‘550,316.11’ were either loaned out to businessmen on grand turk’ THE DOMICILE OF THE “FIRST COLONAL TRUST COMPANY, In Liquidation” WITH BESIDES THE TEMPORARY MANAGER ‘max ellsworth’ loaning out about \$ 370,000 to grand turk islanders BUT ALSO TAKING FOR HIMSELF ‘approximately \$ 180,000 of’ “DEPOSITS” AS ABOVE leaving an equity balance of \$ 125,000 consisting of a “DEPOSIT AT BARCLAY’S BANK” ON GRAND TURK. AT WHICH THE FINANCIAL MINISTER OF GRAND TURK ‘forced an additional capital infusion of “ \$144,000” OF An APPALOOSA TRUST COMPANY ADDED TO FOREIGN BANK “CAPITAL”. WITH THE ‘two’ OTHER REMAINING ‘multi-millionaire’ DEPOSITORS ‘being’ ‘paid off by funds from the sale of lake property in south Carolina purchased for I believe \$ 120,000’ WITH THE ADDITIONAL ‘comment that only a dozen other small non-multi-millionaire depositors totaling eight or twelve thousand dollars plus’ I FORGET WHICH AS I HAVE NOT LOOKED AT THE 1983 FOREIGN BANK ‘audit records’ “PREPARED” AS PER PRESENT CPA FOREIGN BANK LIQUIDATOR ‘held by franklin missick of grand turk’ AND HOPEFULLY TO BE OBTAINED DURING 2014 BY THE PARENTS OF “AMANDA M KNOX” THE OFFICIAL “TREASURER” OF THE “FIRST COLONIAL TRUST COMPANY, In Liquidation”. ‘being’ ONE OF FOUR POSSIBLE SOURCES OF LEGALLY OBTAINING FUNDS IN ORDER TO RAISE MONEY SELLING ‘two’ “RICO BOOKS” ONE ENTITLED “HORRORS IN THE COURTS” BY MY DAD, LORENTZ G OPDAHL, FOREIGN BANKER AND THE OTHER ENTITLED “THE MAKING OF THE BIGGEST LAWSUIT IN HISTORY” Totaling One Quadrillion Eight Hundred Eighty Seven Trillion Dollars” ‘comprising 366 Trillion Dollars of Gold Certificates Once Held TOMMY L BUCKLEY of TREASURY-GATE Fame And The BALANCE consisting of 1521 Trillion Dollars Of Gold Certificates held by RONN L JACKSON who helped to write about 10% of my book’ “THE MAKING OF THE BIGGEST LAWSUIT IN HISTORY” Which Explains A DOUBLE FRAUD AND RACKETEERING RICO siphoned out all the income from inception for himself amounting to at least ‘two hundred thousand dollars of silver’ consisting of at least \$ 140,000 of silver flake bought with TRI STATE REFINING COMPANY ‘S ‘funds’ and shipped to a silent PARTNER CONNIE MACK BERRY Of Marietta Georgia Who Also Received at least 5,432.10 ounces of pure silver from TRI STATE REFINING COMPANY In Exchange for many numerous ‘low grade 30% silver bars withr obvious’ “IRON NAILS STICKING OUT OF THE BOTTOM OF MOST OF THE SILVER BARS” on another apparent income siphoning scheme devised by ROBERT HOFF ‘in order to cheat the irs’ “and DAD at the same TIME’ WITH THE SAME ROBERT HOFF ‘also cheating’ LORENTZ G OPDAHL ESTATE ‘by refusing to make the final four years of’ “REQUIRED PAYMENTS” ‘totalling \$ 167,000 of principal and interest’ ‘and same’ ROBERT HOFF ‘further committed fraud in accusing’ LORENTZ G OPDAHL ‘and I of stealing the \$ 200,000 of silver from the silver refinery he had agreed to purchase on april 7, 1980 but finalized on august 28, 1980 supposedly buying the silver company assets which was on the verge of bankruptcy with only 2800 to 3000 ounces of net silver inventory after paying the creditors comprising mostly of dad’s main u s trust SIOUX ENTERPRISES “WHICH HAD ITS SILVER ON HAND AT THE MARKET COLLAPSE IN MARCH 1980 TO \$ 10.90 PER OUNCE ALONG WITH \$ 140,000 OF OTHER SILVER AND

SOME ADDITIONAL GOLD KRUGGRANDS 'totaling at today's market prices of approximately ' "FIVE HUNDRED THOUSAND DOLLARS" 'of combined gold and silver being mostly silver' AS LORENTZ G OPDAHL WAS A SILVER BARON AS WELL AS 'involved with many domestic and offshore common law trusts' AND A FOREIGN BANKER OF WHICH HE WAS PROSECUTED BY THE UNITED STATES GOVERNMENT 'in July 1987

In federal district court in Cheyenne Wyoming' "FOR PERJURY AND DOING BUSINESS AS A FOREIGN BANK" 'from which a packed jury of mostly government workers, some of whom judge CLARENCE BRIMMER knew personally such as MARJORIE REILLEY' 'and received a guilty verdict and was sentenced to "SIX MONTHS IN LEAVENWOTH, KANSAS PRISON" 'and served four months and eighteen days' 'ALL SERVED IN ILL HEALTH

'due to high blood pressure AND OF WHICH HE WAS LATER PROSECUTED IN THE BIRMINGHAM, ALABAMA FEDERAL DISTRICT COURT BY JUDGE E. B HALTOM WHO AFTER TRIAL DURING SEPTEMBER 1989, DISMISSED THE CASE 'opening the pathway to sue the government participants FOR THEIR "FRAUD AND RACKETEERING" 'in stealing the remaining assets and deposits of the "FIRST COLONIAL TRUST COMPANY" 'on January 19, 1989 by utilizing the U. S ATTORNEYS and the FEDERAL BUREAU OF INVESTIGATION'S and the FEDERAL RESERVE BANK'S 'psuedo-agent' ROBERT MOUSSALLEM 'who was undoubtedly by a bonding agent who was having trouble with the' "F.B.I." all in an attempt to cover up the fraud against DAD'S FOREIGN BANK and the abuses of the 'irs' 'in targeting high profile tax protesters and people involved with "COMMON LAW TRUSTS" AND TO COVER UP THE FRAUD AND CONSPIRACY OF THE UNITED STATES DEPARTMENT OF JUSTICE 'in conspiring with' ROBERT HOFF in promising him a judgement to enable him to steal the farms placed in the "APPALOOSA TRUST COMPANY" AS EVIDENCED BY THE FACT THAT THE JUDGE 'clerk of court' IN THE 1987 LINCOLN COUNTY, SOUTH DAKOTA STATE COURT 'testified at the start of the Cheyenne, Wyoming TRIAL on probably July 15, 1987 ' THAT THE JUDGE HAD NOT COME DOWN WITH A DECISION AS OF YET 'YET ROBERT HOFF TESTIFIED IN A SWORN AFFIDAVIT THAT HE LEARNED OF THE DECISION OF THE COURT IN LINCOLN COUNTY, SOUTH DAKOTA ON JULY 15, 1987 AND THAT THE AMOUNT OF THE JUDGEMENT AGAINST LORENTZ G. OPDAHL WAS \$754,000 later reduced to \$ 495,000 but enough to take away two farms placed in the APPALOOSA TRUST COMPANY and an additional \$ 20,000 from A & N FARMS 'BEING HIS INTEREST IN A FARM INHERITED FROM HIS TWO BACHELOR BROTHERS "ART" & "NORMAN" INTERESTINGLY, AN IRS AGENT THREATENED LORENTZ G OPDAHL THAT THEY WOULD CLEAN HIM OUT OF HIS ASSETS FOR HIS INVOLVEMENT IN COMMON LAW TRUSTS AND ALSO BECAUSE OF HIS INTERESTS IN THE FOREIGN BANK 'at which dad came home to the 405 s. sneve apartment depressed and drunk from drinking a bottle of bourbon' AT WHICH DAD TOLD ME WHAT THE IRS AGENT SAID AS ABOVE IMMEDIATE CONVEYED

INTERESTINGLY DAD ALSO CONVEYED TO ME AT A POSSIBLE LATER TIME AT THE SAME 405 S SNEVE APARTMENT 'THAT IT'S ALL GONE' 'at which I asked him what is all gone' TO WHICH HE REPLIED THE SILVER HE HAD FROM CLOSING DOWN TRI STATE 'and possibly including the balance of the remaining \$ 250,000 of gold kruggrands after tri state had bought \$ 104,000 plus calculated at the pure discretion of ROBERT HOFF WHO TOOK THE GOLD FROM DAD'S HALLWAY CLOSET AND/OR BEDROOM CLOSET WHERE IT WAS HIDDEN. PROBABLY THE UNITED STATES DEPARTMENT OF JUSTICE IS AGAINST THOSE INVEST IN PRECIOUS METALS EXTENSIVELY SUCH AS DAD AND THOSE PUTTING THEIR PRECIOUS METALS IN WAREHOUSE BANKS AS DISCLOSED TO THIS CPA FROM LETTERS SENT TO THIS PRESENT CPA FOREIGN BANK LIQUIDATOR WITH AT LEAST ONE LETTER PER THIS CPA'S KEEN MEMORY SAYING THE SYSTEM WILL NEVER ALLOW WAREHOUSE BANKS TO EXIST possibly

CHAPTER A:

The IDEAS OF A DOUBLE RICO LAWSUIT AGAINST THE FEDERAL RESERVE BANK And A Known Provable RACKETEER BEING ROBERT HOFF, EX-BROTHER-IN-LAW OF THIS C.P.A. FOREIGN BANK LIQUIDATOR, lowA C.P.A. # 2468 inactive and cancelled acting in behalf of The WORLD'S SMALLEST FOREIGN BANK, entirely owned by DAD, the "FIRST COLONIAL TRUST COMPANY IN LIQUIDATION Came from the INSPIRATION FROM THE FOLLOWING THREE SOURCES: 1) From LECTURES BY RICK SCHRAMM Of OHio Giving LECTURES ON CIVIL LAWSUIT TACTICS ARRANGED BY AMBASSADOR ROBERT JAMES FOX OF Near DALLAS TEXAS During FORTY-SECOND BIRTHDAY OF THIS C.P.A. FOREIGN BANK LIQUIDATOR IN FEBRUARY 1995 2) FROM THE BOOK DEBT VIRUS BY JAQUES JAKARIAN BOUGHT BY DAD FOR THIS C.P.A. LIQUIDATOR AT THE ABOVE-MENTIONED LECTURES AND 3) FROM A MAGAZINE ARTICLE BY A PARA-LEGAL FROM HAWAII CLAIMING THAT SUEING THE FEDERAL RESERVE BANK WAS LUDICROUS TO THINK ONE COULD WIN AS THEY HAVE TOO MANY GUNS APPEARING SHORTLY AFTER THE LECTURES ABOVE-MENTIONED WHICH PROMPTED THIS PERSON TO TAKE THE SUMMARIES AND NOTES FROM TRANSCRIPTS AND ACCOUNTING RECORDS AND BEGIN THE FIRST REVISION NEAR THE START OF AUGUST 1995.

THE MAIN CORE OF THE RICO LAWSUIT WAS PREPARED IN ONLY THREE DAYS WITH APPROXIMATELY THREE WEEKS TO ADD THE NUMBERS RELATING TO IRS DEMANDS AND OTHER NUMERICAL FACTUAL MATERIAL SO THAT THE ENTIRE ONE HUNDRED TEN PAGES WERE FINALLY COMPLETED ON AUGUST 28, 1995 EXACTLY PRECISELY FIFTEEN YEARS AFTER THE FORMAL SIGNING PERMITTING ROBERT HOFF TO GAIN FULL CONTROL OF THE SILVER REFINING COMPANY KNOWN AS TRI-STATE REFINING COMPANY.

During the Final Moments in ORDER TO GET THE RICO LAWSUIT WITH DRAMATIC NUMBERS TO SHOW POSSIBLE APPARENT PURPOSEFUL FRAUD, IT WAS RECALLED BY THIS C.P.A. FOREIGN BANK LIQUIDATOR OF A SEEMINGLY NECESSARY YET UNUSUAL ACCOUNTING ENTRY OF SLIGHTLY OVER ONE HUNDRED FORTY THOUSAND DOLLARS IN JULY OF 1978. It had taken almost an entire YEAR to RECONSTRUCT THE SILVER COMPANY RECORDS BASED ON POUNDS AND OUNCES SO THAT BY NOVEMBER 1990 SUMMARIES OF FACTS WERE PREPARED AND GIVEN INTERPRETATIVELY BY CONTENT TO DAD'S C.P.A. THAT WAS NOT ALLOWED TO TESTIFY AT DAD'S ALLEGED

BRIBERY TRIAL IN BIRMINGHAM, ALABAMA IN September 1989. HIS ANALYSIS BASED ON THE NECESSARY SILVER TO REMAIN IN VARIOUS STAGES OF PRODUCTION AND WITHIN INVENTORY TO SUPPORT RETAIL SALES IS THAT IT WAS AN IMPOSSIBILITY FOR THE COMPANY TO HAVE HAD THE SILVER THAT WAS CLAIMED STOLEN FROM IT IN ORDER TO SUPPORT THE CONSPIRACY TO TRY TO SET DAD UP ON THE BRIBERY STING BY FIRST CORRUPTLY USING THE COURT SYSTEM TO STEAL THE CHIEF PLAINTIFF'S FARMS.

BY April 1997 A VERY THOROUGH ANALYSIS OF THE LAST SIX MONTHS OF SILVER REFINING ACTIVITY PROVED CONCLUSIVELY THE COMPANY WOULD HAVE HAD AT MOST ONLY TEN TO THIRTY THOUSAND 'dollars' OF SILVER THAT COULD POSSIBLY HAVE BEEN STOLEN FROM IT IN APRIL 1980. FROM THIS IT WAS ASCERTAINED CLEARLY THAT THE ACCOUNTING ENTRY IN JULY 1978 WAS DIRECTLY DUE TO THE FRAUD OF ROBERT HOFF DURING THE FIRST FOUR YEARS OF BUSINESS AND THAT IT HAD BEEN INCORRECTLY ASSUMED BY THIS RECENT C.P.A. THAT EITHER THE RECORDS HAD BEEN KEPT IN SUCH CRUDE FASHION OF ONLY MONTHLY CHANGES IN ACCOUNT BALANCES (used to catch a cheating crook and most simple for a C.P.A. just having had a nervous breakdown) and that this C.P.A. did not incorrectly include the asset purchases within silver purchases requiring a REVERSING ACCOUNTING ENTRY THAT COVERED UP THE FRAUD INCIDENTALLY OR THAT MOM IN NOT GIVING BEGINNING BALANCES WAS NOT THE CAUSE OF BEING NO ENDING BALANCES THAT CORRESPONDED TO ACTUAL RESULTS; WHAT HAPPENED WAS THAT ROBERT HOFF HAD STOLEN SUCH ONE HUNDRED FORTY OR FIFTY THOUSAND DOLLARS AND GOTTEN AWAY WITH IT AND ALSO EVEN WAS CONFRONTED WITH THE APPARENT MISTAKE IN ABOUT MAY 1979 AFTER MOVING TO THE SIOUX FALLS OFFICE AND EVEN THIS C.P.A. LIQUIDATOR SEEING HIS EXTREME NERVOUSNESS UPON ENQUIRY AS TO WHETHER DAD HAD BEEN TOLD OF THE APPARENT DISCREPANCY AND HIS APPARENT EXTREME RELAXATION AT SEEING THAT DAD HAD NOT SHOULD HAVE BEEN CONCLUSIVE EVIDENCE TO ANY PERSON WHO WAS NOT TOTALLY GULLIBLE IN THINKING A CHRISTIAN NEVER LIES AND STEALS, particularly from a FATHER-IN-LAW.

AFTER THIS POINT IN TIME IT WAS RECALLED THAT IN REDUPLICATING THE RECORDS A CORE SUMMARY HAD BEEN PREPARED IN September 1979 that listed the TOTALS OF ALL PAGES with the single exception of NOT LISTING THE CONSIGNMENTS TO BERRY METALS THAT WERE NOT DESIGNATED WITH ANY IDENTIFICATION WITHIN AN OVERALL MISCELLANEOUS COLUMN being about TWENTY OR THIRTY SUCH CONSIGNMENTS FROM JULY 1978 UNTIL SEPTEMBER 1979 OR POSSIBLY ABOUT TWO A MONTH. IN 1990 IN RECHECKING ALL RECORDS IT WAS NOTICED THAT THIS C.P.A. HAD MADE AN INADVERTENT ERROR OF FIFTY SIX

THOUSAND DOLLARS ON MARCH 31, 1979 AND HAD EFFECTIVELY OVERSTATED THE SIZE OF THE NET INVENTORY OF THE COMPANY BY TWICE ACCIDENTALLY. BASED ON PERCENTAGES GIVEN BY ROBERT HOFF, THE PRESUMED RESULTS WERE ACCURATE AT THIRTY FIVE THOUSAND DOLLARS FOR NINE MONTHS, very close to the TWENTY EIGHT THOUSAND DOLLARS BASED ON PERCENTAGES. IN actuality the COMPANY HAD LOST TWENTY THOSAND DOLLARS DURING THE NINE MONTHS, plus apparently all the income it made based on the percentages AND THUS ABOUT FIFTY THOUSAND DOLLARS. THUS ABOUT ONE HUNDRED NINETY THOUSAND DOLLARS HAD BEEN STOLEN FROM THE COMPANY WHEN THE SILVER PRICE WAS STILL FIVE DOLLARS AND TWENTY CENTS AN OUNCE OR LESS; THIS CALCULATES OUT TO APPARENTLY FORTY FIVE POUNDS OF SILVER HAD ON THE AVERAGE BEEN SNEAKILY STOLEN FROM THE COMPANY DURING THE PAST FIVE YEARS, most likely by the sneaky CONSIGNMENTS THAT HAD BEEN ASSUMED BY THIS C.P.A. AS A TOTAL WASH, it was received from HOSPITALS WITHOUT PAYING FOR IT AND WAS REFINED BY THE THIRD PARTY REFINERY AND THEN PAID DIRECTLY BYPASSING TRI-STATE REFINING.

SUCH ACTIVITY APPARENTLY CONTINUED WITH NO STOPPING BUT IT MUST HAVE CHANGED TO A NEW METHOD BASED ON FULL TIME COST ACCOUNTING FROM FRIDAY SEPTEMBER 13, 1979, OF WHICH BY NOVEMBER BULLION BARS WERE RECEIVED FROM BERRY METALS THAT APPARENTLY WAS LOW GRADE, especially by JANUARY 1980 WHEN SUCH BARS HAD MANY OBVIOUS IRON NAILS STICKING OUT THE BOTTOM; INITIALLY A SMALL AMOUNT OF SILVER HAD BEEN REFINED, amounting to a couple of billets at THIRTEEN POUNDS EACH BUT IT WAS NOT LONG WHEN NOTHING COULD BE OBTAINED FROM THEM And SOON IT WAS OBVIOUS THAT IT WAS A PURPOSEFUL CHEAT THAT HAD TO STOP AS ALL DEALING WITH BERRY METALS WHICH WAS THE MAJOR REASON FOR DIVESTING OF THE SILVER COMPANY BY DAD'S TRUST; it amounted to about FIFTY FOUR HUNDRED OUNCES OF PURE SILVER OR AT LEAST ONE HUNDRED THOUSAND DOLLARS AMOUNTING TO ALL THE INCOME FOR THE SIXTH YEAR SO THAT THE COURT SYSTEM IS CAUGHT CONSPIRING WITH ROBERT HOFF IN STEALING THE SILVER REFINERY AND THE F.B.I. IS CAUGHT CONSPIRING TO ROB THE FOREIGN BANK THAT HAS FINALLY RESULTED AFTER PAYMENT OF MOST ALL OUTSTANDING DEPOSITORS BY DAD TO ONLY ROBBING DAD OF ABOUT ONE HUNDRED TWENTY THOUSAND DOLLARS OVERSEAS AND ABOUT SIXTY FIVE THOUSAND DOLLARS TO AN ALMOST EIGHTY YEAR OLD CATHOLIC WIDOW WHOSE HUSBAND UPON ENQUIRY IN 1983 AS TO WHY HE KEPT HIS HUNDRED THIRTY THOUSAND DOLLARS IN THE LITTLE GRAND TURK BANK, BECAUSE HE JUST DIDN'T WANT THE GREEDY IRS TO GET THEIR HANDS ON THE MONEY"

THE IRS apparently stole it anyway and are also caught in CONSPIRACY TO ROB THE FARMS WITH ALSO MAKING FALSE CLAIMS OF IRS TAXES

OWING THAT IS THE GENERAL METHOD OF STEALING 'exorbitantly and profusely'

FROM CERTAIN TARGETED TAXPAYERS, particularly if they put their property in COMMON LAW TRUSTS that are derided and CONDEMNED BY THE LEGAL PROFESSION, LAW SCHOOL PROFESSORS AND JUDGES AND GOVERNMENT OFFICIALS GENERALLY; THEY HOWEVER CAN NOT ESCAPE THE C.P.A. FOREIGN BANK LIQUIDATOR IN EXPOSING THEIR CORRUPT ACTIVITY IN MAKING SURE DAD AND THE LITTLE OLD WIDOW GET PAID THEIR DEPOSITS DUE TO LEGAL TECHNICAL RULES IN PREPARATION OF RICO LAWSUITS BY A C.P.A. THAT PERMIT LEGAL CONSPIRACIES, TARGETING THE BAD GUYS, in this CASE THE SYSTEM, and being kicked on their ASS BEFORE COURT IN ORDER TO FORCE THE DOUBLE RICO LAWSUIT INTO COURT MOSTLY BY CONSPIRING WITH A NUMBER OF BIG TIME BILLIONAIRES AND POSSIBLY A TRILLIONAIRE OR TWO ; all with REALLY REALLY "Dirty" C.P.A. CONTRACT PROVISIONS mostly for the "Unified" MINOR PLAINTIFFS THAT ALSO HAVE SUFFICIENT C.P.A. PAPERWORK CONTRACTS TO ALSO BE REGARDED AS LEGAL CONSPIRATORS. AWARE!

CHAPTER B:

A NUMBER OF CUSTOMS AND POLICIES HAD BEEN PREPARED AS EXTRANEIOUS TO THE BODY OF THE LAWSUIT AND MORE WERE ADDED UNTIL MAY OF 1996. FROM THE LAW SCHOOL PROFESSOR EXPLAINING RICO LAWSUITS PREPARED BY A C.P.A. IT HAD BEEN NOTED AS A DISTINCT POSSIBILITY FOR THE C.P.A. TO START A COMPANY TOTALLY RUN BY INDIANS BUT OWNED BY THE C.P.A. IN ORDER TO HAVE AN ADDITIONAL LEGAL CONSPIRATOR IN ORDER TO PRINT AND INSURE MORE RICO LAWSUITS IN ORDER TO MAKE THE DAMAGES GREATER BEFORE TRIAL THAT ENDUCE OR FORCE THE COURT TO HEAR THE RICO LAWSUIT; THUS BY MAY 1, 1996 BILL GATES WAS CONTACTED MERELY AS A HIGH PROFILE WHITE PERSON ALSO INVOLVED IN THE COMPUTER SOFTWARE BUSINESS AS THE INDIAN PROPOSED COMPANY OF SIOUX SOFTWARE, (comprising the Video Rental Software developed by C.P.A. LIQUIDATOR IN RUNNING "Video Classics" in order to persuade MICROSOFT TO LOAN FUNDS TO THE INDIAN SOFTWARE COMPANY OF THIS C.P.A. IN ORDER TO JUSTIFY A LEGAL CONSPIRACY WITH THE INDIANS AS ACCORDING TO THE LAW SCHOOL PROFESSOR, NO OTHER WHITE PEOPLE NEED BY FOUND AS INVESTORS/LOANERS OF FUNDS TO BUY PRINTERS, INK AND PAPER FOR PRINTING RICO LAWSUITS. A C.P.A. LIQUIDATOR PROMISE OF TWO MILLION DOLLARS FOR BORROWING TWO THOUSAND DOLLARS HAD BEEN SENT ON MAY DAY.

BY MAY 23, 1996, WORK STOPPED ON THE RICO LAWSUIT COMPLETELY AS THIS C.P.A. LIQUIDATOR WAS DRAGGED OFF TO THE MENTAL HOSPITAL due to intensive work explaining why unable to get

the RICO FILED AS DAD JUST HAD A SLIGHT STROKE AND WAS GIVING NO HELP AT ALL. AS A RESULT NOTHING WAS DONE UNTIL ABOUT NOVEMBER 1997 WHEN BILL GATES WAS SENT ABOUT FOUR BOXES OF PHOTO COPIES OF THE SILVER COMPANY RECORDS AND COPIES OF THE COURT EVIDENCE TO BE SUBMITTED, exclusive of the MOUNTAIN FILLING AN ENTIRE KITCHEN OF EVIDENTIARY MATTER. IN THE FOURTH BOX HOWEVER sent by a false name of ANDREW JOHNSON (THE OTHERS HAD BEEN SENT USING SECOND COUSINS NAMES ENDING IN JOHNSON FROM DAD'S SISTERS ADDRESS) WAS SENT EVERYTHING IN THE RICO LAWSUIT EXCEPT THE BODY OF THE LAWSUIT AS WELL AS A FINANCING LETTER TO SEND TO JAPAN BY MICROSOFT AND CLUES AS TO THE IDENTITY OF THE CANADIAN perhaps TWENTY RECIPIENTS TO OBTAIN FUNDS LEGALLY ARRANGED BY A C.P.A. LIQUIDATOR AS IT WAS, unwittingly DETERMINED BY THEN TO INCLUDE MICROSOFT AS A LEGAL CONSPIRATOR AND POSSIBLY AS AN ADDITIONAL MAIN PLAINTIFF AFTER O.J. SIMPSON WITH NO MORE POSSIBLE ONE INTENDED. Such a Decision was really a stupid accident in revising a Previous Contract CPA LIQUIDATOR PROMISE as this stupid CPA forgot to change the body of the CONTRACT though properly changing the accepting parties; The original was a promise for making one or more mailings to MICROSOFT by the local UPS agent being former classmate and sunday school gal.

HOWEVER BY DECEMBER CONTACT HAD BEEN MADE WITH KARL L. DAHLSTROM AND BY JANUARY IT WAS LEARNED HE WAS RAILROADED TO PRISON ON SOME PHONY S.E.C. CHARGES AND IT WAS ASSUMED AS THE NEXT PROBABLE MAIN PLAINTIFF AFTER MICROSOFT BUT CONTACT WAS NOT ABLE TO BE MADE IN TIME AND HAVING THE NECESSARY BANK ACCOUNTS TO SET THINGS UP. HOWEVER THERE WAS A TRIP TO DALLAS AGAIN AND ON THE RETURN NEWSPAPER ARTICLES WERE COLLECTED THAT COMPRISED MOST OF THE MAIN PLAINTIFFS WITH THE POSSIBLE EXCEPTION OF A FEW ARTICLES LOCALLY AND REPORTS IN PAST CONSERVATIVE NEWSPAPERS THAT HAD BEEN COLLECTED SO THAT BY JANUARY ALL THE MAIN PLAINTIFF LETTERS WERE PREPARED WITH ALL THE NECESSARY "Screw Up" copies sheets of such LETTERS RETAINED FOR INTRODUCTION INTO COURT AND SAFELY KEPT WITHIN OLD MOVIE COVERS LACKING MOVIES. BOTHERED!

CHAPTER C:

BY THE THIRD WEEK OF JANUARY 1998, THINGS WERE HECTIC AT HOME WITH MOM RAISING FUSSES ABOUT THE CATS IN THE HOUSE AND THE MESS AND THE WORK ON THE RICO LAWSUIT AS SHE TAKES THE ATTITUDE THAT NO ONE CAN STEP OVER THE COURT SYSTEM AND EXPOSE CROOKED JUDGES, unawares of the LEGAL CONSPIRACIES ALLOWED A C.P.A. LIQUIDATOR. THUS THIS C.P.A. LIQUIDATOR RAN AWAY FROM HOME IMMEDIATELY AFTER AN INABILITY TO OBTAIN BUSINESS BANK ACCOUNTS DUE TO THE IRS REFUSAL TO

FURNISH BUSINESS BANK ACCOUNT NUMBERS AND AT THE EXACT SAME TIME AS KARL L. DAHLSTROM, HEAD OF THE SECOND BIGGEST COMMON LAW TRUST COMPANY ORGANIZATION IN THE U.S.A. WITH DAD'S AS THE LARGEST (HE WAS ONLY PUT HEAD DUE TO EVERYONE DROPPING OUT OR SELLING THEIR STOCK AND THE CROOKEDNESS OF THE PROMOTER) BUT THIS RUNAWAY ONLY LASTED A WEEK BUT IT PERMITTED THIS C.P.A. FOREIGN BANK LIQUIDATOR TO COMPLETE THE NECESSARY REQUIREMENT OF HAVING A "Super Secret Hideout" so that all signatures of LIQUIDATOR PROMISES AFTER THE TIME COULD BE MADE BY INITIALS with status and a varied C.P.A. Certification PERMITTING GREATER CHANGES LATER ON. OF COURSE THE PROOF OF FUNDING THE HIDEOUT WAS PUT ON THE BACK OF THE SALVATION ARMY LIQUIDATOR PROMISE SO THE COURT WILL BE SCREWED IN TRYING TO PROVE INADEQUATE STOCKING OF THE HIDEOUT that also lost an additional ONE HUNDRED FIFTY DOLLARS AS THE CHECK RETAINED HAD BEEN DEMANDED AS PAYMENT FOR ASSISTING IN RETURNING THIS C.P.A. LIQUIDATOR HOME.

AS SOON AS Arriving HOME, WORK COMMENCED ON THE FIRST SET OF FINANCING LETTER REDUPLICATION CONTRACTS TO BE DISTRIBUTED ONE PER OLD MOVIE VIDEO TO LIQUIDATOR RECIPIENTS AT A FUTURE TIME; THIS WAS STOPPED DUE TO DAD AND HIS BUSINESS MANAGER GOING TO NEVADA TO ENQUIRE AS TO THE LEGAL DESCRIPTION OF THE NEWLY ESTABLISHED LOCATION OF THE SILVER COMPANIES rightfully belonging eventually to the FOREIGN BANK. DUE TO A CAR BREAKDOWN THIS C.P.A. LIQUIDATOR ACCOMPANIED ANOTHER FRIEND OF DAD'S TO PICK UP DAD AND THE BUSINESS MANAGER. ON THE RETURN TRIP OR AN EARLIER ONE, IT HAD BEEN NOTICED IN THE WYOMING NEWSPAPER OF A PERSON HARRASSED BY THE SAME JUDGE CLARENCE BRIMMER AS SENTENCED DAD ON THE FORMER DUE TO POLLUTION OF RIVERS And/OR LAKES; HE WAS DECIDED AS THE OBVIOUS NEXT MAIN PLAINTIFF AFTER MICROSOFT WITH KARL L. DAHLSTROM AS THE PLAINTIFF RESPONSIBLE FOR PRINTING DUE TO DAD TURNING OVER TWO ARMY AMMO CANS 'of u.s. minted silver' AS PARTIAL PAYMENT FOR TRUST SERVICES, PARTLY to attempt to get damages from ROBERT HOFF ALTHOUGH THIS C.P.A. LIQUIDATOR WILL SETTLE FOR NO LESS THAN FULL FORECLOSURE AND PUTTING THE RACKETEERING SON OF A BASTARD IN PRISON FOR LIFE.

DURING THE NEXT COUPLE OF MONTHS ALL THE FIRST PREPARED MINOR PLAINTIFFS WERE PREPARED OR AT LEAST FORTY OF THE FIFTY UNTIL ONE'S ADDRESS IN DES MOINES, Iowa could not be located as the phone book was unavailable. AFTER THAT THE DIRECTOR OF

MARKETING OF MICROSOFT WAS CONTACTED WITH A LIQUIDATOR PROMISE FOR BUYING MICROSOFT SOFTWARE ON TIME AND DURING THE NEXT FEW MONTHS ALL THE MAIN PLAINTIFFS BILL OF SALES CORRESPONDING TO THE MAIN PLAINTIFF LETTERS WERE PREPARED SO THAT BY THE END OF APRIL ALL THE MAIN PLAINTIFF BOXES WERE ASSEMBLED WITH STANDARD DELIVERY LIQUIDATOR FORMS FOR A THIRD PARTY TO ACTUALLY DELIVER THE BOX TO THE MAIN PLAINTIFF. COMPLETE! STING VICTIMS/BLACKS/MICROSOFT/TRUSTS/TOBACCO COMPANIES/ UNIVERSITIES/TERRORIST VICTIMS/ MAIL FRAUD VICTIMS/ FOREIGN FRAUD VICTIMS/MINING VICTIMS/ MURDER VICTIMS MOSTLY BY GOVERNMENT OFFICIALS/ SEXUALLY HARRASSED VICTIM/ CHIP MAKERS MANIPULATED/ BORROWERS And/OR BUILDERS MANIPULATED/ HONEST BANKERS HARRASSED BY MONOPOLIZED BANKERS AS CHEATS

CHAPTER D:

NO WORK WAS DONE FOR A COUPLE OF MONTHS BUT BY AUGUST 1998 WORK WAS RESUMED IN ADDING MORE MINOR PLAINTIFFS WITH MOST OF THEM "UNIFIED" OR AT LEAST ALL JOINT MOST OF THE WORK WAS DONE THREE PER DAY FOR ABOUT ONE HUNDRED TWENTY EIGHT SUCH PLAINTIFFS WITH ANOTHER HUNDRED HAVING MOST OF THE PRELIMINARY WORK IN ONE WEEK TO BE SENT TO ABOUT TWO LOCAL FIRE DEPARTMENTS PER STATE. THE PAPERWORK WAS EXTREMELY EXTENSIVE AND PERMITTED THESE MINOR PLAINTIFFS TO ALSO BE LEGAL CONSPIRATORS IN ASSISTING IN FINDING EXTERNAL MINOR PLAINTIFFS via COMPUTER SOFTWARE OF SIOUX SOFTWARE; BY DECEMBER 1998 IT WAS EVEN INCLUDED EXCEPTIONALLY "Dirty" C.P.A. PROVISIONS PERMITTING NO OBSTACLE TO PREVENT THE U.S. DEPARTMENT OF JUSTICE FROM 'refusing to listen to or' HEAR THE RICO CASE. THESE ORGANIZATIONS HAD BEEN SELECTED DUE TO DISLIKE WITH THE SYSTEM AND THE MINOR PLAINTIFFS WERE ALL PACKED IN BEFORE MICROSOFT AND ORDERED BY APPARENT IMPORTANCE OF INDIVIDUALS WITHIN THE NEWS MEDIA REPORTS OR SIZE OF COMPANIES OR ORGANIZATIONS. THEY WERE HOWEVER CROSS COLLATERALIZED OR RE OR BEYOND TO PACK THEM ALL IN AT NINE PER MAIN PLAINTIFF PER MAIN SUB HEADINGS. THE LIST OF COURSE IS NOT PRESENTLY AVAILABLE AS TURNED OVER TO DAD'S BUSINESS MANAGER TO EVENTUALLY SHOW ATTORNEY MARK LANE IN WASHINGTON D.C. SHOULD THE DEPARTMENT OF JUSTICE REFUSE TO RETURN STOLEN FUNDS AND PAY DAMAGES FOR THEIR BRIBERY STING. "Dirty"!

CHAPTER E:

IT IS HOWEVER REMEMBERED THAT THE FIRST THREE MINOR PLAINTIFFS AFTER DAD AS CHIEF PLAINTIFF WERE ARRANGED FROM

THE MARCH 1998 SET AND INCLUDED SAM REESE SHEPPARD AS NUMBER ONE; LEROY JAMES STURGEON AS HAVING A DISPUTE WITH THE JUSTICE SYSTEM BASED SOLELY ON THEIR VENGEFUL TREATMENT OF PROSECUTION ON AN APPARENT CHARGE OF BELLIGERANCE AND AN ITALIAN SURNAMED VENEZIA WHO KILLED HIS STATE TAX AGENT WHO HAD HIS BUSINESS RESTAURANT BANK ACCOUNT ATTACHED; FROM THESE WERE CROSS COLLATERALIZED AND BEYOND TO FIRST CLEAN OUT THE PRISON SYSTEM BASED ON CORRUPT PRACTICES AND TO GET RID OF THE IRS BASED ON CORRUPT ACTIVITY OF DEMANDING MORE THAN IS ACTUALLY OWING, especially of DIAMONDS with regards to CHIEF PLAINTIFF AND SECOND STING VICTIM, MAIN PLAINTIFF, A WELL KNOWN FARGO, NORTH DAKOTA PAWN BROKER DEALER. FOURTH CAME THE FOUNDATION TO DEFEND THE FIRST AMENDMENT MOSTLY REPRESENTING WEBSTER HUBBELL AND SUSAN MCDOUGALL AS THE MOST PROMINENT IN THE U.S.A. BEING HARRASSED BY THE JUST US SYSTEM. SHORTLY THEREAFTER AS SEVENTH COMES SAMARITANS PURSE REPRESENTING THE SECOND MOST PROMINENT INDIVIDUALS AS BEING MONICA LEWINSKY, LINDA TRIPP AND BETTY CURRIE. ERIC ROBERT RUDOLF AND THE ESTATE OF ALLISA FLATOW WERE ADDED SHORTLY ENDING WITH GENERAL MOTORS AND WARNER BROTHERS AND OTHERS AS THE NINTH IMMEDIATELY BEFORE THE FOREIGN BANK. EXCELLENT!

CHAPTER F:

FORD MOTOR COMPANY WAS ADDED AS THE NINTH MINOR PLAINTIFF AFTER THE FOREIGN BANK WITH OTHERS AND IT WAS NOT PLANNED BUT POSITIONED BY APPARENT SIZE. SUCH A FORMATION HOWEVER PERMITS BILL GATES TO GO WORK FOR FORD MOTOR COMPANY; HAVE SUFFICIENT GENERAL MOTORS STOCK TO FORCE UNIFICATION AT TRIAL WITH FORD AND THUS AS A MAIN PLAINTIFF BELOW THE FOREIGN BANK CAN ACTUALLY ROLL UP AND TAKE CONTROL OF THE BANK WITH LARGER FINANCIAL STAKES TO HELP OBTAIN HIS FUNDS AND THE LIQUIDATION OF THE OPPONENT IN THE COURT SYSTEM. AS SUCH A TYPE F "Unifed" MINOR PLAINTIFF LETTER WAS PREPARED ON COMPUTER BUT NO PAPER OR INK DUE TO SISTERS REFUSAL TO BUY SUCH FOR THIS C.P.A. LIQUIDATOR HAS PREVENTED SUCH UNTIL PERHAPS AFTER THE FORTY SIXTH BIRTHDAY AS IT WILL TAKE THAT LONG TO SLOWLY COMPLETE MORE "Dirty" C.P.A. CONTRACT PROVISIONS AND OTHER LIQUIDATOR CONTRACTS TO LINE UP MOVING EVERYTHING IN PLACE TO GIVE THE SYSTEM ITS TRIPLE F'ING IT DESERVES FOR TRYING TO F A ONE-MAN FOREIGN BANKER AND A LITTLE OLD WIDOW OF HER FUNDS; IT APPEARS THAT IT WILL ONLY TAKE THREE WEEKS TO PREPARE THE TWO HUNDRED FIFTY "Unified" MINOR PLAINTIFF LETTER AS ONLY ABOUT A DOZEN WERE PREPARED WITH THE CERTIFIED COPY SHOWING THAT THE NUMBER ONE TRUSTEE Of "Video Classics" , JEROME THEODORE SCHIEFFEN

and JOHN GOTTI, JUNIOR AS THE VICE PRESIDENT OF THE SUPREME ALL WISE BANK of this C.P.A. LIQUIDATORS DAD'S FOREIGN BANK to be obtained by the HEFNERS OF "Playboy Enterprises", MANUEL NOREIGA AS THE SECRETARY OF SAME U.S. BANK AND TREY KARLEN, AN ALLEGED, CONVICTED SEX OFFENDER OF possible fellow college students wanting male sex ALL APPEARING ON THE SAME PAGE WITH OF COURSE KARLEN ON THE NEXT PAGE WHERE ALSO THE WORKING IN THE "Unified" MINOR PLAINTIFF LETTER AND THE BILL OF SALE/CONTRACT INCLUDING ALL THOSE DENIED PAROLE AND THOSE LIVING UNDER POOR PRISON CONDITIONS having complained either orally or IN WRITTEN FORM; for all practical purposes including VIRTUALLY ALL PRISONERS IN THE U.S.A. "F'CK"

CHAPTER G:

AS SUCH THE MINOR PLAINTIFF LETTERS AS ABOVE WILL BE PRINTED IN FEBRUARY; THE OVERSEAS FINANCING LETTERS ARE TO BE PREPARED IN MARCH 2000; BY APRIL 2000 IT WILL BE DECIDED TO START THE RICO AND START MAILING MAIN PLAINTIFF BOXES ONE DAY AT A TIME WITH ALL THE MINOR PLAINTIFF BOXES TAKING A FULL THREE WEEKS FOR THE APPROXIMATE TWENTY THREE MAIN PLAINTIFFS; IT WILL TAKE A WEEK TO SET UP THE PRINTERS FOR THE TEN BILLIONAIRES AND ONE TRILLIONAIRE COMPRISED BY THE PATRIOT FOUNDATION OF AMERICA ALSO CO-FOUNDED BY DAD'S BUSINESS MANAGER; IT WILL TAKE SOME TIME FOR THE OVERSEAS FINANCING LETTERS TO BE REDUPLICATED BY THE SELECTED MINOR PLAINTIFFS AND OTHERS; HOWEVER BY MAY DAY 2000 OR POSSIBLY MID-JUNE 2000 PRINTING AND INSURING OF RICO LAWSUITS WILL COMMENCE AND THE FOLLOWING GROUPS OF PEOPLE WILL GET CLEANED OUT OF ASSETS BY THIS C.P.A. WITH ALL THE BILLIONAIRES AS LEGAL CONSPIRATORS AND THE PATRIOT FOUNDATION OF AMERICA IT IS PREDICTED HAVING TEN MILLION PRINTERS GOING AT ABOUT TWENTY FOUR PAGES A MINUTE OR ONE LAWSUIT PER MINUTE AND ONE HALF PER PRINTER OR ABOUT TWO BILLION DOLLARS A SECOND. ALL THE EXTERNAL MINOR PLAINTIFFS WILL BE FED TWO BILLION DOLLARS EACH TO BE DIVIDED UP SO THAT MICROSOFT GETS ONE HALF OR ONE HUNDRED TRILLION DOLLARS; THE REMAINDER WILL GO TEN TRILLION TO INTEL AND ONE OR MORE TRILLIONS TO MICRON TECHNOLOGY DEPENDING UPON COMBINED EXTERNAL MINOR PLAINTIFF RESPONSES via SIOUX SOFTWARE; ONE TRILLION TO ONE, possibly divided to more TOBACCO COMPANIES TO EVEN OUT THE CROOKED TOBACCO SETTLEMENTS WHICH JURIES THAT ARE UNNECESSARILY SIM 'PATHETIC' AS SUCH WILL STAND WHEN THE FEDERAL RESERVE BANK IS LIQUIDATED, THE AMERICAN BAR ASSOCIATION PUT OUT OF BUSINESS AS WELL AS ALL FIFTY USURPING state Corporate ENTITIES THAT HAVE STOLEN GOVERNMENT CONTROL OF THE State

CHAPTER I:

The Activity of The United States Department of Justice And MILIATARY is to solidify CONTROL OF MONEY AND CREDIT FOR THESE JEWISH BANKING FAMILIES mentioned earlier, Either in PROSECUTION OF INDIVIDUALS OR COMPANIES THAT POSE A THREAT TO THEIR CONTROL OR TO ENGAGE IN WAR ACTIVITIES FOR SIMILIAR REASONS OR POSSIBLY IN AN EFFORT TO GAIN OR REGAIN GOLD BULLION WEALTH THAT MIGHT POSSIBLY HAVE BEEN STOLEN FROM BANKERS WITH CLOSE TIES TO THE RULING ELITE, either in BRITAIN OR the UNITED STATES or ELSEWHERE that come back to the SAME JEWISH FAMILY CENTRAL BANKING TIES, all for the purpose of INCREASING their CONSOLIDATED CONTROL over the WORLD ECONOMY AND POLITICS. SUCH IS THE TYPE OF PROSECUTION involving MICROSOFT with alleged ANTI-TRUST LITIGATION; such is the type of PROSECUTION involving a ONE-MAN FOREIGN BANKER who coincidentally has C.P.A. RECORDS that can prove such in COURT by NUMERICAL PROOF expanded a thousand-fold with another approximately ONE THOUSAND MILLIONAIRES to prove such as IRRITATINGLY true.

CHAPTER J: JUST PERJURY, LIES, THEFT, FRAUD AND RACKETEERING

ROBERT HOFF AND THE FORTY EVIDENCES OF THEIVERY

1. In 1968 Lorentz Opdahl built his third Fertilizer operation and named it Sioux Fertilizer. This business was later incorporated in July 1970. Somewhat later, in possibly 1974 and 1976, 5 % of the business was given to his four children totaling 10 % each or 40 % in total the remaining ownership held by Lorentz Opdahl, 52% and Fern Opdahl 8 %. The assets of this business were later transferred to Sioux Enterprises trust or Sioux Enterprises Partnership in February or March 1979.

2. In 1974, Robert Hoff, then Son in law to Lorentz Opdahl began part-time operations of buying silver bearing products for Tri-State Refining Company which was wholly owned and financed by Sioux Fertilizer, Inc. and Lorentz Opdahl personally. Robert Hoff was later given the oral promise

that in the event that 100 % of the investment in Tri-State had been returned, then the business would be 50 % owned by Robert Hoff. This never actually occurred for whereas there had been a total contributions of approximately \$ 134,000, only about \$ 10,270.50 was returned in the form of Gold coins.

3. Part-time operations became full time with the acquisition of a smelter in 1977 from a suburb near Chicago and the hiring of a Refining foreman to oversee the Refining operations. In late June or early July 1978, it was noticed that no results of operations for Tri-State had ever been reported to the I.R.S. because of Robert Hoff's extreme antagonism towards the I.R.S. and his claim that any assets he might have ownership belonged to the Life Science Church of which he was a minister of such church, having taken a vow of poverty. Accordingly, an analysis of operations was made by Thomas L. Opdahl, CPA who was the son of Lorentz G. Opdahl which showed that approximately \$ 140,000 plus of inventory was apparently missing or else operations had been extremely unfavorable for the company since inception during the first four years of operations; But which Thomas L. Opdahl, CPA in order to conceal such reduced the Cost of Goods Sold by \$ 140,000 plus in order to arrive at meaningful reports, never telling his father the discrepancy, assuming it to be untraceable and perhaps a normal result for such a risky tax shelter investment.

4. In July 1978, Robert Hoff started keeping a record of all incoming and outgoing silver products and bullion shipments. By March 31, 1979, Thomas Opdahl again reported results of operations for Tri-State, but overstated the ending Accounts Receivable (and hence credit sales) by

over \$ 50,000 to over \$ 116,000 by not deducting cash collections against credit bullion sales. The combination of these errors helped deceive the I.R.S. into believing either perhaps Tri-State had \$ 200,000

of fiscal income by April 1980 (since inception) or else that Lorentz Opdahl had been personally siphoning income off the company. In reality the company had meager liquid assets and continually worked with a one week's inventory amount, having little remaining inventory after it's weekly shipment and had to rely on a periodic \$ 35,000 loan guaranteed by Lorentz Opdahl. Such results of operations continued to the end of December 1979 when Tri-State had only four pounds of silver inventory after it's December 26, 1979 shipment of silver. (Such amount was less than three pounds at the end of November 1979)

5. In late December (around Christmas time), Robert Hoff convinced Lorentz Opdahl to provide additional financing to Tri-State to buy Gold and silver bearing products. This amounted to \$ 475,000 of which an average cost of Production showed a \$ 20 dollar an ounce purchase price for the silver when the market was climbing due to the Hunt's trying to corner the market. The market of course collapsed to less than \$ 10 before the end of March 1980; so that the silver company was on the verge of bankruptcy; but however instead of Lorentz closing down the business as he wished, he instead agreed to turn over the business to Robert Hoff with a certain Purchase & Sale Agreement dated and signed on August 28, 1980 whereby he turned over ownership and control retro-actively to April 1980 in the form of trusteeship, appointing Robert Hoff and his wife Linda as trustees.

6. By December 1980, results of operations for Tri-State were turned over to Arthur Tranakos, Attorney; but in his questioning Thomas Opdahl "Isn't that Bob Hoff's mess?" and Thomas knowing the approximate extent of pure Tri-State silver exchanged for rotten low grade silver with iron nails sticking out the bottom, immediately decided to leave reporting such results to the I.R.S. for Bob Hoff himself and agreed to retain such records and not include them in preparations for returns to the Internal Revenue Service.

7. The CPA, BS, which Tranakos hired to prepare returns for Lorentz Opdahl and various trusts had personal problems with a recent divorce and activity of chasing women so that he failed to prepare the necessary returns in a timely fashion.

8. Lorentz Opdahl wished in July 1981 to have tax matters transferred to Atlanta from Sioux City, Iowa and sent a letter to Robert Amick, I.R.S. agent in Sioux City requesting such transfer. By early 1982, CPA, BS wished to reconstruct the records with a complete reanalysis which he supervised Thomas Opdahl in doing during early 1982 before preparing returns in order to have more confidence before I.R.S. officials as to the accuracy of the figures; which he supervised Thomas Opdahl in doing during early 1982 and bragged to Thomas Opdahl that

he had sex with 300 different women during the past two years.

9. CPA, BS was unable to prepare returns by April 15, 1982 whereupon Lorentz Opdahl was extremely upset and took the records to Denver to hire CPA, Don Perry to prepare the tax returns.

10. At some time in 1984 after the February 10, 1984 investment of a Video business for Thomas Opdahl to operate (same investment amount as Tri-State and same oral promise) Don Perry, CPA and Thomas Opdahl met with Robert Amick and Frank Lavia, IRS criminal investigator to discuss Lorentz Opdahl's tax situation. Thomas Opdahl furnished Frank Lavia with the results of Tri-State's operations for the year ending April 1980 showing slightly more than 19,500 ounces of inventory remaining after paying some of it's creditors; which also showed a \$ 100 loss for the year based on plugging a \$ 12.70 price per ounce into the 19,500 ounce inventory amount. This figure could be lowered considerably by either reducing the price to \$ 10 or else lowering the cost of the minting equipment to cost as opposed to fair market value so that indeed there was no large \$ 200,000 or \$ 300,000 or more of annual income; and the company was in fact on the verge of bankruptcy.

11. Prior to July 6, 1985, Griff Anderson, IRS agent from Sioux Falls sent presumably a letter or else a Notice and Demand for 1983 based on additional assessments regarding ASCS government payments of which Thomas Opdahl responded with a letter July 6, 1985 that a meeting was unnecessary as the amounts had undoubtedly been reported on the proper trust return actually receiving the funds. No additional assessment of \$ 200,000 income for London International deposit into the First Colonial Trust Company had been charged to Thomas Opdahl by July 6, 1985 or else Thomas would undoubtedly have mentioned such a gross and glaring error to Griff Anderson in his letter; such a claim is contrary to the alleged April 9, 1985 Notice and Demand which alleges a \$ 95,057.00 tax owing without specifying the reason and a \$ 39,880 income tax for 1980 obviously allegedly being attributable to income from Tri-State Refining Company. Such an April 9, 1985 Notice was obviously retroactively dated and delivered at a much later time. A similar Notice was allegedly likewise made to substantiate a \$ 95,057.00 tax for 1983 and specifically specifies that it results from a \$ 200,000 other Deposits to (actually by) London International and Agricultural subsidy payments of \$ 6,935. Such latter Notice was retroactively dated to September 4, 1986 and falsely listed Thomas Opdahl's address as RR 1 Box 216, Hudson, South Dakota and could not have been delivered as alleged because Thomas Opdahl has no personal or professional knowledge of such by March 13, 1987. Furthermore, with a letter addressed to Lorentz and Fern Opdahl on

allegedly April 14, 1987 impressing that only the Tax Court Judge can cancel a trial, enclosed is a United States Tax Court Notice setting trial for April 20, 1987 and falsely lists Thomas L. Opdahl's address as Apt 6, 405 S. Sneve, Sioux Falls, S.D. 57103 which however was Thomas' 1981 address when he spent much of the year doing sewing at the apartment or else studying correspondence courses instead of gainful employment; so that it seems highly unlikely that actual Notice and Demand was given to Thomas Opdahl until after March 20, 1987 for Demand for taxes for the years 1980, 1981 and 1983 because it is extremely unlikely that Eric B. Jorgenson could have delivered by registered or Certified mail to Thomas Opdahl as the first known occurrence of the alleged \$ 95,057.00 tax owing by Thomas Opdahl for 1983 was on a March 16, 1987 Ogden Utah Notice (mailed on March 19, 1987); which was presumably made by Eric Jorgenson notifying the Ogden Utah IRS office on Monday March 16, 1987 (by phone) after Thomas Opdahl complained during an afternoon call on Friday March 13, 1987 of the IRS's unfair treatment of Lorentz Opdahl by charging him with this \$ 200,000 London International Deposit in 1983 and not complaining of such like treatment to himself as he had no such Notice by March 13, 1987. Such an open acknowledgement that such a \$ 200,000 Deposit in 1983 by a Depositor of First Colonial was in reality not income as regarded by the IRS is seen in that it is highly unlikely that the Tax Court Judge was furnished such results of alleged Notices and Demands for 1982 and 1983 for Lorentz Opdahl totalling \$ 314,322 because Assistant U.S. Attorney Francis Pico claimed that Opdahl owed the IRS \$ 450,000 by July 15, 1987 during the first day of trial of Lorentz Opdahl for perjury in Federal Court. In fact, it appears probable that such Notice to Thomas Opdahl for tax years 1980, 1981 and 1983 was not made until after the presumed May 20, 1987 decision of the Tax Court because the April 14th letter from Jorgenson was possibly not mailed until after September 29, 1987 when Lorentz had already been convicted of perjury and because Jorgenson failed to furnish a copy of the Tax Court stipulations until July 1, 1987 after the Tax Court had already presumably made its decision. At any rate, Thomas Opdahl has no recollection by July 17, 1987 when Lorentz Opdahl was convicted that the IRS attributed a \$ 200,000 Deposit by London International into First Colonial as income on Thomas Opdahl's 1983 return. Undoubtedly, this failure to make adequate timely Notice to Thomas Opdahl is the reason that prosecuting U.S. Attorney Bill L. Barnett and the IRS was unable to furnish proof that such Notice and Demand had been made as it would have been obvious that Notice could not be made after the Tax Court's decision and they did not want to ruin their claim that the Opdahl family owed 1.2 million dollars in taxes to the IRS. Oddly, the IRS claimed that Lorentz Opdahl owed \$ 562,____ to the IRS on a post trial financial statement in July or August 1987. In fact the IRS or any

others never had an official document delivered to Thomas Opdahl until late February 1988 when he was subpoenaed by Robert Hoff to appear for a deposition in Lincoln County Court. Such a delivery at that time was made with great difficulty as Thomas Opdahl was on the road four or five days a week delivering movies and traveling 2000 miles a week and was made only after contacting employees at the video store in Brandon to ascertain his possible whereabouts at a house he was purchasing in Sioux Falls. In any event, Thomas was never given Notice at Brandon, nor did his parents ever furnish Notice after Thomas moved to Sioux Falls in approximately July 1986; but instead presumably gave such Notices to Robert Moussallem to give to Bill Cooper and quite possibly were given after July 15, 1987 as a letter from District Director, David Reizes dated July 15, 1987 states that Thomas Opdahl owes (ONLY) \$ 470.01 for 1980 taxes and not the \$ 39,___ allegedly claimed in April 1985 or the even later approximately 88,___ as owing for 1980 which an overzealous IRS employee assessed unawares that TRi-State had been on the verge of bankruptcy with the collapse of the silver market. Such amounts for 1980 and 1983 are clearly extortionate for Thomas Opdahl as well as for his sisters (comprising the bulk of their alleged assessments) and also for Lorentz Opdahl for 1980 and 1983 in particular with the extent of the taxes they allege as owing. On August 4, 1987 Bill Cooper had a P.O. Box to receive Opdahl's and others tax information showing a probable delay in delivering Notices of Demand to Thomas Opdahl.

12. At the end of June 1986, Robert Hoff refused to make any more payments for the business, though over four years remained yet to be paid. By July 23, 1986, IRS counsel in Atlanta notified Opdahl that they were beginning to prepare Tax Court stipulations which as later presented to Opdahl undoubtedly included paragraph # 25 that "Bob Hoff did not pay any consideration to anyone for the assets of Tri-State Refining and another paragraph that he operated the business for his own profit (or loss) after April 1979. Such statements show explicitly that the IRS is behind Bob Hoff in his refusal to make payments and his bringing Civil litigation against Lorentz Opdahl for conversion of silver (later amended to Fraud).

13. On August 18, 1986 Robert Hoff indeed amended his complaint to include conversion of silver allegedly \$ 150,000. In order for Robert Hoff to maintain such a false claim that silver was converted or stolen from the company or from himself, he had to commit repeated perjury as described in paragraph 15.;

14. Moussallem was selected by Government AGENTS AND/Or Robert Hoff as their private agent to both make a settlement with Lorentz

Opdahl for his family's IRS tax debts and to in other ways clean Opdahl out of his assets for his refusal to attend Tax Court and teach him a lesson for his involvement with common law trusts and the First Colonial Trust Company, in particular.

15a. The conspiracy charge is substantiated by the perjury of Hoff and Clary and the subordination of Helsper in questioning both Hoff and Clary and others. The Conspiracy is evidenced by Hoff's perjury in order to maintain a continuance of the action against Opdahl and the Appaloosa Company. Hoff swore to tell the truth, the whole truth and nothing but the truth. Yet Hoff failed to acknowledge and state that a new lease agreement had been drawn up by Appaloosa of which he failed or refused to sign, but relied merely on the vague terms of the PURCHASE AND SALE AGREEMENT. Count 2, Perjury of Oath, violation of 18 U.S.C. 1621.

15b. Hoff again swore to tell the truth, the whole truth and nothing but the truth, yet in the complaint filed February 1984 he falsely stated that he was "wrongfully expelled" from the premises, when he knew in fact that he voluntarily left the premises over the objection of Opdahl. Such a statement was false and knowingly so and made only to attempt to maintain an action against Opdahl which rightfully should have been regarded as frivolous. Count 3, Perjury of Oath, violation of 18 U.S.C. 1621.

15c. Hoff at trial when questioned by Helsper as to whether this \$ 2,951 payment which Hoff made to Sioux Enterprises, did that include the rent for the buildings and property, Hoff stated, Yes. Such a statement was false, and knowingly so and made in order to maintain the action against Opdahl in 1987. A careful examination would have shown that since September 1982, the \$ 2951 figure was the payment with the direct intention according to the PURCHASE AND SALE AGREEMENT to discontinue any further payments for rent. Count 4, Perjury of Oath, violation of 18 U.S.C. 1621 against Hoff and Count 5, Subordination by Helsper, violation of 18 U.S.C. ____.

15d. Hoff at trial when questioned by Helsper is asked whether they continued to use the premises in 1983 says Yes and asked whether Hoff had abandoned the property says No. However on December 9, 1982, an investigation was made by Sheriff Ken Albers and Thomas explained that the building where the combine had been placed which had stored X-ray film for burning was basically empty with the exception of a lot of empty barrels which Thomas stacked very high in order to make room

for the combine, and of course there was no film in the barrels or any assets of substantial value as it appeared obvious the building was almost abandoned. Count 6, Perjury of Oath, violation of 18 U.S.C. 1621.

15e. Hoff in order to maintain the action stated that he owned One Half of the business prior to negotiations in order to maintain that he was in someway damaged by theft of stolen assets that he impliedly had accumulated over the years. Such a statement was false and knowingly so, since there was only an oral agreement that Hoff would be one-half owner once the initial investments were repaid. Count 7, Perjury of Oath, violation of 18 U.S.C. 1621

15f. The conspiracy is evidenced by the perjury committed in order to maintain the claim that silver was stolen by Opdahl. Hoff falsely stated that he did not receive back the silver from the First State Bank vault. Such a statement was false and knowingly so. Count 8, Perjury of Oath, violation of 18 U.S.C. 1621.

15g. Hoff in order to add suspicion that Opdahl stole silver falsely stated that he was never informed of silver removal prior to April 1980. In actuality, Hoff contacted Clary by phone to request Clary to prepare the silver for removal by placing it on the scale. According to notes by Thomas on March 4, 1980 Hoff even came down and placed a bucket of silver flake on the scale prior to the removal to the bank. Such a statement by Hoff was false and knowingly so. Count 9, Perjury of Oath, violation of 18 U.S.C. 1621.

15h. Hoff in order to add suspicion that Opdahl stole silver falsely stated that he did not know whether such silver in the bank vault was under Tri-State's property and control. Such a statement was false and knowing so. Count 10, Perjury of Oath, 18 U.S.C. 1621.

15i. Hoff in order to add a seeming certainty that Opdahl stole silver stated that he was never informed of the return of silver except for minting into coins and returning according to contract. In actuality, the silver from the bank was necessary in order to keep production from coming to a halt at the end of March 1980. Although there was over 600 pounds of silver in unprocessed film; such silver would be needed to be placed in the 999 silver cells. Hoff needed the billets at the bank to run through the extruding machine in order to make medallions. Hoff also needed the remaining rough bars in the bank by the end of March 1980 or he could never have repaid both the the bank and Sioux Enterprises. Such a statement was false and knowingly so. Count 11, Perjury of Oath, violation of 18 U.S.C. 1621.

15j. Hoff again repeated this perjurious testimony in another fashion and stated that all silver returned to the refinery was minted into coins and returned according to contract. Hoff knew such a statement was false and knowingly so. Count 12, Perjury of Oath, violation of 18 U.S.C. 1621.

15k. Hoff in order to falsely represent to the Court that Opdahl stole silver in April, May and June has Helsper question Hoff that billets could not be made till April; to which Hoff eventually states that they could not be made till March 18, 1980 and according to Helsper false subordination, they needed a special machine to make such billets. In actuality Mallette testified that it only took a metal pipe to make a billet by pouring the silver and that they indeed had made some in February before flying to California to view the minting equipment. Such a statement was false and knowingly so and in conspiracy with Helsper. Count 13, Perjury of Oath, violation of 18 U.S.C. 1621. Count 14, Subordination, violation of 18 U.S.C. _____.

15l. Hoff again to falsely represent to the Court stated that there were no speckled billets from Connies silver that were made in February as Thomas testified in Court which prompted Hoff to come up with the previous lie. Such a statement was false and knowingly so. Count 15, Perjury of Oath, violation of 18 U.S.C. 1621.

15m. Hoff in order to refute that he was responsible for the final payment to Opdahl of the agreed 13,750 ounces, refuses to acknowledge that these low grade speckled billets were involved in the final figure that he was to repay Opdahl after the contract date of August 28, 1980. Such a statement was false and knowingly so. Count 16, Perjury of Oath, violation of 18 U.S.C. 1621.

15n. Hoff in order to add suspicion that Opdahl stole silver states that Lorentz had already taken possession of the entire amount according to contract, when in actuality he had received NONE, except considering the low grade billets, by the contract date of August 28, 1980. Helsper knew of the existence of such billets and accordingly subordinately questions Thomas as to whether any of this silver was already in Lorentz's possession; to which Thomas knowing of the billets says Yes. Such a statement by Hoff was false and knowingly so and very material to the Court. Helsper's subordination was likewise deceptive in order to deceive the Court. Count 17, Perjury of Oath, violation of 18 U.S.C. 1621. Subordination, violation of 18 U.S.C. _____.

15O. Hoff states that there was no need to make a final delivery after the contract date was false and knowingly so. Count 18, Perjury of Oath, violation of 18 U.S.C. 1621.

15p. Hoff states partially through Helsper's subordination that silver was stolen by the Opdahl's in April, May and June 1980. In actuality, most the remaining net inventory after paying creditors was in the possession of Connie Berry by April 8, 1980 and Hoff in fact had sent \$ 60,000 to Crane

for the purchase of Lake property so that the combined result of such activity made such a fact impossible. Such a statement was false and knowingly so. Count 19, Perjury of Oath, violation of 18 U.S.C. 1621.

15q. Hoff in order to deceive the Court had Clary agree to say that Lorentz and Tom came and took silver. Hoff states that He recalls that Nathan told him in April or May that "Lorentz and Tom" are here to take silver out. In reality "Lorentz and Tom" were never together to take silver out. It was only Thomas alone prior to April 8 and after April 8 there was only one occasion that both were together when Thomas was cultivating and the cultivator broke down and requested Schoenberner, an employee of Tri-State to fix it for him. At which Schoenberner gave a very brief tour of the facilities, but which no silver was removed. This was the only instance that Thomas was near the refinery and Lorentz testified that he never personally handled the silver. Such a statement was false and knowingly so and done in conspiracy. Count 20, Perjury of Oath, violation of 18 U.S.C. 1621.

15r. Hoff to add suspicion that Opdahl stole silver states that he recalls April as the first request date to take silver out of the company. Such a statement was false and knowingly so in order to deceive the Court. Count 21, Perjury of Oath, violation of 18 U.S.C. 1621.

15s. Hoff to add suspicion that Opdahl stole silver states that he hired or contacted Paul East C.P.A. in late 1979 regarding accounting. In reality he had no such contact, but it was stated to deceive the Court that East's analyses had credibility and support from an early review of records. Such a statement was false and knowingly so. Count 22, Perjury of Oath, violation of 18 U.S.C. 1621.

15t. Hoff states that he did not know what records were used by East in his analysis. Such a statement was false when he was the person who supplied East with both the records and the estimates that East relied upon in making his analysis of possibly \$ 738,000 of inventory missing by December 1980. Such a statement was false and knowingly so. Count 23, Perjury of Oath, violation of 18 U.S.C. 1621

15U. Hoff states that he did not know or remember or recall the price (spot) of silver in April 1980. In reality Hoff requested Opdahl permission to make a bullion shipment in late March or early April 1980 and stated that he could get a good buy on silver real cheap. Such a statement was false and knowingly so and intended to deceive the Court. Count 24 Perjury of Oath, violation of 18 U.S.C. 1621.

15v. Bob Hoff in order to deceive the Court into thinking that the prices reflected on March 31, 1980 were actual prices and valuations for the inventory at the time states that he does not know why \$ 20 an ounce was used for calculations. Hoff had access to the Cost of Production reports and undoubtedly has them in his possession which will show an average three month purchase cost of silver for January, February, and March 1980 of \$ 20.15. Opdahl used the \$ 20 figure as a simple rounding figure for negotiations. Hoff's statement was false and knowingly so. Count 25, Perjury of Oath, violation of 18 U.S.C. 1621.

15w. Hoff states that he did not know records were kept at the Refinery. In reality, he personally instituted the keeping of a RECORD BOOK using a Fertilizer Book on July 7, 1978. Such a statement was false and knowingly so. Count 26, Perjury of Oath, violation of 18 U.S.C. 1621.

15x. Hoff states that Tom worked with Jeff (Johnk) for a while doing bookkeeping, accounting and controlling inventories. Such a statement was to deceive the Court that there was an easy transition for Jeff in doing his accounting work and nothing out of the ordinary or suspicious was going on. In truth, Tom left the refinery and the records with Hoff and told him to give them to Jeff, He would understand them being an accounting major graduate. Such a statement was false and knowing so. Count 27, Perjury of Oath, violation of 18 U.S.C. 1621.

15y. Hoff states that only a couple hundred pounds of low grade silver was received by Tri-State from Connie Berry and has the audacity to refer to it as that which Nathan referred to earlier in the trial. In reality, Hoff at the end of trial in order to try to defend himself admits that over 11,000 troy ounces was sent to Chicago on March 18, 1980. Certainly this is far greater than the 250 pounds which Clary referred to by Hoff subordinating his testimony. Count 28 Perjury of Oath, violation of 18 U.S.C. 1621. Count 29 Subordination, violation of 18 U.S.C. ____.

15z. Hoff's bold yet foolish statment that the sending of such silver to Chicago on April 8, 1980 was entirely off the books of Tri-State is a perjurious and incorrect statement. In reality, Hoff included the total advances to Connie in figuring the 38,000 ounce figure on 3/31/80 and

did not include any of the refined crap, as it was uncertain if any was available from the stuff. Such a statement was false, though blindly made from a lack of accounting knowledge. Count 30 Perjury of Oath, violation of 18 U.S.C. 1621.

15aa. Hoff's statement that obtaining a 30 % yield on 11,000 ounces and paying 5432 ounces for the material resulted in a net profit to Tri-State was false when he refused to acknowledge that any low grade silver billets was obtained from Connies bars. In reality, some silver was first obtained from Connie's 999 cell but Hoff's claim that such billets did not exist prevents his claiming that he could in any possible fashion get a net profit from Connies bars being processed. Such a statement was false and knowingly so. Count 31, Perjury of Oath, violation of 18 U.S.C. 1621.

15bb. Hoff states that billets could not be made prior to March 20, 1980. Such a statement was false and knowingly so. Count 32, Perjury of Oath, violation of 18 U.S.C. 1621.

15cc. Hoff states that he was to receive \$ 760,000 worth of silver for \$ 223,339 and with nothing down. Such a statement was false and knowingly so. He was to repay the initial investments of \$ 130,000 + less the gold coins returned of \$ 10,270.50 and then to reimburse for all the added grief of investing over \$ 70,000 in a worthless silver refining canister production which infringed on another company's patent rights and a portion for any increased inventory that might yet be existing after repaying Tri-State's creditors. Such a statement was false and knowingly so. Count 33, Perjury of Oath, violation of 18 U.S.C. 1621.

15dd. In conjunction with the above perjury, Hoff falsely stated that he had no patent infringement or problem with the valuation of the Snap pack inventory in order to deceive the Court that Tri-State was in a very favorable position and not on the verge of bankruptcy. Count 34, Perjury of Oath, violation of 18 U.S.C. 1621.

15ee. Hoff in order to try to substantiate that Opdahl's stole silver in April after the "buyout" states that he recalls Nathan calling him a second time to inform him that the antique medallion cars were taken by Tom; this supposedly being in April or later in accordance with his perjurious testimony that April was the first time he was informed of silver removal. In truth, the Antique cars were taken on March 8, 1980 as Tom said to Nathan these antique cars are too good to melt down, he would take them to the bank. The antique cars could not be taken on March 29th because that would be the date silver is returned because no silver was taken to the bank after the market collapse.

There would be no need with such a reduced value to \$ 10. No April May or June bank statement entry dates exist. Such a statement was false and knowingly so. Count 34, Perjury of Oath, violation of 18 U.S.C. 1621.

15ff. Hoff in conjunction with the above perjury stated that he recalls saying to Nathan that it was O.K. for Tom to take the antique cars, he would deduct it from his compensation. Such a statement was an impossibility in April 1980, for Tom was no longer working for the Refinery. Count 35.

15gg. Hoff states that he informed Nathan about the "buyout" agreement as the reason Lorentz and Tom could take silver in April (May or June). In truth Nathan could have been informed that Hoff would be allowed to continue to operate, somewhat on his own; but Lorentz and Tom were never given permission to take silver from the refinery after the first of April. Such a statement was false and knowingly so. Count 36, Perjury of Oath, violation of 18 U.S.C. 1621.

15hh. Hoff perjuriously misleads the Court into believing that Clary recorded the amounts and that the amounts exceeded that to which Opdahl was entitled to under the contract. Such a statement was false and knowingly so as no such amounts existed. Count 37, Perjury of Oath, violation of 18 U.S.C. 1621.

15ii. In conjunction with the above statement, Hoff misleads the Court into believing that he was not the sole determiner of the amount(s) to pay Opdahl according to contract. In truth, the first delivery was made at the Iowa farm after the August 28, 1980 contract date, perhaps in October; it was not until sometime in 1981 when the weather was good that Willie Johnk delivered what presumably was the balance in the form of medallions to Opdahl's at the Worthing farm. Only Hoff could know the amount to deliver not Opdahl. Such insinuation is perjurious in not revealing the whole truth. Count 38, Perjury of Oath, violation of 18 U.S.C. 1621.

15jj. Hoff states that Lorentz took possession of the silver from the Hudson farm, when in reality it was delivered by Tri-State employees after the contract date of August 28, 1980 at the Iowa farm. Such a statement was false and knowingly so. Count 39, Perjury of Oath, violation of 18 U.S.C. 1621.

15kk. Hoff states that he was not aware of the book in which employees kept a record of the silver in and out. Count 40, Perjury of Oath.

15ll. Hoff states that Lorentz had on August 28, 1980 possession of the silver (by implication ALL) for the \$ 275,000 dollar loan from Sioux Enterprises. Such statement was false and knowingly so. Count 41, Perjury of Oath, violation of 18 U.S.C. 1621.

15mm. Hoff states that had no knowledge of receiving a \$ 275,000 loan from Sioux Enterprises. Such a statement was false and knowingly so. Count 42, Perjury of Oath, violation of 18 U.S.C. 1621.

15nn. Hoff states that there was no record made of the silver moved to the bank or out otherwise. Such a statement implies that no record was made of shipments or silver taken to the office. Such a statement is false and knowingly so. Count 43, Perjury of Oath, violation of 18 U.S.C. 1621.

15oo. Hoff states that Lorentz assisted in the removal of silver, when in reality he never handled it. Such a statement was false and knowingly so. Count 44, Perjury of Oath, violation of 18 U.S.C. 1621.

15pp. Hoff states that silver was removed by Lorentz in April, May and June 1980 after Tom had been fired as of April 8, 1980. Count 45, Perjury of Oath, violation of 18 U.S.C. 1621.

15qq. Hoff states that he did not see the balance sheet that the exact ounces were calculated in arriving at the \$ 760,000 of silver. Such a statement was false and knowingly so as he used his own calculator to arrive at the figure, based on informing Hoff of the amount at various locations and stages of processing. Count 46, Perjury of Oath, violation of 18 U.S.C. 1621.

15rr. Hoff states that he fulfilled the Contract. Such a statement is false and knowingly so in that he refused to make over four years of payments; failed to repay the bank at the requested time and failed to deliver the full 13,750 ounces but shorted Opdahl's 125 ounces which is evidence that Opdahl's did not overtake too much silver. Count 47, Perjury.

15ss. Hoff states that proper records were used by East to determine silver inventory. Such a statement was false and knowingly so, as East must of necessity been denied the actual pound and ounce figures in the refinery book along with the cost of production reports or inventory balances for the end of December 1979. They would be necessary in re-examining the silver in and out for January, February, March and part of April 1980 in order to redetermine the inventory balance on April 8, 1980. Count 48, Perjury of Oath, violation of 18 U.S.C. 1621.

15tt. Hoff states that Tri-State was experiencing profits and implies a large build up of inventory over time. In reality the first four years showed little if any net profit and perhaps a loss. The March 31, 1979 balances were overstated and corrected yield no appreciable asset inventory gains. The only build ups were in the summer and fall of 1979 when the market was climbing and unfortunately resulted in only paper gains as the inventory was sold at the end of 1979 and rebought for around \$ 20 only to lose over \$ 6 an ounce when the market plunged. Such a statement was false and knowingly so. Count 49, Perjury of Oath, violation of 18 U.S.C. 1621.

15uu. Hoff states that he received a \$ 600 salary but falsely by implication assumes that such amounts legally received allowed a possible \$ 150,000 or more of accumulated assets to be in the possession of Hoff by April 1980. Such a statement is not telling the whole truth and therefore perjurious. Count 50, Perjury of Oath, violation of 18 U.S.C. 1621.

15vv. Hoff states that Tri-State has an excellent credit rating and always has, implying that he had no difficulty obtaining credit without Lorentz's assistance; and that he never tried to do such by himself. Such statements are false and knowingly so when in fact his credit for stove purchases were only enabled because of Lorentz's credit at First State Bank. Count 51, Perjury of Oath, violation of 18 U.S.C. 1621.

15ww. Hoff states that Jeff slowed down the burning of film and there was substantial inventory build ups as a result of his activity. Such a statement was to imply that a large quantity of silver was available to steal from Tri State in April, May or June 1980 and was false and knowingly so, after a private investigator named Tim Mulloy questioned Jeff about the accusation. Count 52, Perjury of Oath, violation of 18 U.S.C. 1621.

15xx. Clary states that only 250 pounds of low grade silver with iron nails was received by Tri State. Hoff obviously forced Clary to perjure himself in order to minimize the losses with Berry that Tri State had been experiencing. Such a statement was false and knowingly so. Count 53, Perjury of Oath, violation of 18 U.S.C. 1621.

15yy. Clary states that there was a transaction of buying the company with silver. In reality the company was being bought on contract and any silver payments were merely loan repayments. Such a statement was made at Hoff's instigation in order to deceive the Court that no more intended payments were required according to

contract. Such a statement is false and knowingly so. Count 54, Perjury of Oath, violation of 18 U.S.C. 1621.

15zz. Clary states that he took only mental notes. Such a statement was false and knowingly so, in light of the existence of the record book. Count 55, Perjury of Oath, violation of 18 U.S.C. 1621.

15aaa. Clary states that his first request for removing silver came in April. Such a statement was false and knowingly false, in light of the fact that on March 4th he prepared silver for removal to the bank at Hoff's request. Count 56, Perjury of Oath, violation of 18 U.S.C. 1621.

15bbb. Clary states that the price of silver was \$ 30 to \$ 35 dollars an ounce in April 1980. Such a statement was false and knowingly so. Count 57, Perjury of Oath, violation of 18 U.S.C. 1621.

15ccc. Clary states that he is not aware of silver being returned to the Refinery from the bank. Such a statement is false and knowingly so. Count 58, Perjury of Oath, violation of 18 U.S.C. 1621.

15ddd. Clary states that Tom was not present on all occasions of removing silver, yet on another occasion Clary correctly stated Yes. Such a statement was false and knowingly false as there was no other way to get the silver to the bank, except either Tom or Hoff take it there. Hoff only had access to one of the smaller boxes, Thomas had access to all the boxes. Lorentz had no access to any of the boxes. Count 59, Perjury of Oath, violation of 18, U.S.C. 1621.

15eee. Clary states that he was not aware of any silver being returned except a couple hundred pounds to be minted and refined according to contract. Such a statement was false and knowingly so, as the silver was necessary to keep production going. Only about 15 pounds of pure silver could be obtained from each cell and there were only four cells. Tri State needed the billets from the bank which according to Helsper there were 22 or 23 of them. Count 60, Perjury of Oath, violation of 18 U.S.C. 1621.

15fff. Clary states that Jeff slowed down the burning of film in accordance and conspiracy with Hoff's lie. True film processing had been stopped on January 22, 1980, but Jeff had nothing to do with it; he was in Minneapolis. It was slowed down because other processes were more important and took precedence. Such a fact actually supports the idea that silver from the bank had to be returned. Such a statement is false and knowingly so. Count 61, Perjury of Oath, violation of 18 U.S.C. 1621.

15ggg. Clary states that they were stockpiling tons of film after April 1980 at the direction of Jeff. In actuality, they began processing film sometime in March or early April and obtaining sizable sums from the over 600 pounds in film inventory and it would be impossible to stockpile tons of film at this time. Such a statement was false and knowingly so. Count 62. Perjury of Oath.

15hhh. Clary states that Hoff did not contact him in advance of silver removals. Such a statement is false and knowingly so. Count 63, Perjury of Oath, violation of 18 U.S.C. 1621.

15iii. Clary states that silver was removed from the vault and PURIFICATION CELLS when silver was removed for security purposes. True silver came from the vault or homemade bunker, but silver from the cells if taken out as it was on March 4th was immediately returned and NEVER WAS SILVER TAKEN TO THE BANK FROM THE PURIFICATION CELLS. Such a statement was false and knowingly so to imply that Opdahl made it difficult for Tri State to operate, he was taking so much. Count 64, Perjury of Oath, violation of 18 U.S.C. 1621.

15jjj. Clary states that there was approximately 300 pounds left after Opdahl and the bank were repaid. In reality it was almost all gone as Jeff reveals in a private investigator report which said that "Hoff was mad, the silver was gone." Such a statement was false and knowingly so and done in conspiracy with Hoff. Count 65, Perjury of Oath, violation of 18 U.S.C. 1621.

15kkk. Clary lies and states that no one kept records of incoming silver each month. Thomas obtained the actual records from the refinery and duplicated them in a set of accounting pads placed in a plastic suitcase given to Hoff when Thomas was fired. Such a statement is false and knowingly so. Count 66, Perjury of Oath, violation of 18 U.S.C. 1621.

15lll. Clary states that he is not aware of a book that incoming silver was recorded in. Such a statement is false and knowingly so. Count 67, Perjury of Oath, violation of 18 U.S.C. 1621.

15mmm. Clary states that there were DAYS that they took in 10,000 ounces a day in pure silver plus from the burning operation. Such a statement is obviously false and knowingly so and done at the instigation of Hoff. In truth, the only possible Day that 10,000 ounces were returned was March 29, 1980 when approximately that quantity was returned, except over half was still rough bars. It would take an entire month to obtain 11,000 ounces from film. Such a statement was false and knowingly so and made only to deceive the Court into

believing large quantities of silver were available to Tri State at any given time from a number of sources, presumably not the bank. Count 68, Perjury of Oath, violation of 18 U.S.C. 1621.

15nnn. Helsper subordinates Hoff's testimony regarding Hoff owning one-half of the business prior to negotiations. Such an idea was false and done in conspiracy with Hoff. Count 69 Subordination, violation of 18 U.S.C. _____.

15ooo. Helsper subordinates Clary's testimony by bringing up the idea of "MENTAL NOTES". Such an idea was in conspiracy with Hoff to deny a record book existed. Count 70, Subordination, violation of 18 U.S.C. _____.

15ppp. Helsper subordinates Clary's testimony by injecting the idea of whether Clary had knowledge of the internal records of Sioux Enterprises and asks if he has knowledge of record keeping or book. Such an idea was to allay suspicion that a book did in fact exist. Count 71, Subordination, violation of 18 U.S.C. _____.

15qqq. Helsper subordinates Clary's testimony concerning the weight of 22 or 23 billets as weighing 402 pounds when the answer was over 393. This was to inject the plausibility that Opdahl's stole billets in April as Thomas would later testify about billets and a portion of the silver at the bank weighing 402 pounds to try to give credibility to Hoff's lie. Count 72, Subordination, violation of 18 U.S.C. _____.

15rrr. Helsper subordinates Clary's testimony and injects the whole idea of silver being removed in April, May and June 1980 by stating on page 203 "I'm sure silver was removed and it was removed, I presume in this April, May and June 1980 time frame" Count 73 Subordination.

15sss. Helsper subordinates Thomas's testimony regarding the amount of silver left at the bank by April 1980 and falsely assumes that in excess of 13,750 ounces was at the bank when Thomas's records showed more like 10,000 by March 4th. Helsper repeatedly asks for what proofs Thomas had that the silver was returned, at which Thomas replied finally none, except that Lorentz acknowledged that the silver pie was not large enough to permit much stolen silver, so that it had to be returned in order for everyone to get repaid. Such subordination was done in conspiracy with Hoff as a possible reason the judge would give the judgment which Hoff had been questioned by Wilka if he expected the judge to give him the land or farm. To which Hoff smuggly said, that is up to the judge, knowing beforehand his promise of obtaining the judgment. Count 74 Subordination, violation of 18 U.S.C. _____.

15ttt. Helsper subordinates Hoff's testimony that Hoff did not need any of the silver at the bank in order to repay the bank loan of \$ 200,000. Such was in conspiracy with Hoff. Count 75, Subordination, violation of 18 U.S.C. _____.

15uuu. Helsper subordinates Thomas's testimony about billets that Tom took with the implication that it was in April or later. Helsper falsely states that billets couldn't be made till April 1980 and that it took a special machine to make billets delivered February 21. In truth the first 1500 medallions were made in mid-February and sent to the office for sale. Such questioning Tom about billets taken when the previous 10 or 11 pages excluded such questioning was done in conspiracy with Hoff to shed light on the false idea that Opdahl stole silver in April or later. Count 76, Subordination, violation of 18 U.S.C. _____.

15vvv. Helsper subordinates Thomas's testimony regarding when the 13,750 ounces was repaid by saying fall, summer or fall, when Thomas had no knowledge of when it was; but such questioning was done in conspiracy with Hoff by injecting summer in the question to give false credibility to the judge that the silver was repaid prior to the August 28, 1980 contract date. Count 77, Subordination, violation of 18 U.S.C. _____.

15www. Helsper subordinates and implies that Bob was buying the company with some of the silver being delivered. Count 78, Subordination violation of 18 U.S.C. _____.

15xxx. Perjury was committed in trying to maintain that damages were sustained and collectible by altering the contract and backdating it to April 1980. The conspiracy of Hoff, Helsper and Connelly becomes apparent here. Helsper states that he doesn't intend to vary the terms of the contract as he attempts to introduce proposals, when all along he had arranged with Hoff and Connelly that a rewritten contract would be the basis for a claim against Opdahl by both backdating to April 1980 and making it a sale from Opdahl to Hoff and not as a trustee relationship. Count 79, ???????, violation of _____.

15yyy. Hoff affirms this rewritten contract date by stating that the contract date was April instead of August 28, 1980 and Helsper assists in the confusion by subordination when injecting April when he knew it was August was the month of the contract signing. Count 80, Perjury of Oath, violation of 18 U.S.C. 1621. Count 81 Subordination, violation of 18 U.S.C. _____.

15zzzz. Helsper in introducing the proposals dated April 7 and April 8 falsely stated to the judge, "there are signatures", enducing Connelly to believe that the requirements of a contract were present and apparent on the proposals and finding the elements of a written contract satisfied. This was done in collusion and conspiracy. Count 82, Perjury by an officer of the Court, violation of _____.

15aaaa. The conspiracy is apparent in the efforts made to maintain and enforce collection of the judgement by Attorney Roos crossing state lines in order to fraudulently have the judgement altered to include other parties that had been expressly excluded as parties to the judgement namely Appaloosa Company. Count 83, Perjury by an officer of the Court, violation of _____. Count 84, Crossing state lines to commit a felony, violation of _____.

15bbbb. The conspiracy is apparent by the actions of Hertz and Wenell in voiding the transfers long after the statute of limitations had lapsed and falsely stating that the transfers were made to defeat creditors, including the Internal Revenue Service. The Supreme Court of South Dakota was informed of the false statements, fraud and unlawful acts, yet upheld the fraudulent judgement. Hoff in submitting payments to the Court was acting in conspiracy with Connelly and others. Refusal of Judge Connelly to allow time for preparation beyond 8 days and Helspers refusal to provide discovery show a conspiracy existed. Hertz in finding opposite rulings regarding the transfers to Appaloosa by Opdahl and that of his children show a conspiracy existed. Helsper in amending the complaint at the end of trial shows a conspiracy existed; and Wilka in giving feeble answers for his willingness to accept a trial to the Court shows a conspiracy existed. Count 85 Conspiracy, violation of 18 U.S.C. _____.

15cccc. Hoff in March 1980 sold precious metals for Dr. Stuart Crane of over \$ 62,000 and as it was explained to Thomas the accountant; such collection was received by Tri State in order to prevent the IRS from determining that Crane had sold such precious metals; This deal was arranged by Hoff and further perhaps confused the IRS in their efforts to collect taxes from Tri State. Count 86, Money Laundering, violation of 18 U.S.C. _____.

15dddd. Hoff again in March 1979 sold precious metals for Dr. Stuart Crane of over \$ 45,000 on a similar deal arranged by Hoff; Count 87, Money Laundering, violation of 18 U.S.C. _____.

15eeee. Hoff in early February 1989 dumped cyanide in Sioux Falls, that was initially determined to be a "hazardous waste". Such waste was reclassified as "non-hazardous" due to the conspiracy of Hoff with

various Government agents and others. Count 88, Dumping of a hazardous substance and endangering the community, violation of _____

15ffff. Hoff by December 9, 1982 had discontinued the use of the film burning building at the Hudson facility as an investigation revealed so that he was no longer BURNING FILM. Hoff did not build similar facilities in Sioux Falls until 1984. In 1982 an accusation was made by Clary that

Hoff locked him in a cyanide room. Such evidence shows that Hoff no longer burned film and it is unlikely that Hoff stopped processing film altogether since it historically was about 50 % of the business. As such Hoff is guilty of a similar dumping of cyanide in 1982 and 1983. Count 89, Dumping of a hazardous substance and endangering the community, violation of _____.

15gggg. Hoff earlier in 1979 prior to September 13th had dumped cyanide at the Hudson refining facility as reported to Thomas by Steve Schoenberner where Hoff became extremely sick. Plaintiffs have in their possession, inventory records in Hoff's own handwriting where he has so many barrels of CYNAIDE on hand at times previous to 1979. Count 90, Dumping of a hazardous substance and endangering the community, violation of _____.

15hhhh. Hoff in order to impress the judge of his excellent credit rating falsely states that he obtained property in West Virginia and South Carolina by his own efforts. In truth the West Virginia property was bought from proceeds of selling an Old's car given as a wedding present and Linda Opdahl Hoff's wages at Reader's Digest. The South Carolina property was purchased from money taken out of Tri-State without paying taxes on it; with the exception that part of it came from Linda's inheritance. Count 91, Perjury of Oath, violation of 18 U.S.C. 1621.

15iiii. Hoff to allay suspicion that he might have lost silver from his own employees falsely stated that he never prosecuted anyone for stealing silver when in fact he had prosecuted Mike Owen who spent jail time and accused Mary Owen of stealing a million dollars of silver. Count 92, Perjury of Oath, violation of 18 U.S.C. 1621

15jjjj. Hoff in order to falsely impress the judge of his excellent management skills where presumably he had amassed a wealth of silver over the years since his supposed 1973 inception of business (actually 1974 part time till 1977) falsely states that he came to South Dakota (or Iowa) in order to organize his (Lorentz's) business and get it in shape so he could sell it. Count 93, Perjury of Oath, violation of 18

U.S.C. 1621.

15kkkk. Hoff in order to falsely impress the judge of his excellent history of wage earnings falsely stated that he received no help going to Bob Jones University (1973 and 1974) when in fact he went to school off money that Linda received and lived in a trailer furnished by the Opdahl's and not his own excellent earning status of buying gallons of fix solution for Connie Berry in Georgia and South Carolina. Count 94 Perjury of Oath, violation of 18 U.S.C. 1621.

15llll. Helsper in order to deceive the Judge that certainly Hoff had assets in Tri State in April 1980 of over one half million dollars falsely states both that Hoff was buying the company with silver and paid over one half million (\$223,339 + \$ 275,000) in order to falsely indicate to the judge that Hoff had substantial equity in Tri State by April 1980. Count 95, Subordination, violation of 18 U.S.C. ____.

15mmmm. Helsper again in order to deceive the Judge that certainly Hoff had assets in Tri State in April 1980 that were stealable (and in a stealable location) falsely states that Hoff bought a million dollar business when questioning Thomas. In reality the million dollar figure was a combination of paper assets, worthless snap pack inventory, and inventory assigned to creditors for payment. Count 96, Subordination, violation of 18 U.S.C. .

15nnnn. Hoff in order to falsely present to the Court that Opdahl had inclination to cheat Hoff falsely states that Lorentz made slanderous and biased remarks like "I've got you." You'll never be able to live up to the terms of the agreement five minutes after signing the agreement. Count 97, Perjury of Oath, violatiyn of 18 U.S.C. 1621.

15oooo. Hoff in order to deceive the Court that April was the presumed date of the signing of the contract falsely states, after Thomas had already said that he was not present at the August meeting, that Tom (Opdahl) helped bring Exhibit 3 (PURCHASE AND SALE AGREEMENT) to Bob (Hoff). Such a statement was false and knowingly so. Count 98, Perjury of Oath, violation of 18 U.S.C. 1621.

15pppp. Hoff in order to further deceive the Court that April was the presumed date of the signing of the contract falsely states, that Tom and Bob (Hawley) met at the Holiday Inn on August 28, 1980; this was after Tom had testified that he met Hoff in April at the Holiday Inn and was false and knowingly so because Tom was never with Bob Hawley either at the Holiday Inn or Tri-State's office when such a contract signing could have been performed. Count 99 Perjury of Oath, violation of 18 U.S.C. 1621.

15qqqq. Hoff in order to deceive the Court that this litigation was necessary against Opdahl falsely states both that he can assure that the trusts are phony and that the trusts were set up so you are not responsible for paying taxes. Such a statement was false and knowingly so and made only in collusion with the U.S. Attorney's office and the Internal Revenue Service and conspiracy with Connelly and others. Count 100, Perjury of Oath, violation of 18 U.S.C. 1621.

15rrrr. Hoff in his final, ultimate and peak height of committing perjury, when questioned by Wilka about his experience and dealings in buying a business and asked specifically whether he had purchased a business since falsely states with the most blatant audacity that he had never purchased a business since; when in reality in March 1986 according to his own June 1986 newsletter had just purchased a large minting operation in New York, presumably from Mizar Corporation; which as any scholar knows Mizar in Hebrew and Arabic means either Gold or Wealth so that the conspiracy against Opdahl is undoubtedly started from seeds of this transaction. Count 101, Perjury of Oath, violation of 18 U.S.C. 1621.

15ssss.(bribery) In or around June 1990 Plaintiffs became aware that the possibility existed that money payments were made by some of the Defendants, or their agents, to Defendants Riley Connelly and E.W. Hertz in the obtaining of the alleged judgments and orders identified in paragraph 24, and that a bribe was indeed made, based on the prima facie evidence of the alleged judgements and orders themselves. That other evidence exists that suggests the payment of \$ 26,000 to Riley Connelly in 1987, \$ 6,000 and \$ 8,000 to E.W. Hertz in 1989, and probably others to Richard Bogue and Jay H. Tapken, all payments made in cash at unknown specific times and place and not readily traceable by ordinary means. The State of South Dakota has refused to prosecute any of the Defendants, but has overtly and consciously protected the defendants in their racketeering activities.

15tttt.(breach of contract) Under the terms of the PURCHASE AND SALE AGREEMENT dated August 28, 1980, HOFF as Trustee of Tri-State Refining Company and for Tri-State Refining Company did agree that when payments on the half of net value, agreed to be returned, were not made or that if # 2 Party should fail to make contract repayment of any kind for a period of 90 days, or not fully current during any 120 day period, # 1 Party shall have the option of immediate reclamation of all assets of # 2 Party, involved in original contract, or aquired since that date. # 2 Party agrees that this may be done without COURT ORDER or other legal direction, but by simple acquisition." (Page Three, No. 12 of Exhibit A). By virtue of the express and /or implied

terms of the Agreement, HOFF as Trustee had the duties and obligations, among others, to make the payments of at least \$ 2,951.44 and to remit promptly to Plaintiffs. HOFF breached the aforementioned Contract by failing to pay any payments since July 1, 1986, that a total of \$ 153,533.97 original principal and penalties if paid pursuant to Agreement and total due \$ 190,675.21 in payments to October 1, 1990 remains unpaid. That all of the Defendants have conspired to assist HOFF in his breach. As a direct and proximate result of HOFF's breach, Plaintiffs have been damaged specifically here in the amount of \$ 1,005,145.27 as owing to May 1, 2000 as Refinanced for Additional Ten Years AS BEFORE.

15uuuu.(breach of fiduciary duties and conspiracy) By virtue of HOFF's original relationship with Plaintiffs as Trustee, he had the fiduciary duties, powers, and obligations of loyalty trust and fair dealing with Plaintiffs pursuant to the Declaration of Trust and the appointment as Trustee. HOFF breached said fiduciary duties, powers and obligations by, among many other things, falsely presenting and enducing others to like-wise falsely present the facts in the PURCHASE AND SALE AGREEMENT, by failing to fully remit the return of the half net value agreed to in the Agreement, and as Trustee of TRi-State Refining Company by failing to distribute any profits since 1980 to the Trust Certificate owner(s). All Defendants, as a matter of law, had the fiduciary duty and obligation to require and order the return of all property, and accounting of the same, to the original grantor of 1979, once it had been allegedly determined that all transfers by Lorentz Opdahl, including those as officer or trustee, were void. All defendants breached said fiduciary duty and obligation, by among other things, continuing to present fictitious and fraudulent judgments and orders, by failing to disclose the nature of those fraudulent judgments and orders, by permitting the execution of those fraudulent judgments and orders, and failing to resist or correct those errors and omissions. As a direct and proximate result of Defendants breaches of fiduciary duties and obligations, Plaintiffs have been damaged as alleged in paragraph 36 above, and Defendants have all been unjustly enriched.

15vvvv. (fraud and conspiracy) In order to enduce Plaintiffs and their attorneys into non-action and to permit the fraudulent claims to continue, contrary to the Declaration of Trust, PURCHASE AND SALE AGREEMENT, and Appointment of Trustee, to go on for so many years without counter-action, Defendants made and/or believed the false and fraudulent representations that Lorentz Opdahl sold the refining business to Robert Hoff personally and that the Trustees have no rights or duties. Same representations were made falsely and fraudulently, and were known by all Defendants to be false when made, or made or accepted in reckless disregard of their falsity, for the purpose of not

only defrauding Plaintiffs, but also the Courts. Defendants representations were material in alleging a value of \$ 200,000 of net inventory were available to be stolen after paying its creditors; when in all likelihood the value remaining to be stolen due to the fraudulent activities of HOFF in 1979 and 1980 and quite possibly much earlier left remaining in net inventory after paying its creditors from \$ 10,000 to \$ 30,000 at the prevailing market rate of the price of silver during April 1980, one of the alleged months that silver was stolen by the Opdahl's in April, May and June as more fully explained in the PROOF OF FRAUD Possibly available from PATRIOT FOUNDATION OF AMERICA, P.O. BOX 70, Freeman, South Dakota 57029;. That a more wide reaching conspiracy exists to steal the Plaintiff's property, namely the assets of the FIRST COLONIAL TRUST COMPANY through agent Robert Moussallem who was hired to make a settlement with Opdahl and the Internal Revenue Service and to persuade Opdahl to invest in a phony auto-mall conceived by the FBI to also defraud Mayor Richard Arrington of his liberty as well as to steal the remaining available assets of FIRST COLONIAL and the conspiracy with HOFF becomes apparent in HOFF's January 1988 deposition question concerning Robert Moussallen spelled with a final n as was also the spelling of a May 1988 agreement between Opdahl and Moussallem to assist in renewing FIRST COLONIAL'S bank license on Grand Turk. Such conspiracy extends to other Judicial circuits stealing property eventually belonging to FIRST COLONIAL through the wholly owned subsidiary TRUST COMPANY OF THE AMERICAS as evidenced in the stealing of property granted by Charles Krall under the illusion they are for taxes, exactly as Plaintiffs property have been stolen under the illusion they are for taxes. Such hiring of Moussallem for his three-fold purpose must have been done at the instigation and approval of HOFF as evidenced in his timely knowledge of Moussallen name with a final n and not otherwise traceable by other obvious means to ascertain; unless he is informed by FBI or Court Officials as to his identity. The Conspiracy becomes apparent by reading the PROOF OF FRAUD to see how HOFF had to repeatedly perjure himself in order to find an excuse for claiming that silver inventory was stolen from the Company or from HOFF personally. The testimony at trial did not fit with the scheme and artifice of stealing such property. Bank records did not correspond to the false claims. Silver market prices at the time did not correspond to the false claims. Other refining employees testimony contradicted such false claims of such silver being stolen. Such was not the nature of the Opdahl's to steal their own silver and make it difficult if not impossible for HOFF to fulfil the contract provisions with the required monthly payments. The Conspiracy was aided and abetted by HOFF's repeated and unlawful dealings with Connie Mack Berry. Such activity, apparently upon retrospection by April 1997, of exchanging a portion of Tri-State's pure silver (5432 ounces according to HOFF's testimony

at trial) with inferior low grade silver with iron nails sticking out the bottom was to cheat not only the Company and Opdahl but also the Internal Revenue Service and such activity commenced at a much earlier time from inception making it absolutely impossible that such an amount of silver was available to be stolen by April 1980 and thus destroying the claims of the Internal Revenue Service in their claims of having Opdahl's property owing for taxes.

The claims of the Internal Revenue Service with regards to Opdahl and his associates also involved with common law trusts are full of a lot of hot air and inflated from 10 to 30 times or more. OPdahl's accountant calculated somewhere from \$ 75,000 to \$ 125,000 was owing by Opdahl to the IRS prior to Opdahl's settlement with Cooper through Moussallem yet the IRS claims 1.2 million dollars by September 1989 when Opdahl's accountant was refused permission to testify. Additional claims are made by placing liens on property from 2.2 million dollars to 3.5 million dollars. In contrast, Hoff apparently siphoned off over \$ 140,000 of income by July 1978, another \$ 100,000 in early 1980 with Berry and another \$ 60,000 for lake property in 1980 along with his wages from 1976 and did not pay the Internal Revenue Service a dime, with the exception of a little withholding as long as Sioux Fertilizer was still giving a \$ 600 monthly salary to Hoff. In 1981 and 1982 Hoff had severe financial difficulties with Tri-State due to his reckless management. A Private investigator's report reveals that Hoff failed to deliver over 180,000 ounces of silver at the time due to market speculation of silver by Hoff. The U.S. Attorney's office discovered such and chose not to prosecute Hoff; instead they utilized Hoff to attack trusts and grantors. Connie Berry likewise had similar dealings. Not only was he Tri-State's or should I say Hoff's silent partner in the 1970's, but he sold silver and failed to deliver to customers throughout Florida some \$ 3,000,000. The State of Florida chose not to prosecute Berry.

15xxxx(drugs) Tim Mulloy's private investigator report revealed that Hoff forced his secretary Mary Owen to buy him Marijuana. Count 106, Possession of a controlled substance. It is common knowledge that Clary became divorced because his wife could not tolerate his selling drugs to the public. Such a practice could only have it's source from the undue influence that Hoff has over Clary because Clary once foolishly stole silver from Tri-State. As such Hoff is both guilty of possession with the intention to distribute a controlled substance and in the actual distribution itself. Count 107, Possession with the intent to distribute a controlled substance. Count 108, Actual distribution of a controlled substance.

15yyyy. Count 109, Conspiracy to commit murder in the death of

Moussallem.

15zzzz. Mulloy's report suggest that Hoff is guilty of murder due to a missing person who both Hoff and this person drew loaded guns on each other. Count 110, Murder.

16 a. In March 1986 Hoff made arrangements to buy out a large Gold minting company in Rochester, New York that once belonged to Johnson-Mathey in England but the property was owned by the Mizar Corporation in the Dutch Netherlands Antilles. Hoff boasted of this aquisition in a June newsletter published by Tri State Refining.

16 b. By June 1986 Hoff refused to make any more payments on the silver refinery to Opdahl or the trust owning the property. Such a refusal was upheld by both the State of South Dakota district judges as well as later by Federal Court judges and supreme court judges in both South Dakota and Iowa.

16 c. Hoff knowing that Opdahl had not promptly paid the Internal Revenue Service and was not negotiating a settlement utilized this knowledge with a planned attack on Opdahl and the trusts. This was enacted on August 18, 1986 with an amended claim that Opdahl stole approximately \$ 150,000 worth of silver allegedly in 1980. This allowed the U.S. Attorney's office two days to find Moussallem for the job of obtaining a settlement from Opdahl and to sting him. This allowed the Atlanta office of the IRS one month to convince IRS agent Metz Holder to persuadue Leonard Holder to persuade Opdahl not to attend Tax Court in order to have the racketeering plan against Opdahl and First Colonial work.

16 d By December 16 William E. Cooper or others in the U.S. Attorney's office directed Robert Moussallem to contact Ray (Reynold) Spulak at an offshore investment conference in the Cayman Islands to procure a settlement with Spulak for the IRS and to have Spulak introduce Moussallem to Opdahl. Later Bob Chappell is introduced as a source of Moussallem's introduction to Spulak as a ruse to hide the fact.

16 e. By November 4, 1986, Opdahl also testified at a Federal trial of Charles (Chuck) Krall and acknowledged that he had purchased a trust. This was later used to prosecute Opdahl for perjury in July 1987 in Federal District Court in Wyoming. This prompted Cooper and others to focus their attention on Spulak and Opdahl as a target of the sting.

17. On January 26, 1987 Opdahl attended a hearing protesting the selection of a March 1987 trial date in the Tri-State Refining Civil case.

On that same date, presumably Attorney Richard Helsper complained to U.S. Attorney Richard Stacy that Opdahl was balking at accepting a trial date and presumably Richard Stacy offered that he would subpoena Opdahl for a March 9 trial which he would later cancel and such cancellation could be no excuse or reason for not going ahead with the trial as scheduled. Thereafter, Helsper had the Judge schedule another hearing for February in order to reschedule the upcoming Tri-State Civil trial to March 11, 12 and a couple more days if needed. Opdahl appealed to the South Dakota Supreme Court because of two conflicting dates and received no relief but the trial went according as planned, particularly with Opdahl's Attorney being enduced to accept a trial without a jury which he likewise pressured Opdahl into accepting.

18. The trial lasted only four days and Helsper later brags that they were victorious recalling such a fact of only four days of trial. However, clearly the Findings of Facts and the Judgement itself were erroneously prepared by stating that the trial dates were March 9-12 and March 23 and 24 as quite possibly prepared with the assistance of U.S. Attorney Richard Stacy who had prepared the March 9 subpoena to Opdahl and failed to note the actual trial date of March 11 in order to fit in with the plan.

19. Such a fact of obstruction of justice with a pre-planned judgement seems obvious in that on July 17, 1987 the closing arguments of Asst. U.S. Attorney Francis Leland Pico included three damaging remarks; one of which implies that the judgement was pre-arranged in claiming that a judgement of \$ 700,000 or \$ 750,000 would in all likelihood come down against Opdahl any day in a case involving Tri-State Refining owned by his ex-son-in-law in Sioux Falls, South Dakota. Such remarks were noted by Thomas Opdahl by 1990 who had his father and another travel to Wyoming in order to have re-transcribed those closing arguments; but were met with the argument that such transcripts were no longer available as it is quite possible remembrance of their alteration had been made. Further, it is obvious that collusion of Hoff with the IRS or U.S. Attorney's office is apparent because by September 1987, Hoff stated in a document submitted to Sioux County Iowa Court that the judgement was made known to the parties including Lorentz Opdahl by July 15, 1987 which could not have been the case as Lorentz was busy with the first day of trial for perjury in Wyoming at the time and the Judge's Court reporter distinctly recalls on July 15, 1987 that the Judge had not arrived at his decision yet that week when she left South Dakota the day earlier.

20. Some time prior to September 24, 1986, Leonard Holder persuaded Lorentz Opdahl to cancel or dismiss the upcoming September 1986 Tax Court hearings. Such a persuasion could in all

likelihood have received it's impetus from Metz R. Holder, IRS agent in Atlanta. Again on April 14, 1987 Lorentz Opdahl notified the U.S. Tax Court that he was cancelling or dismissing the upcoming April 20, 1987 Tax Court hearing. Such notice was not filed on April 20, 1987 by the Tax Court Judge, Arthur Nims III. However the first such cancellation had been filed by Judge Hamblen who said to Todd Snyder, IRS Attorney " Apparently some of these people like these \$ 5,000 damage awards that we impose on them, and I want to lay a good enough track record so this will (not) be done next time, if they don't quit this frivolous filing. I am not going to tell you how to practice law, Mr. Snyder, but you people ARE GOING TO HAVE TO DO SOME-THING to help the Court get rid of this kind of stuff. This is absolutely frivolous. [i.e. have a sting operation against Opdahl]

21. Sometime very shortly after Opdahl cancelled the second hearing for April 20, 1987, Some unknown IRS agents enduced Ray Spulak to obtain an initial payment for a settlement for Lorentz Opdahl's tax liability and Ray Spulak enduced Opdahl to give him \$ 15,000 for the IRS. However when the IRS obtained the\$ 15,000 they said it was part of Ray Spulak's \$ 30,000 settlement to eliminate an alleged \$ 273,000 liability as RAY had agreed with Moussallem, Cooper and the IRS in January 1987. Lorentz immediately finding out this fact had Ray Spulak sign a note for the \$ 15,000 payable to Lorentz Opdahl, presumably in May 1987. This \$ 15,000 payment may have been made in the Spring of 1987 when Ray Spulak met Lorentz Opdahl at LeRoy Sveegen's residence claiming Ray knew someone in the IRS who could settle with the IRS for outstanding IRS tax debts. At any rate the \$ 15,000 amount corresponded to the fair market value of Ray Spulak's stock in First Colonial, only Lorentz Opdahl was unable to pursue litigation in State or Federal Court because the original of the note was more than likely stolen, presumably by Lorentz's own Attorney, Larry Becraft in September 1989 immediately after the bribery trial when Thomas Opdahl caught Larry Becraft rifling through the accounting summary sheets and stealing some of the said sheets as well as possibly tax returns and pertinent documents that the IRS wished to have in their possession in order to minimize any possible damages in the event of TENACIOUS LITIGATION.

22. Opdahl was persuaded to make an initial payment to Moussallem to be turned over to the IRS agent. Opdahl made a second payment and at some point in time met the agent who conveyed the amount the IRS would accept in payment. Additionally Moussallem persuaded Opdahl to give him four diamonds originally designated as to be given to his four children.

23. Opdahl received the IRS Tax Court stipulations around July 1, 1987 from which Opdahl could assume that the Tax Court still hadn't come up with its decision as his Attorney testified in mid July at the perjury trial in Wyoming. Around July 15, Notices were likewise sent to some of the children requesting production of documents for Tax Court.

24. From July 15 through July 17, 1987 Opdahl attended his Wyoming trial for alleged perjury where there was also a packed jury and presumably re-manufactured Minutes which help convey that Opdahl was guilty of doing business overseas as well as perjury. Most all of the jurors were government workers with one juror who the Judge personally knew her husband as Marvin; another juror who the judge knew personally as Mrs. Kenneth; one whose son worked for the Forestry Department; others were teachers, librarians or some other government worker or else their spouse worked for a government agency or both; one who worked for the restaurant that Opdahl and Attorney Tranakos and other had met in 1982 to discuss the Grand Jury proceedings which was overheard by an undercover government agent. Immediately after the trial was completed and Opdahl was convicted,

Opdahl was called into the outer offices of Assistant U.S. Attorney Francis Pico to start preparing a financial statement on a long legal notepad. Thomas followed into the outer offices and observed Pico informing Opdahl to make sure he got it all down just like I say. Whereupon, Pico answered the phone in the outer office and said something on the phone. After the call, Pico returned to Opdahl and observed the pad and was flustered. Later it was found by Thomas Opdahl that such legal pad having Lorentz Opdahl's financial condition at the end of trial also had written on the page a spelling of Moussallem which should not appear on the page at that time, particularly since the only reference Opdahl had with Moussallem showed that Moussallem was spelled with a final n instead of an m, being a Power of Attorney for a license renewal of First Colonial in Grand Turk and was made in Late April 1988 or possibly May 1988. Even Hoff's Attorney Roos submitted deposition questions asking about Moussallen with a final n in January 1988.

25. After Opdahl was convicted and before he reported to be sentenced to Leavenworth, Opdahl agreed to make the final payment to Moussallem which was finally made the last week of October 1987. Moussallem hesitated to turn over the \$ 120,000 proceeds to Cooper and the IRS until during the first week of November 1987 in anticipation of new sentencing guidelines becoming effective after that date so Opdahl could be imprisoned longer for bribery. Such intentionally charging Opdahl for bribery at a future date is apparent when Cooper claims that by the first of July 1987 Moussallem

contacted Cooper that he knew a person in Nebraska (a mistaken State) who owed 1.2 million dollars; but which any Notices to the Opdahl family by that date failed to aggregate to 1.2 million dollars; so that

the U.S. Attorney's office were intending to charge Opdahl with bribery before they had prosecuted him for perjury and hoped to get a conviction because he would be unable to testify himself because of his felony record. The fact that Cooper claims it was Nebraska was merely to allay suspicion away from him and the IRS.

26. By September (2) 1987 and October (29) Opdahl and his family appealed to Federal District Court in St. Louis against the Commissioner of Internal Revenue Service; but were denied any relief under Rule 13 or Rule 4 which stated that appeals had to be made within 90 days of the decision of the Tax Court.

27. On October 9, 1987, the IRS apparently assessed members of the Opdahl family for years 1979, 1980, 1981 and earlier years as evidenced on later Notices of Federal Tax Liens and at a time they knew that they had an agent collecting sums for their payment. Such an untimely date of assessment seems to violate the decision of the Tax Court for they could hardly know 5 months previously that Opdahl had such amounts as owing to the IRS for the years in question. Also the Tax Court was undoubtedly not advised that Opdahl was being double taxed on the sale of the businesses; once in the year when sold and once when the proceeds were collected. The Tax Court was undoubtedly not advised that the IRS agent in preparing the Notices for Lorentz Opdahl had denied any basis in every asset sold and treated all the proceeds as income; including any silver sold. The Tax Court was undoubtedly not advised that Opdahl had received over \$ 100,000 from the IRS as a refund for 1976, 1977 and 1978 yet the October 9, 1987 Notices later claimed that over \$ 253,000 was owing the IRS for those years and undoubtedly retaliatory against Opdahl for his twice refusal to attend Tax Court among other reasons such as his involvement with common law trusts and the First Colonial Trust Company. If the Tax Court Judge knew these facts, he is indeed a co-conspirator and an extortioner of the highest magnitude, if he upholds these IRS demands against Opdahl and his family for 1.2 million dollars or more.

28. On June 1, 1987, before a settlement had been made by Opdahl, the IRS issued a Notice of Federal Tax Lien for Thomas L. Opdahl at R.R. 1 Box 216 Hudson, South Dakota 57034 for \$ 162,819.09 allegedly for Thomas's 1983 IRS taxes as assessed on March 16, 1987. However the

calculation and statement from Ogden Utah on March 16, 1987 was for \$ 95,057 and it seems unlikely the balance could be interest and penalties, though the March 16, 1987 has such notations; but it is certainly extortionate as the amounts have no basis in fact. The fact being that during one half of the year Thomas Opdahl was outside the U.S.A. in Grand Turk and spent almost all of such possible earnings in cleaning up the island of trash aluminum from which Thomas Opdahl failed to achieve even 1 cent from the sale of such scrap product. The only other work for which Thomas Opdahl received any remuneration in the U.S.A. was for helping to remodel his parents house in the Fall of 1983 and was a full time student doing correspondence with the Univsity of Wisconsin in Hebrew, Aramaic and Arabic (obtaining mostly straight A's in the course work and exams).

29. The IRS finally furnished Linda Opdahl Hoff Martens McAulliffe a letter and a Notice of the Tax Court's Dismissal and Decision allegedly made on May 20, 1987 but obviously of an extortionate nature in claiming that Linda owed almost \$ 33,000 for 1980 which could only be assumed as coming from a possible 10 % ownership in Tri-State Refining resulting in a 10 % ownership of Sioux Fertilizer which owned the Refinery. Obviously the Refinery was on the verge of bankruptcy at the time and such amounts are extortionate by nature and by very appearance are due to an ongoing conspiracy of the IRS with Robert Hoff. Similar demands were also made against Thomas's other sisters, Julie and the twin Patricia. It should be noted that the Attorney failed to sign such notice and it is merely signed Arthur L. Nims III with a common rubber stamper.

30. The IRS from Aberdeen again contacted Thomas Opdahl on July 15, 1987 and claimed that Thomas owed \$ 470.01 for his 1980 taxes which disputes the alleged Notices that were allegedly sent earlier and disputes the amounts that Thomas' sisters were allegedly assessed for 1980 on their returns comprising most of the assessment. I would think that the Ogden Utah or the Minneapolis or possibly even the Atlanta office of the IRS had contacted the South Dakota branch by July 15, 1987 to add a considerable amount to an IRS assessment if indeed the Tax Court had made such a ruling on May 20 that the Tax Court purports that it made. This fact is demonstrated in that the IRS again issued a Notice of Levy on August 26, 1987 to the ASCS office against Thomas L. Opdahl showing 486.59 owing by Thomas to the IRS for 1980. Obviously Judith Hable issuing the NOtice was not informed of any decision of the Tax Court for they either arrived at the over \$ 39,000 figure or else the over \$ 88,000 later charged to Thomas Opdahl as income for 1980 or else failed to arrive at any decision at all for year 1980. Presumably 3,800 dollars of funds were confiscated as a result of this levy. Again \$ 162,830.89 was

calculated as owing for 1983 with an additional \$ 11,463.19 as statutory additons to an already extortionate amount. Such Notices of Levy were obviously to extort money from Opdahl and to gain a settlement later to be attributed as a bribe so that other funds likewise could be seized as allegedly gross income from an illegal activity and therefore belonging to the United States Government.

31. However with the December 28, 1987 Notice of Federal Tax Lien to the Register of Deeds in Lincoln County against Thomas L. Opdahl for \$ 106,730.30 the IRS had indeed broken their settlement promise and claimed based on an October 9, 1987 assessment date that Thomas Opdahl owed the IRS \$ 88,366.96 for the year 1980 for taxes when previously the amount had ranged from \$ 460 to \$ 39,000 and obviously attributed to income from Tri-State which is clearly extortionate in that the only funds Thomas earned for 1980 was for doing farm work of discing and cultivating in the Spring and Summer of 1980 and was only at a nominal amount receiving no fixed periodic income but only occaisionally as necessary for living expenses. On top of this Thomas was allegedly assessed \$ 10,846.55 for the year 1979 which was more than twice the previous Notice of April 1, 1983 of \$ 4,546 from which Thomas Opdahl met Robert Amick on June 28, 1983 and tendered a check for full payment of such \$ 4,546 provided that Robert Amick sign a statment that such an amount of \$ 4,546 was true and correct under penalty of perjury. In actuality, Robert Amick had originally assessed for 1979, \$ 2,816 as taxes owing for 1979 based on unreported dividends of \$ 9,000 and \$ 2,124 for additional income from Sioux Fertilizer for Thomas' 10 % share of Sioux Fertilizer. The April Notice was retaliory and increased the alleged 10 % income of Sioux Fertilizer to \$ 7,444.08 for 1979 and was not based on a more careful analysis as the audit had presumably been completed by January 1983 based on the IRS examining all the checks and records. At any rate the records were returned by the Fall of 1983 and Thomas performed an audit of the receipts and disbursements for the previous years. In reality, Thomas or his business entity doing accounting had received a fixed monthly income of \$ 1,000 a month. Half of such amount was earned by the business entity which deducting depreciation and necessary expenses yielded a 0 reportable income and a 0 tax as owing. The other half of such earnings had appropriate deductions, exemptions and expenses taken and adding the 10 % income of the fertilizer company resulted in a tax of \$ 312.15. How the IRS can later claim a six figure amount of tax as owing to the IRS is clearly extortionate as well as clearly extortionate for the IRS to claim that Lorentz and Fern Opdahl owe the IRS over \$ 142,000 for 1979 and over \$ 700,000 for 1980 as almost all amounts for 1979 are due to a double taxation from the sale of the business and the amounts in 1980 are clearly extortionate considering the fact the silver company was on

the verge of bankruptcy by April 1980. If the correct treatment of Dividends from a Subchapter S corporation is examined correctly, it will undoubtedly show that Robert Amick was incorrect in his assumption that the dividends of \$ 9,000 received by Thomas Opdahl in 1979 needed to even be reported on Thomas' return in the first place. Such an amount may possibly even be in discrepancy as only \$ 5,800 was taken for the purchase of a Corvette.

32. On March 8, 1989, the IRS issued another Notice of Federal Tax Lien of \$ 110,452.49 of which \$ 94,843.19 was attributable to 1980 presumably for income from the silver company which had been on the verge of bankruptcy by April 1980. Here the 1979 amount allegedly owing was \$ 7,622.47 and less than the earlier over \$ 10,000 amount but still clearly extortionate and made on October 9, 1987 long after the Tax Court supposedly made their decision. Along with this was a Demand for \$ 7,986.83 for the year 1981 which is slightly more than the \$ 7,516.79 allegedly owing for 1981 earlier. In reality, Thomas was a full time student during 1981 taking correspondence courses, MBA studies, Seminary courses and Greek at a local University and did absolutely no work at all with the possible exception of doing some discing in the Spring of 1981 while studying Hebrew during a noon lunchtime of which Thomas received only nominal fees if any for such work, mostly being sufficient to pay for correspondence or other courses being taken. In fact, Thomas spent a lot of spare time doing sewing, mostly being three Hebrew inscription needlepoint type sewing after Church on Sundays at the 405 South Sneve address. It is very interesting that during 1982, the IRS failed to assess Thomas Opdahl as the only work being done during 1982 was to reconstruct the records for a few months in 1982 and teaching two classes at a local business college for one quarter; most of the earnings had been invested in books as well as loaning \$ 4,000 to some book owners which later proved to be a bad debt, though never actually taken such for IRS purposes. On top of this \$ 1,800 representing the balance from the Sale of the Corvette had been utilized and spent for the various college courses that Thomas took in 1981 and 1982 of which some of the year was also being spent by Thomas being an almost full-time student.

33. The IRS issued another Notice of Federal Tax Lien on January 2, 1991 in violation of the settlement agreement of Opdahl with Cooper through Moussallem totalling \$ 291,526.62 to the Sioux County Recorder as well as a \$ 3,923.77 Levy to Lincoln County for 1987 taxes. However, during 1987, the amounts collected for the video business services by Thomas included living expenses, rent and a \$ 450 monthly amount for the purchase of a church and parsonage to be deducted as a depreciable asset for an historical site and such amounts anyway

never exceeded \$ 1,000 in total per month and the business itself was making no income that could be attributable to Thomas Opdahl when it was owned by a Trust eventually owned by First Colonial TRust Company and Lorentz Opdahl and such video purchases were always at a level preventing a net income from being earned by the Company. Additionally the necessary contacts had been made to have the church and parsonage listed as an historical site. Such a \$ 3,923.77 alleged tax as owing to the IRS by Thomas Opdahl is clearly extortionate since Thomas had no other sources of income at ALL; and the deposits of cash from video customers was always carefully turned over to the proper video employees (Assistant Manager) and carefully deposited by that employee; and Thomas wrote appropriate checks for all income attributable to Thomas from the Video Account and such Video account can be examined in detail to show the claims of the IRS are erroneous for 1987, especially since any amounts utilized in the restoration or intended for such restoration are clearly deductible as an expense in fixing up such historical site.

34. Such Notices of Tax Lien or Levy were likewise made against Lorentz and Fern OPdahl with the exception that all such notices were sent after the settlement had been made with Cooper through Moussallem during the first week of November 1987. The first such notice was on December 28, 1987 to the Lincoln County Register of Deeds and included over \$ 253,000 as owing for 1976, 1977 and 1978. The next Notice was given to the Sioux County Recorder on April 12, 1989 but included over \$ 280,000 for the same three year period. Again this notice included over \$ 701,000 for allegedly taxes for 1980 which could only be attributable to income from TRi-State Refining; which in reality was on the verge of bankruptcy. By 1981, Lorentz and Fern were completely retired from business and could hardly have adequate compensation where they might possibly owe the IRS over \$ 50,000 in additional assessments and such arrivals by October 9, 1987 are clearly erroneous and extortionate in either demanding an amount greater than that entitled by law to demand or else extortionate to persuade Opdahl to make a settlement with Cooper and the IRS. Another Notice of Levy was issued on August 14, 1990 to the Lincoln County Sheriff by the IRS office in Sioux Falls, S.D. These include very extortionate amounts for 1984 and 1985 not previously included totaling over \$ 500,000 with statutory additions from which no corresponding Notice had been sent to the taxpayers, was not a subject of the IRS Tax Court in 1987 and could have no reasonable basis of support as the taxpayers were retired with merely a trust company engaged in farming operations of 480 acres of land and the only other viable business entity still operating was a video business of which Thomas operated such video business for precisely \$ 300 per month and put all other available funds into the

purchase of video tapes spending as much as \$ 8,000 per month in video tapes with the balance of the revenues collected in excess of the \$ 8,000 and \$ 300 wages being expended in normal business operations with the exception of a few payments as a return of capital which oddly amounted to approximately \$ 12,000 (a similar amount that Hoff returned as capital) but which such payments were quickly stopped as the business could not prosper and suck such capital amounts from the business. On an almost identical Notice on February 7, 1991 and signed by P.E. Miller for Joe Boyer, a Revenue agent in Sioux Falls from the District of Aberdeen, S.D. yet signed and prepared at Des Moines, Iowa was issued to the Sioux County Recorder. Another harrassing Notice of Levy was issued to the Social Security Administration in an effort to attach some of Lorentz's Social Security checks on December 6, 1991. Lorentz however provided opposition which the IRS declined to pursue after extracting only a small amount of this Social Security money. Additionally Notices were sent to Detroit to Levy any return from investment in a MOtel which such levy was successful as well as a Notice of Levy to Marion County, Indiana in an effort for the IRS to attach the balance of a warehouse bank from a Denver suburb that was out of business with the death and suicide of the owner and manager whose estate was in Probate Court in Indiana where the silver had been stored at a local coin dealer. Such Notice appeared successful for the IRS in that they obtained the entire proceeds.

35. Additionally the IRS, the U.S. Attorney's office or the U.S. Treasury obtained the entire available assets and deposits of the First Colonial Trust Company on January 20, 1989 by Moussallem fraudulently obtaining a MANDATE FOR PAYMENT OF ASSETS presumably at the direction of the IRS, the U.S. Attorney's office or the FBI for an alleged investment in a phony auto-mall conceived by a couple of FBI agents from Atlanta, Georgia which was intended to entrap black Mayor Richard Arrington with a charge of bribery for his rezoning such property for use as an auto-mall. The Baptist Church selling such property did not obtain the funds as they were snatched by the U.S. Attorney's office before payment could be made. Thomas attended this black Baptist Church in downtown Birmingham and one of the elders explained the situation and their inability to obtain the proceeds.

36. After the IRS was assured they had cleaned Opdahl out of his money overseas, they confronted Opdahl on February 12, 1989 and accused him of bribing the Government; they even conducted an illegal search for weapons, as he was not informed that he was arrested; when in reality it was a settlement with the IRS, though possibly a payment for the IRS to not obstruct justice and stand behind a phony judgement given to Tri-State in a contrived and fraudulent trial

against Opdahl for apparently stealing his own silver. Opdahl was enduced to meet at this Birmingham motel with the ruse that he was to receive IRS tax receipts for money paid.

37. The indictment was handed down the last week of April 1989 and very quickly the U.S. Attorney's offices apparently lied to the newly hired Attorney David Cromwell Johnson in an attempt to have him persuade Opdahl to accept a plea bargain and a 33 month prison sentence to prevent the case coming to trial. Opdahl was upset and quickly hired Mark Lane in Washington, D.C. Trial commenced on September 7, 1989 and lasted for several days. During those days it was reported in the local Newspaper that the FBI was involved in extensive investigations of TRi-State over records which might apparently have been burned in a fire possibly started by arson in a possible coverup of A CHARGE OF DUMPING CYANIDE AS A HAZARDOUS WASTE IN SIOUX FALLS, sOUTH DAKOTA. Opdahl was not convicted of bribery; but was convicted of Conspiracy to eliminate 1.2 million dollars in taxes. However C.P.A. Ken Murphy was not allowed to testify that Opdahl owed less than \$ 300,000 and therefore the payment could not have been a conspiracy to eliminate 1.2 million of taxes. On appeal, Opdahl won but Moussallem had been convicted in September and murdered in October before he could point a figure at corrupt government and IRS officials. Murphy's analysis showed that by July 1989 he assumed the Opdahl's owed \$ 75,000 but by 1991 showed a corrected figure of \$ 125,000 very close to the amount that Cooper claimed as owing and acceptable to the IRS.

38. It appears obvious that the death of Moussallem was Murder in that Moussallem had only the day earlier contacted Attorney Mark Lane saying he would blow the lid off the whole affair. Likewise, the bonding agent who shot Moussallem had been on probation and was in trouble with the FBI for previous arms violations and undoubtedly certain FBI agents pressured the bonding agent, Hoyett Goggans to murder Robert Moussallem or else he would face additional prison time if he did not cooperate.

39. The FBI is indeed implicated in the plot to both steal the overseas First Colonial money with a proposed investment in a phony auto-mall scam and in their plot to try to entrap black Mayor Richard Arrington with bribery in attempting to rezone the property. First in June 1987 two FBI agents from Atlanta posing as real estate developers met Moussallem in Birmingham and were introduced by Bill Cooper; these agents furnished business cards with phone numbers from Atlanta and possibly falsely introduced as Steve Hawkins and another individual. Later it was learned from U.S. Attorney Bill Barnett that these were indeed FBI agents Ken Cormany and Bob Hood, though another agent

named Mr. Kiel is also clearly implicated, though Moussallem's attorney thought the name was spelled Kiehl; but which Bill Barnett throughly familiar with the affairs corrected it to Kiel; Bill Barnett also was familiar with the case as he had failed to turn over the tape recording of this June (22 or 23) meeting to Moussallem's attorney and when confronted very quickly produced the tape for he must have known it's whereabouts and that it was being excluded from evidence against Moussallem and Opdahl as he smugly says it does not involve this case. These FBI agents according to Moussallem tried to enduce Moussallem to bribe the Mayor and other Birmingham government officials as well as enduce him to start a real estate development. Not only were sums obtained from Opdahl overseas but also from Larry Thill and Charles Krall and others for investment in this phony auto-mall which undoubtedly government agents stole and confiscated as being from a source of illegal gross income revenue.

40. Furthermore, Judge Haltom is implicated in the plot against the Mayor because he very quickly corrects Moussallem's attorney that the letter of immunity to Moussallem for acts done at the direction of the FBI was for acts done after October 25, 1988 instead of October 25, 1987 which Moussallem's attorney was under the impression as the correct date. Haltom claims he does not know Moussallem from Adam's ant; but how could he be the one correcting Moussallem's attorney unless he is throughly briefed ahead of time about the upcoming case. Haltom knowing that Moussallem had a passport from Moussallem's attorney and others shortly volunteers that he knows that Moussallem has traveled overseas, though it shortly is known that he has not used the passport for a long long time.

40 B. - Mom recently pointed out that scrap silver forcibly received from Hoff as well as approximately \$ 250,000 of silver coins From Refinery Loan WITH GOLD KRUGGERANDS were stolen by an unbonded agent in Indiana as stolen by "FEDS" as local bank complained to FBI and apparently IRS stole all box contents.

DYNAMITE

The Making Of The Biggest LAWSUIT In The History of Mankind
CHAPTER 1 - DEDICATION

This Book is dedicated to Louise Woodward, O.J. Simpson and Mrs. Ottelie Spenser in the hope that it will provide an answer to who killed or murdered their Loved One.

To Louise Woodward, I would like to comment that you have been the victim of the Justice Department in considering that it is Ludicrous or Preposterous to believe that anyone besides you could have been responsible for the death of the eight month old infant, exactly like it is

Ludicrous to believe that the U.S. Department of Justice is guilty of trying to entrap black Mayor Richard Arrington with a charge of bribery which U.S. Attorney Frank Donaldson denied as Ludicrous to believe and piously stated that the U.S. Department of Justice is Color blind and prosecutes blacks and whites alike as long as they are criminals. They are indeed Color Blind as an elderly lady confessed being color blind that she can tell black and white apart real well, she just gets her colors all mixed up. So the Department of Justice is certainly color blind in blindly prosecuting and imprisoning both whites and blacks. Mayor Arrington was too smart to fall for their tricks, and my dad was likewise charged with bribery that in part resulted from the same corrupt FBI incited plot; but which he was victorious and served no further prison time than the 4 1/2 months he served earlier on other trumped up charges. What is rather disruptingly apparent is that through Accounting data which is completely compiled and presented, it can be proven in a COURT OF LAW that not only is such a charge not Ludicrous, IT IS ABSOLUTELY TRUE. The government actively seeks to incarcerate people for no apparent reason except for who they are; perhaps being their race, creed, color or belief.

To the Massachusetts District Attorney's office, it seems plainly that they have failed to consider other possibilities. Perhaps the infant was accidentally injured as it fell off a bed. Perhaps the infant was unwittingly injured by his brother. Perhaps the infant was unintentionally hurt by a parent who refuses to accept guilt. Perhaps the infant was the result of an unusual mortality due to unknown causes. All of these may appear to seem Ludicrous; but there is the very slight possibility that such might have occurred and your stubbornness results in destroying perhaps one fourth or more of an innocent girl's life. How would you react if you were someday placed in a similar situation through unforeseen circumstances.

To Louise, I must give my reasons for belief in her innocence. First you quite simply and honestly deny any guilt in such and refuse to be pressured to confess to something you did not do. Secondly, as coming from a small town in England which is predominantly Anglican, though possibly Catholic, I would presume that your upbringing is similar to mine and that even if you attended Church irregularly, but at least had attended Sunday School, you would not be inclined to become enraged and murder an infant as you are accused. My upbringing was more predominantly Lutheran; later attended a very strict Baptist University; joined an Anglican Church in America and later joined an Episcopal Church and became active in choir and worship. My upbringing in the Lutheran Church is impressed with three distinct and memorable moments. First, my first Sunday School lesson was at four or five years of age at the bottom of the basement steps seated in

small chairs as the teacher impressed the importance of Sunday School and how awful sin was in our treatment of our brothers and sisters to which I recall crying at the recollection of how badly I treated my sister. Secondly, I am impressed with my recollection of my conversion at 14 during a Confirmation class and my pondering Ephesians 2:8,9 and crying to the point that the pages of my Bible were becoming quite wet; only to suddenly stop at the visualization of Jesus on the Cross dying for my sins. Third I am impressed with the recollection that after that time, every time I sang "What A Friend We Have In Jesus" I would cry uncontrollably in gratitude. In Comparison, I see that anyone attending an Anglican Church and singing the hymns as we sang in the Episcopal Church could hardly ever be inclined to commit murder. It would not be in their nature. As a further comparison, in our choir was a remarkably talented and beautiful young girl at the time about your age who had sang in the choir since 4 or 5. She had worked at the local Golf Country Club as a waitress and Tearfully asked me one morning while putting on our robes as to whether I knew Bob Hoff? Her response as was her fathers almost in unison was "WHAT A CREEP!". No answer was given, but obviously she must have been incensed by a snide remark he made while she was serving him drinks. Little did she know WHAT A CREEP he would eventually show himself to be, though he probably attended a Catholic Church. I am not making this comment to run Catholics down, because although as Choir was 80 % ex-Lutherans and 20 % Episcopalians from birth, we all unanimously agreed that if there were only two Churches: Baptist and Catholic. We would probably be seen in a Catholic Church attending worship. In comparison, I see that you would resemble this other gal and not someone like Bob Hoff with an innate tendency to commit murder and perhaps every other crime imaginable.

To Louise, I give one added voice of assurance that given the proper time, that in all likelihood you will be released from prison before the year 2000. I say this because your father said they will do everything possible to "FORCE JUSTICE" Such will be the impact of forcing this litigation against Bob Hoff. It will reveal who are the real criminals and in the redistribution of actual wealth, there will no longer be the stranglehold to keep certain prisoners imprisoned who have committed no crime or where the evidence is so flimsy and uncertain that imprisonment has no reasonable basis. In fact, it will release perhaps 90 % of the prisoners who are presently either political prisoners (20%) or drug related offenders which comprise 80% of the prisoners with a few other Federal cases thrown out.

To O.J. Simpson, I must state the reasons that I'm convinced of your innocence. First, you emphatically denied such at the very start of

trial. Secondly, the prosecutions explanation of how the murders were committed revealed an inconsistent order of execution. They contend that you first murdered Nicole and then turned on Ron. However, considering any jealous husband seeing his ex with another man; THE FIRST IMPULSE WOULD BE TO KILL THE GUY; Besides he would offer resistance and a struggle and valiant as he probably was would have been on top of your back struggling with you in an attempt to rescue Nicole. Obviously, if the prosecution is correct and Nicole was murdered first, then the killer must have been motivated by the desire to frame O.J. for the murder. Besides assuming you had murdered Ron, you would only have been incensed enough to kill Nicole, if she snidely said to you that you would never get away with that, O.J. Since the bodies were considerably apart, Ron did not have a chance to come to Nicole's rescue; so in all likelihood the murders were committed by at least two individuals, or else the bodies would, certainly have been much closer to each other. Such a killing could more probably be executed by professional killers and assassins such as those employed by the CIA or some other secret service organization as rumors of such occurrences are rampant throughout the world. Adding two more murders to their belt would not be unusual and would result in many benefits to various professionals ranging from the Media to Lawyers to Victims and quite apparently keep the Nation captivated with such murders while other dastardly plots are conceived and executed in political, economic and business arenas.

To O.J. Simpson, I must add that you likewise are a victim of the same ideology that it is Ludicrous or Preposterous that anyone besides yourself could have committed such murders when in reality certain top level government agents resort to such activity frequently and are almost never caught; In fact they are never caught and only someone as powerful as a FOREIGN BANKER has a chance of ever catching such a rascal, because it was most definitely another FOREIGN BANKER that hired such an individual or at least directed certain high level government agents and leaders to engage in such murderous activity. I am sure you are startled to learn that my Dad is one such FOREIGN BANKER

and that I as a former C.P.A. and M.B.A. am able to prove such in a COURT OF LAW; though not identify the actual killer but at least the owners of the other FOREIGN BANK that hired such an individual. The reason that such is true is threefold, I have the accounting records of their co-conspiring racketeer to prove his culpability in the murder. I have the bank audit records of my Dad's FOREIGN BANK. My dad has the accounting deductions which show his innocence and the culpability of the IRS in the theft of assets by collusion and conspiracy. The death is plain, if it indeed occurred; unless government U.S.

Attorney's, FBI and coroners engage in fraud and he actually is not dead. If he is dead as reported by the Media; then certainly he was murdered at the direct instigation of the FOREIGN BANKERS who profited by such corrupt activity; They steal my dad's FOREIGN BANK assets, his personal assets and those of his associates quite probably totaling One Billion dollars and cover it up by killing their own agent using other government agents. Such activity happens on a world wide scale as evidenced by certain BANK CERTIFICATES; so it would not be unusual to add two more murders to such intrigue. Such is not ludicrous to believe; but in deed PROVABLE FACT.

To O.J. Simpson, I would add that such is possible to be proven as FACT, because my dad holds a unique position as a FOREIGN BANKER. He is the only living ONE MAN FOREIGN BANKER with the smallest bank in the world with basically for all practical purposes, only two depositors; Himself and another old codger like himself who retired in approximately 1979 and quit making money or income as he likewise either had it stolen from him or loaned it to individuals hardly in a position to pay principal let alone any interest. As such, being a ONE MAN FOREIGN BANKER, he has all those behind him who have been cheated by the biggest banks of the world. He gained such notoriety when the IRS tried to set up my dad on a bribery charge using his only other partner in the bank. The IRS deceitfully stole \$ 15,000 from my dad through this partner and that was equal to the book value of his stock in the bank, because the bank never made any money; was embezzled two or three times and deteriorated to a net worth of \$ 60,000, until my dad pumped additional capital into the bank. On top of this, the most deposits totaled one million; but was about half of that when it was embezzled first; the murdered government agent got about \$ 183,000 while the embezzler manager years earlier got an identical \$ 183,000 for himself. This left only a handful of very small depositors totaling \$ 40,000 or \$ 60,000 as I can only recall slightly which it was as I have not seen the bank audit records in over 15 years. In summary, All the \$ 183,000 stolen by the government agent was predominantly my dad's with a small portion belonging to the other old retired codger and the IRS is screwed in trying to justify a reason that such a theft is for tax purposes, as they adamantly contend. On top of this the liquidator hired to close up bank affairs confiscated another \$ 100,000 in supposedly bank fees, so that my dad in owning all the bank since 1987 gets a tremendous boost in losses, besides all the others he incurred since retiring in 1979. Of course as a ONE MAN FOREIGN BANKER he has the pre-eminent position as the most powerful man on earth. This is because all the nations on earth that have been cheated by the big banks are behind him 100 % in gaining collection. If they have cheated no one THEY HAVE NOTHING TO FEAR! If they have, they have nothing to fear, BUT

FEAR ITSELF.

To Mrs. Ottelie Spenser, I must apologize for being so ignorant of contemporary events. You proudly mentioned of your niece and I tried to imply that I understood what you were talking about on the plane in about 1982. Unfortunately, at the time I never read the paper or watched television but was very busy studying Greek and Hebrew and intent on other small minor business ventures like book collecting and totally oblivious to current events. You mentioned Diana as marrying the prince and of course I assumed England had a prince though I knew not who. At least we recognized that we had a similar station in life as my dad being perhaps the richest man in a town of 3,000 and your owning a 160 acre farm in the heart of Stratford on Avon where Shakespeare worked was no pauper by any means. I mentioned that my dad was a retired fertilizer dealer and broker and I had worked in a family owned silver business. I was quite impressed with your offer to come visit you someday; but would only venture on such a long trip to another country with friends of which I have very few (I can count them on both my hands). Further I must add that I foresee a time that before the culmination of this

LAWSUIT, you will certainly find the answer as to the identity of any person or persons responsible for the death of your niece. I will at the close of this volume explain my reason why such will be so easy to do.

CHAPTER 2 - DEATH OF ROBERT MOUSSALLEM

In September 1989, my dad was half convicted of charges against him comprising bribery and conspiracy. Robert Moussallem was convicted of both and held pending sentencing. Approximately one day before September 26, 1989 he had contacted Attorney Mark Lane in Washington, D.C. and threatened to Blow the Lid off of everything and expose the whole affair, being presumably the plot to steal my dad's personal assets, bank assets and other trust related assets. However on September 26, 1989 he was fatally shot with a gunshot blast to the face, according to the media covering the story in Birmingham, Alabama. The Media soon raised a lot of suspicious questions as prompted by the Mayor as he had been informed by Moussallem of the governments plot to frame him on a phony bribery charge and remove him from office and into prison as such had reached National attention with publication of an article in Time at an earlier occasion. The bonding agent committing the act was having a lot of problems with the FBI on previous arms possessions and undoubtedly threatened him with going back to prison, perhaps even if he did not perform a certain necessary act for National Security. As A.C.P.A. with the accounting records of the governments co-conspiring

murderer, I have absolute 100 % rock solid proof that such was not an accident, but was in fact murder. Obviously Bob Hoff could not pull off such a feat by himself. He must have had government agents assisting in carrying out such a deed as well as the fraud in stealing the bank assets and help in stealing my dad's farms and the very silver business itself with the help of conceited judges as pressured by even more conceited and stupid IRS agents who not only fail to analyze the reports, statements and consolidated returns of the Refinery and Fertilizer business, but refuse to believe the statements furnished to their criminal investigator when supplied to them by a C.P.A., being myself in charge of the records. The supreme act of stupidity of the IRS agents is in failing to recognize that there were no 1977 consolidated returns as the agent in preparing the Tax Court Stipulations assumed. It was equal to my stupidity in not very carefully analyzing and investigating the cause of a significant apparent accounting error that I encountered in July 1978 after Bob Hoff took the silver inventory himself. I naturally assumed it Inconceivable, Impossible, Preposterous and even LUDICROUS that Bob Hoff would cheat his very own father-in-law in an effort to cheat the IRS of which I was familiar with his extreme zeal. What was even more stupid of myself was that when discussing this very big accounting error or discrepancy, I failed to even consider that Bob Hoff had some guilt in perhaps stealing from the silver company, as he was adamant and enquired whether I ever told my dad about this over \$ 140,000 error. At which I replied "NO" At which he sighed a very visible sigh of relief and of course I naturally figured his sigh was that he was pleased that he had such a good accountant and C.P.A. keeping records; and even prided myself by stating that I simply made an accounting adjustment and saying to myself, "THAT IS THE POWER OF AN ACCOUNTING ADJUSTMENT" -- It can fix just about anything! In fact my stupidity lasted until August 28, 1995 when in putting in more juicy details into my first rough draft of this DOUBLE FRAUD AND RACKETEERING LAWSUIT, I recalled my embarrassing accounting adjustment that I was too embarrassed to discuss with the IRS criminal investigator and I put in about the \$ 140,000 goof up that I considered a God Damn Impossibility. However with my crude accounting T accounts that was the basis of the silver company's earlier records preceding my nervous breakdown in November 1976, I had no beginning balances and had no way to ascertain their beginning amounts as no such records were kept. I naturally assumed that somehow having had a nervous breakdown, that I somehow had screwed things up so bad and when an asset was listed in crude monthly format of just adding them up, I somehow put all the asset purchases into silver purchases and just needed to make an accounting adjustment to fix it and that there wasn't any other problem. At least, if that wasn't the case, it must be that Tax Shelter businesses work in such a screwy way, unlike text

book examples. The result of such stupidity on my part is that I managed to cover Bob Hoff's ass, so that he never got caught by the IRS, instead he eventually catches someone a lot bigger than the IRS-- INTERNATIONAL BANKERS who engage in fraud and murder as a way of life.

The apparent immediate result of such a death as Moussallem's is that Attorney Donald Trawick who incorporated Omega Development Corporation as the entity that supposedly held the property as the excuse for stealing dad's FOREIGN BANK money under the illusion that an auto-mall would be developed as instigated by two FBI agents from Atlanta named Ken Cormany and Bob Hood, made a special trip to Grand Turk in an attempt to steal more bank funds. I realize that a lot of lawyers are greedy and will go to extremes in an effort to grab funds; but such an act with knowledge of his death could only be prompted by stupid U.S. Attorney's who of course are directed by International

Bankers who oversee FEDERAL RESERVE activities. The very fact that Donald Trawick was the only person listed on the original corporate documents suggests that a weak attempt was made to remove Moussallem from implication with the company or at least with implication with the predecessor organization named STARLINE INDUSTRIES which most likely was the company that was trying to entrap Mayor Richard Arrington on the bribery charges. Unfortunately for the IRS, they were stealing the funds from Moussallem in February 1989 and Omega Development Corporation was only incorporated in mid 1988 so that it is unlikely that the IRS agents demanding the seizure of Moussallem's assets relating to the real estate where the auto mall would be built would know that such property of Omega Development Corporation had any connection to Robert Moussallem unless

they were intimately familiar with the whole fraudulent plot and quite likely the fraud that Hoff was committing in helping to get my dad set up on the phony bribery charge. Most likely the annual reports would not be filed till mid 1989 which would NOT give astute investigators that Moussallem had anything to do at all with Omega Development. Obviously the name change from Starline Industries was a feeble attempt to disassociate the framing of Arrington with that of my dad.

CHAPTER 3 - DESPICABLE THEFT OF PROPERTY IN TRUSTS

Robert Hoff committed perjury and fraud in his scheme and artifice to steal our farms comprising about 500 acres worth ten years ago one half million dollars; but presently worth one million dollars. The scheme was one of extreme vengefulness as finally enacted by the presiding judge who

was instrumental in the final theft. This is because Hoff and his Attorney's had only asked for two appraisals; one for 160 acres and another for about 4 acres which included the house and all the buildings. However, with presumably guidance by the U.S. Department of Justice, there were three appraisals so that my dad and mom would be left with only the house; no garage for the cars, no orchard, no barn, no well for water, in fact, no electricity either for the light pole being only 60 feet from the house was also excluded. This was to embarrass my dad and extort another \$ 5,000 so he could buy back the remaining property. Such activity is obviously the general attitude that the present

judges take toward anyone putting property into a common law trusts, as is so evidenced in 1981 by my taking Constitutional Law in completing my M.B.A. The professor teaching the course became intensely incensed at any questions in the class about common law trusts and promptly kicked a gal out of class so that she could not take a mid-term or final big test. His only response besides demanding her to leave at once was that those common law trusts aren't any good, and they will never be any good. I suppose that is true as long as the Justice Department doesn't work with someone like Bob Hoff; if they do, they will certainly eventually be good as gold. Interestingly, this same gal was the daughter of one of the other major persons accused of bribery in the bribery sting and of course the IRS treated him disgustingly bad in first obtaining a full settlement-- charging him with bribery. Agreeing that a certain additional amount of payment was sufficient in bankruptcy COURT-- Then two-facedly doing a turn around after his Attorney and the bankruptcy judge and IRS agreed and demand another \$ 80,000. Then they seize the funds that his sons are paying him for the business. They have the audacity to steal his very nice home shortly after his wife dies in an auto accident. And they top it off by stealing a farm as well. Such is most likely the general way of doing business as is evidenced by the theft of an entire transmission business in the same town by another person also involved with trusts which was the original basis for stealing my dad's FOREIGN BANK money. Such theft is common place with the assistance of Federal judges and the demand of the IRS as Hoff stole the very lot in Sioux Falls where he built a luxurious home. He did this by merely insisting that the lot contained fill dirt; hired a few professionals in Minneapolis to insist that such was the case and stole \$ 75,000 from the little old lady who just happened to have her property in trust. Incidentally, she was the mother of the boy that Hoff's old secretary was engaged to marry. It is a nice way to get revenge when the IRS is in a persons' hip pocket and the judges under his heel to do his every bidding.

Such theft is not limited to farms and other businesses. Hoff stole the very Refinery with the help of crooked judges. He did this by

merely saying he had silver stolen from him and stopped after he had perhaps one half paid for it. He of course was guided by the IRS in such theft in their vendetta against trusts. Unwittingly the IRS agents were unaware that Hoff had stolen so much from the Refinery that there wasn't anything left to steal from the basis and that what inventory was in the company either belonged to dad, the bank or other general creditors. In fact, Hoff stole so much he stole all the income that the refinery had made since inception-- which astonishingly was not very significant attributable to my dad who had no involvement but 100 % ownership. Given in approximate numbers, during the first four years Hoff managed to steal about \$ 140,000 from the company without dad or the IRS finding out or even myself suspecting a thing. Then during the final six months before his agreeing to make payments and take over the business, he managed to steal another \$ 100,000 of silver inventory in a crooked scheme with his silent partner of exchanging good pure silver for rotten crap with iron nails sticking out the bottom. On top of that he had a sneaky way of selling someone else's silver and then paying then another amount so that in the process he bought himself a \$ 60,000 lake property for investment with about \$ 29,000 coming from my sister's inheritance from her uncle. This yielded about \$ 270,000 that was siphoned out and embezzled for himself. In comparison during the first four years the actual loss as reflected in inventories as taken by Hoff and acknowledged as official was about a \$ 15,000 loss--- Hoff seemingly took all the rest for himself and I did not figure it out until April 1997 when preparing a LAWSUIT to force the IRS to remove liens and enforce the settlement. However in accounting for the loss on the subsidiary, two account balances were slightly manipulated as the offsetting entry in the accounting adjustment as considered necessary to bring the results to actual. They were manipulated in such a fashion to get an approximate \$ 30,000 when converting from cash to accrual. However, neither the Cost or Equity method of accounting for the refinery on the parent fertilizer company was sufficient as the basis on each records were slightly different due to Hoff's wages of \$ 22,500 paid by the parent were never capitalized on the parent as well as asset contributions made by my dad personally. As such another method was utilized to report only a portion of the inventory on the parent with a plugged figure to Cost of Goods Sold on the parents trial balance in order to make it all balance out. Such a method yielded a much smaller loss, perhaps less than actually experienced.

Without looking at the consolidated statement, I would guestimate that I reported an about \$ 5,000 loss. In the following nine months I arrived at approximately \$ 35,000 gain reported to the IRS. However, I failed to follow proper accounting procedures and inadvertently overstated the receivables by about \$ 56,000 so that in reality in the same time

period the Refinery actually suffered a loss based on actual accounting records. For the final year I prepared a statement showing no gain or loss at plugging the known available inventory at \$ 12.70. Hence for reporting purposes, in sum I reported about a \$ 30,000 gain from inception. Adding to this, I deducted the \$ 30,590 loss on the subsidiary for the first four years so I also inadvertently overstated capital gains by possibly \$ 25,000. In net effect, I overstated actual results to the IRS by approximately \$ 25,000 and I am so quickly amazed that the IRS could help Hoff justify a \$ 200,000 theft of silver by my dad when only \$ 30,000 income was even reported since inception and the actual figure of income the refinery yielded was about \$ 5,000. In a closer examination of the exact time of the final bullion shipment made in presumably early April 1980 in close comparison with the actual results as reported to the IRS criminal investigator would in all likelihood show that Hoff stole about \$ 25,000 from the company besides the \$ 270,000 that he siphoned or embezzled out of the company. What really hurts the INTERNATIONAL FOREIGN BANKER is that Hoff put 0 into the company while my dad put a net of \$ 123,000 into the company not counting about \$30,000 of other assets that dad let Hoff use. All dad got out of the company in six years by letting Hoff run the company as his own was \$ 10,270.50 in gold coins while at the same time he let Hoff steal another \$ 250,000 of gold coins from his personal safe at home-- completely relying on Hoff as to the accounting in repaying such family theft with a single \$ 104,000 payment and a few other payments which left dad with about \$ 54,000 in gold coins from a 1,000 ounce gold purchase in 1979. It would appear that Hoff is the one stealing from dad. He steals the Refinery with the help of the judges and IRS which in total was estimated at \$ 223,000 including Good Will and manages to steal about \$ 270,000 in income for himself. This would make about \$ 500,000 of total theft so that the amount of the judgement of \$ 495,000 as revised by the South Dakota Supreme Court is fairly accurate. The only problem is that Hoff is the thief not my dad.

How did Hoff pull this Hoff. He deceived the IRS and Court into believing he was a 1/2 owner of the business from inception and that the calculated purchase price of \$ 223,000 was for only 1/2 of the business. In reality an oral agreement was made by Hoff with by dad that once the initial \$ 134,000 was repaid to the Corporation, that Hoff would then be a 1/2 owner. In fact he made no payments except the \$ 10,270.50 of gold coins so that the Purchase price of \$ 223,000 less the 123,000 shows that HOff was only paying \$ 100,000 for dad's 1/2 of the business, the balance went for the oral agreement. Besides about \$ 80,000 of this had been invested in worthless wire mess and buckets for a crude silver refining apparatus that infringed on another

company's patent. A careful analysis of the sales and purchases of each item sold as segregated by type shows that Hoff made approximately \$ 100,000 the final year or more correctly four months of operation on Gold scrap purchases and sales in the office which he then at the same time siphoned out of the company for himself in some crooked scheme with a silent partner that we adamantly insisted he stop doing to no avail which forced our severing ties with Hoff because of some apparent dishonesty. It is amazing that the IRS and judges would have anything to do with Hoff when even we wouldn't. It serves them right to get totally cleaned out of all assets they have for their arrogance and conceit at trying to ruin someone with a unblemished reputation in business as my dad's.

The IRS investigating the records was puzzled as to the figure I used for Cost of Goods Sold on the Silver records. I told him it was whatever it came out to be ___ (of course saying to myself after I made my necessary adjustments in transferring everything to the parent with my made up method of accounting) He of course was astonished that I was only 10 cents off in total disbursements on the parent and was puzzled that I never found the mistake. I disgustingly asked him if he ever tried to find the error. Little did he know that I spent over three hours looking for that mistake using every accounting trick I was taught at school including casting out nines. I was so mad during those three hours that I took the large electronic calculator and periodically slammed it on the desk as hard as I could. The damn thing just would give me the correct answer. I later concluded that some quirk in the calculator kept giving the wrong answer. The mistake was impossible to find! However in reconstructing the records we had everything just perfect and the 10 cent error disappeared. Of course dad's assistant attorney stole some of those sheets that recorded everything perfectly, as I caught him in the act and said "What the hell do you think you are doing" Apparently the IRS is in the habit of hiring their defendants Attorney's to steal their evidence so they think they can be clear of offensive litigation.

Of course with stealing the farms, they stole even more with unnecessary legal fees which total as much as the value of the farms themselves. Besides this others acquainted with dad also involved with trusts had their property stolen who had identical government agent conspirators involved in both their case and my dad's. One such example is Ken Winchell, a retired Air Force Colonel whose trustee was the apparent government agent who suggested to my dad that he not attend tax COURT. His name was Leonard Holder and interestingly one of DAD'S IRS agent contacts was IRS agent (not one of the Attorney's), Metz Holder. Ken Winchell in 1987 told the IRS that he was through paying them after paying about \$ 17,000 in taxes. Their response was

to steal about 200 million dollars of assets and businesses, including gold placer mining property in Colorado that he bought from the Leopold family in Chicago whose son murdered a young man for the thrill of it and received a life sentence. I would estimate that approximately 1,000 trusts were associated with dad's FOREIGN BANK and that each had businesses or farms worth one million dollars a piece so that the total theft by the IRS would easily total one billion dollars, especially by including Ken's property as stolen. The total loss our family suffered from Hoff's racketeering totaled about two million dollars; but such arrogance and conceit of Hoff's and the judges would demand a much larger penalty of perhaps 2.4 billion dollars to prevent other such occurrences. Such is the calculated damages of the LAWSUIT, excluding any GOLD OR BANK CERTIFICATES that represent assets stolen or possibly some bribe to a leader of a nation of which they simply reneged after they obtained their requested action.

CHAPTER 4 - DECEITFUL THEFT BY THE FEDERAL RESERVE AND OTHER CENTRAL BANKS

The Certificates of Obligation which have surfaced denominated in Gold with a stated perhaps 3.5 % interest rate had been reneged by either the Federal Reserve Bank or another of the 15 Central Banks more than likely identified in a SECRET TREATY composed around 1954 which was never ratified by Congress but is intimately informed by George Bush, James Baker and the Secretary of Treasury and any subsequent Presidents and Secretary of the Treasury or State and their inner Circle and an elite within the C.I.A. They are identified in three categories as those coming into the possession of Tommy L. Buckley of which a 1994 analysis showed that he obtained 26 of which 13 were stolen by the Federal Reserve and/or FBI in his attempt to negotiate collection of which many high government officials like Phil Gramm and John Sununu impeded their collection either in an attempt for personal gain or to assassinate Buckley and two associates. Buckley obtained them from Edison Demanik, the monetary official for Indonesia who obtained them and others when the various countries leaders could not obtain funds in U.S. dollars. The U.S. Department of Justice retaliated against Demanik and threw him in jail for 70 days and another 10 months waiting for trial which ended in his plea agreement in order to leave the U.S.A. and return home so that other Indonesian officials could obtain a partial collection of which there is strong evidence that large shipments of Gold were sent to Mexico and the then President and later transferred to Britain and a few other countries Central banks. President Bush obtained a partial collection of funds from a few of the Certificates stolen. Government officials were arranging a payment of LOSS CLAIMS to over 7000 farmers whose farms were

stolen throughout the 48 U.S. Continental states. Bush impeded the claims so that over 5300 remain by sneakily reorganizing the Treasury Department while president. The Second set of Certificates came into the possession of Ronn Jackson, ex CIA agent while working for the then head of the CIA who had learned that he was slowly being murdered with injections and gave Ronn the Top Secret CIA files containing the Certificates and the FBI files on the Congressman and Senators which he quickly took out of the Country. Jackson attempted to offer a Certificate for the remaining payment of the 5300 LOSS CLAIMS but was refused and the Department of Justice retaliated by finding excuses for prosecuting and imprisoning Jackson for a considerable time. According to a 1994 accounting there were 183 such Certificates but it has grown to 216 at this time. Buckley's Certificates total approximately 366 Trillion while Jackson's bring the total to approximately 1880 Trillion. The third and last Certificate was the oldest dating back to about 1870 for 1.2 Billion dollars which Russell Hermann, a retired military officer found in an old Bible and eventually informed Bush of his desire to obtain collection, especially as it was signed by the Queen of England. Bush is a third cousin to the Queen of England as has been 11 other of our presidents. Bush with some CIA agents came to Mr Hermann's home and demanded the Certificate. He refused to give it up and was shortly arrested and thrown in prison. He of course refused to divulge where he had put the Certificate and quite apparently the people in charge slowly drained the blood from Mr. Hermann until he would tell. He of course never told, and his widow knows the agony of seeing her husband in such a state, most obviously there at the demand and insistence of George H. Bush; who interestingly is identified as the CIA agent that Herbert Hoover Wrote an Internal memo to the CIA addressed to him about Kennedy which clearly implicates a George H. Bush in the plot to kill Kennedy. Mark Lane, the Attorney writing books on the subject and representing Mrs. Oswald could never find anyone named George H. Bush, except our former president as the recipient of such a note. Of course with Mr. Hermann's death it appears that the Certificate is lost forever. OR IS IT?

BUCKLEY'S CERTIFICATES

The first and almost the largest is for 75 Trillion in Gold deposited by Emperor Hirohito of Japan dated 1967 representing a renewal of earlier Certificates dating back to 1945 and Japan's surrender to the U.S. According to Edison Demanik this represents all the gold taken from Japan, including the Shinto Foundation as well as the gold stolen by Japan from China and/or other far east countries when Japan invaded during and prior to World War II. It is stamped by the Federal Reserve Bank of Dallas, Texas and signed by James Baker III, Secretary of the

Treasury and a person with the last name of Ortega. Assuming the price of gold was \$ 40 an ounce in 1967 and presuming that there are 14.53 troy ounces in a pound (as in silver), this would be 645 million 216 thousand and 750 tons of gold. The actual amount was slightly less as a portion of the 75 Trillion came from Bank deposits from previous trade with the U.S. and/or other nations. Interestingly, several books have been written from first hand knowledge that FDR knew of the attack on Pearl Harbor prior to December 7, 1971. One such book was by his own son-in-law, Curtis Dahl. Additionally, two admirals, one possibly Frank McNutt (having only heard the oral rendition) learned of the impending attack and wanted to do something about it. Instead they were thrown in the brig by FDR who placed two young marines about 18 to guard them with the threat that if they let them out, they would be hung without trial. According to Ken Winchell, these marines were scared as hell, as apparently he was present at the arrest or else he heard it first hand from the admirals. FDR even COURT MARTIALED an officer in charge of a ship at Pearl Harbor and took his ship out to sea to avoid the conflict. Obviously FDR as President was assisting some Banksters and International Gangsters in fomenting war, perhaps in retaliation for the gold stolen from them in either China, Indo-China, or in one of the French or Dutch possessions which were threatened in 1939 and later. Trade with Japan of steel and scrap iron (war materials) was prohibited by Congress on October 16, 1940 and FDR froze the Japanese assets in the U.S. on July 26, 1941, most likely because some International Bankers were complaining of losses in the orient. By November 10, Churchill informed FDR that should the U.S. declare war on Japan, England would follow within an hour. Interestingly, the British warship "PRINCE OF WALES" was en-route to Singapore by December 5, 1941. Obviously, Churchill was informed of the impending attack and war as has been commented in conservative newspapers. During World War II, the Japanese fatalities according to General Marshall amounted to 1,219,000 with another 360,000 air raid fatalities, although Japan claims half as many. The American fatalities amounted to 396,637 dead and missing and another 131,028 U.S. and Filipino fatalities while China claimed a whopping 3.5 million and Great Britain 357,116 making a total of 5,963,781 or about 6 million with of course some of the U.S. and Britains dying in Germany and France. At that rate the profit potential of the Japanese conflict during World War II is that it added 107.53 pounds for every fatality to the coffers of the Banksters and International Gangsters. The only cost of the war for the U.S. was 1.154 trillion dollars with another 230.9 billion in property destroyed. Why a dead man is almost worth his weight in gold. Furthermore, Colonel Ken Winchell was stationed in the Orient at the time of the end of World War II and states that Mc Arthur was mad as hell when he learned what went on and had plans of arresting Truman for

Treason as soon as he arrived in the U.S.. Truman however learned of Mc Arthur's plans and personally flew half way around the world to strip the general of his rank._

CHAPTER 5 - DASTARDLY DECEIT BY HOFF IN STEALING FROM CUSTOMERS AND SUPPLIERS

A Private Investigator was hired by my dad to investigate Hoff and his activities. It was learned that by 1982, Hoff was behind in silver shipments by 180,000 ounces and laughed about it, as it was common knowledge in the office. Presumably this totaled 3 million dollars. Interestingly, Hoff's silent partner and mentor was indicted by the State of Florida and accused of stealing \$ 3,000,000 from silver customers; such charges were dropped. In addition the private investigator's report revealed that one individual was incensed at being cheated and came into the office with a loaded drawn gun. Hoff responded by pointing a gun at him. He backed out of the office but was never heard of again. A review of the legal file against Hoff at the Courthouse in Sioux Falls revealed several complaints from silver suppliers selling raw silver bearing material. Hoff of course was unusually successful in litigation with his father-in-law being a very prominent lawyer and later a stockholder in the silver company as revealed in State Corporate records. In keeping the records of consignment lots of canisters(with steel wool in them) being processed, Hoff wished to have the final say in the amount to pay the customers which would be natural. He however would pay a lesser amount if the silver market temporarily dropped. Such was really not a big amount as overall the old used X-Ray film produced half the silver, the flake that was electrolytically processed comprised the bulk of the rest with a smaller percentage from these canisters and a very very small amount coming from the fixer solution; which interestingly the last item comprised the bulk of purchases during the early years of Hoff starting the silver business as that was his job in Greenville while working for Berry in 1973 from which Hoff braggingly states that Tri State was started in 1973 when in fact it was the summer of 1974 after returning to Iowa for the birth of his first son. Obviously he helped in the Fertilizer business in the busy spring and couldn't possibly start any Silver company activities till mid 1974.

CHAPTER 6 - DYNAMIC INPUT INTO THE REFINERY BY THE FERTILIZER CORPORATION

Hoff put 0 into the Refining business except his effort for which he received wages, initially from the Corporation and later from the

Refinery. Hoff also received rent for home and later house payments furnished from the Refinery after he moved to Sioux Falls in approximately May 1979. In fact, Hoff suggested I date a certain gal after I turned down the thought of dating the secretary. Such a date consisted in a ride in my red 1963 Corvette to Sioux Falls to visit my sister. The date culminated in her saying "Boy, it must be nice to be rich" looking back at the house previously owned by an M.D. I explained to the date that the Refinery still wasn't making much money. It was still just barely breaking even. It wasn't the silver business that provided such a house; it was the fertilizer business and I explained that everyday I go through a stack of invoices a foot or two high and that some of the sales are \$ 10,000 or \$ 15,000 as that represents the sale of a railroad car of fertilizer and dad sells a lot of railroad cars of fertilizer every year because he buys it by the bargeful that contains 30 railroad cars and has it loaded and shipped to all his fertilizer dealer friends. My dad provided all the capital and financing and any claim that Hoff did is pure fictitious and a fabrication as he had no credit to borrow funds from a bank without my dad's signature, or at least his dad's signature being one of 200 Vice Presidents of IBM. Eventually, in 1982 when the business perhaps collapsed, Hoff most apparently was bailed out by his parents infusion of capital to put him back in business again. It was estimated by the state of South Dakota that he was worth 12 million dollars in 1989 when the EPA and state complained of hazardous waste pollution and attempted prosecution. Judging from Hoff's record of theft and stealing with his silent partner, it would appear that most of his present luxurious assets and wealth is directly attributable to robbing it from someone else first. Dad's investment through the Corporation was initially according to my memory about \$ 29,000 (mom kept the records) in silver bearing products for the first two years as paid directly out of the Corporation. Some purchases were made personally by my parents for a time and a small smelter was purchased initially and in 1977 a large smelter nicknamed Big Bertha was purchased used for \$ 800 and refurbished and later three medium sized homemade smelters were constructed. All the contribution totaled slightly over \$ 134,000 with a brief reduction to \$ 133,000 with Hoff's refusal to accept a minor piece of equipment purchased by the Fertilizer corporation. This was reduced to \$ 123,000 when a partial payment of a \$ 25,000 gold purchase was returned to the fertilizer corporation as dad wanted to give his wholesale manager a bonus of almost \$ 15,000 of gold coins which left \$ 10,270.50 for the fertilizer company. The confusion the IRS encountered was how to justify an only \$ 60,000 basis in the refinery at the time. The Refinery had the minting press, crude refining equipment, a few vehicles with practically no silver not pegged for creditors and the reason for the lack of income is simply both the market dropped and the cash records needed to be converted to

accrual for consistency with prior periods and instantly knocked off a \$ 100,000 in sales and income as well. Besides deducting the \$ 30,590.00 was a bit of a mistake in the first place and arose merely because an offsetting entry had to be made between the capitalized amounts and the amount of the apparent discrepancy. The result to partially plug the difference into two accounts and juggle the amounts in such a fashion to get an amount that I considered the IRS would tolerate as a very careful examination by the wholesale manager revealed that the previous accountant apparently had understated the inventory by \$ 30,000. It took 8 tries of splitting the difference and putting it into the two offsetting accounts and it gave some real strange wild answers with just minor changes. But Alas, with the help of MBA least squares math magic, I found the magic combination that gave an almost exact \$ 30,000 loss. Of course I haven't looked at the records in perhaps two years but I can still tell you the amount of the loss.

In addition, the Fertilizer Company put in additional assets such as a new storage building and propane tank, which were not included in the proposed transfer of property. But Hoff did obtain a \$ 9,900 1979 black Olds diesel 98 luxury car. In the final analysis Hoff obtained a company valued at \$ 223,000 for \$ 213,000 which also included \$ 80,000 of worthless refining filter parts making a \$ 133,000 actual price he was paying for the company. In the words of dad's lawyer hired to try to defend the LAWSUIT--

"HE GOT A CHERRY DEAL". And he has the audacity to sue us because of the arrogance of stupid IRS agents and judges. He got to use a \$ 150,000 dollar business for six years and reap all the profits; then pay for it at the original investment amount with six months before the first payment and a generous supply of interest free silver inventory provided as a bonus until he made his first payment. Who else will give a guy such a good deal? No one in his right mind to someone like Hoff. In contrast I got the same exact deal in February 1984 of a \$ 150,000 video business. I repaid \$ 12,000 to dad during the second year of business. I took only \$ 75 dollars a week for two years working 100 hours a week. I bought between 6,600 and 8,000 a month in video tapes for two years straight. I started a business main store location with four employees; lowered my purchases to between 2,500 and \$ 3,000 a month took exactly \$ 1,000 a month in wages for one year and three months and socked it all into buying and fixing up the oldest wood frame church in Sioux Falls which I lost to foreclosure as the crook I went to work for wouldn't pay more than two or three church payments and provided \$ 75 a week and a small apartment; only to let the guy steal \$ 110,000 of; the Video equipment, leaving me with practically no machines that work and as he had half of the best tapes and myself having no capital couldn't not get back into business.

And to top it off the IRS has the audacity to intimidate a County Attorney to prevent the just return of assets. In four years of business, I built it up to a Fair Market value of \$ 480,000 while Hoff must have run it into the ground and kept the cream for himself; but less than half as well as I did.

CHAPTER 7 - DISMAL LACK OF ASSETS CONTRIBUTED BY HOFF

My sister prepared a notarized affidavit that her husband did not contribute financially to building up the silver business but was furnished by the Fertilizer Company. The only asset Hoff could have supplied initially was an approximate \$ 30,000 for the sale of a small acreage in West Virginia where the shack dwelling had burned down and implied that my dad might have had something to do with its arson saying "I WOULDN'T PUT IT PAST HIM". Hoff did admit that he had assets that even my dad didn't know about, when he fired this CPA, and such assets could only have their source in a secret deal with his silent partner as I vividly recall questioning the refining foreman of certain specific numerous non-specified separate amounts that he didn't place into the smelter and he explained that they were consignment lots to Berry (the silent partner)

It becomes quite apparent now that such amounts were purchased with a non-cash asset (possibly drugs) and were then transferred to Georgia for alleged processing which we had adequate facilities to process about any product, except low grade crap with iron nails in that Hoff claimed was silver but which the man in charge of the cells could not get any silver out of it at all; to which it was shipped off on March 18, 1980. But such shipping of product to Berry could very likely have been done so to enable a siphoning or embezzling scheme to work (BUT HOW TO THIS DAY I STILL DON'T KNOW FOR SURE) I vividly recall not being confronted with any unidentified checks for purchases as I carefully matched every item in a duplicate set of records of quantity with price of raw products and eventually matched pure silver sale quantity with dollar amount during March and April 1980 in order to more assuredly be able to account for the disposition of every ounce for the invoices. The exasperating thing that confronted me was that Hoff absolutely refused to let me see Berry's account or any accounts in his personal accounts receivable file. Instead, in calculating silver advanced in early 1980, he said 4,697.58 saying "Is that close enough for you" Such an amount I haven't reviewed for a year and a half, yet I remember it 17 1/2 years later quite well. Hoff bragged of profits that the silver company was generating; if it did have them, I sure never saw any of them, with the exception of at least the minting press which was purchased with silver valued at \$ 75,000 but dwindled to \$ 25,000 with

the drop in silver price. Hoff in about March 1979 sold about \$ 45,000 silver for the Great Lakes Recreation Company; such a favor was to make the IRS to have to dig deeper to trace income. One year later, Hoff had a similar deal and somehow purchased some Lake Property. Such a purchase might have given Hoff a little credit but only after the market collapsed and not in the time of his alleged great gains when the price of silver was high. In truth, the silver was being stockpiled till Mid February 1980 when the man in charge of the cells figured out the 999 process by reversing the electrodes. The book at the library was incorrect in a cell construction.

Initially some smaller bars were made but were merely traded for more product with a few being sold to customers. Then coins were made and taken to the office and sold. Hoff stupidly tries to say that billets could not be made until April 1980. If such is true, then there could be no medallion sales and consequently very few sales of any silver during the first three months of 1980, excepting the final bullion shipment to get needed cash when the market hit close to rock bottom. He wanted to sell some because it was low and he could get a "GOOD BUY".

CHAPTER 8 - DISDAINFUL THEFT OF PROPERTY AND LIBERTY BY HOFF AND OTHERS

In repetition, the assets stolen include the bulk of 1,000 ounces of gold that my dad bought expecting to hang on to it. He was never informed of any intending sale and didn't know that Hoff would go into one of the three closets and dig it out of the safe without asking. Hoff stole the Olds 98 as we have a lien on it and he cannot sell it without a title. If he did, he has committed an additional act of conversion of property. He stole the refinery with the help of crooked judges, farms, from his customers and presumably maybe a little from his suppliers (especially if he got in financial difficulty) He indirectly with the help of the IRS stole the bulk of the Video assets with an original investment identical amount as the Refinery. The County Attorney was ready and willing to pursue the thieves with a writ; especially since the state of Nebraska wanted them out of the XXX movie business. Instead, a week later, we return and are repulsed with most definitely that certain IRS agents refused to allow the return of such assets. The government with Hoff's help contrived a fraud scheme to steal the foreign bank money, which was involved with entrapping black mayor Richard Arrington. Interestingly, that Sunday morning in September 1989 during dad's bribery trial, I first attended the Episcopal Church and looking for a second service, I finally stopped at a black Baptist Church in time for Sunday School and coffee and conversation. I learned to my amazement that this very

church sold the property to the government agent and they didn't get the money and were suing to get it back, most assumable the government intervened and claimed the land as involved with bribery. Look at the arrogance of these U.S. Attorneys.

I caught our very own assistant lawyer stealing selected accounting sheets of the disbursements of the final year of the fertilizer business, which the IRS acknowledged as 100 % perfect in total amount. He was the same lawyer who introduced dad's foreign bank with some non-material foreign trusts that were never activated. Attorney Mark Lane was mad and almost wanted to kill him as he showed to the jury that dad was basically a farmer and a farm business-- admittedly fairly successful. Such introduction might imply that dad was a high roller making a lot of money. The judge's response on hearing of the bank was an implied knowledge of its existence. He anxiously wanted to hear more of the foreign bank and how it exactly worked and said so. He obviously was informed that their government agent embezzled it. How else could such a non-working bank come to his attention as it had been out of business for 6 1/2 years. The judge presiding at the theft of the Iowa farm was despicably on the phone for 45 minutes with according to his secretary an important phone call with the Department of Justice that we had to wait for that long for the egotist to attend his scheduled hearing. The result was that mom got up to discuss all FRAUD- FRAUD - FRAUD by Hoff and the IRS. At which he was incensed and thrice threatened to call the Sheriff and drag her off to jail if she continued with her contempt of Court. Dad was prevented from going to Grand Turk to conclude bank business resulting in \$ 100,000 of unnecessary alleged accounting fees.

CHAPTER 9 - DAMN PROOF THAT THEFT AND MURDER ARE INTEGRAL PART OF TOP LEVEL GOVERNMENT OFFICIALS CULPABILITY IN MURDER AND THEFT OF PROPERTY.

It is obvious that Hoff is stealing from dad with apparently a murder to cover it up on a comparatively small scale. The written evidence and personal testimony of witnesses suggest emphatically that such happens on a major scale as in the case of Japan and World War II. The very fact that so many Certificates come into the possession of two or three people suggest that they are genuine and theft goes on in a major scale and the fact that various leaders are assassinated strongly suggests such as such funds being in a persons name, though the leader of the nation, imply that at the death they revert to the bank. (Of this I am not certain, but why not just it in the Nations name if you want to be 100 % honest.) In the end, the various nations may eventually be more vocal and

demonstrate their dissatisfaction in various ways. Such a demonstration will be clear proof it is true.

CHAPTER 10 - DIRE NEED OF LITIGATION

First, this case needs to come to trial for Money Reform. The Federal Reserve has gotten out of control with their greed and criminal activity. People are being robbed in many various ways. Next we need political reform that only such a LAWSUIT can implement. Third, we need judicial reform to remove judicial immunity so a judge can not commit fraud and racketeering under the false illusion that it is for the IRS and the Government. Also, we need social reform and no planned extermination of a couple billion people as a leading contributor to the UN insisted. I assume he wants to remove political undesirables who do not want the NEW WORLD ORDER and domination by the UN, which apparently is eager for war and filling the banksters coffers with gold. Lastly, we need prison reform to eliminate unjust imprisonment, which is predominant in our present society. Perpetrators should be made to repay, not live as animals costing the State \$ 19,000 per person as in Illinois

CHAPTER 11 - DUPLICITY OF CERTAIN GOVERNMENT FORCES IN DEALING IN DRUGS AND LAUNDRING MONEY WHILE PROSECUTING, IMPRISONING AND SEIZING THEIR ASSETS AS AN EXCUSE FOR FURTHER THEFT FROM AMERICANS.

Bill Clinton is deeply involved in drug dealing with shipments of drugs to an Airport in Arkansas. He receives no threat of prosecution because he is an insider like royalty with connection to the INTERNATIONAL COMMUNITY or banksters and International Gangsters. Bush is in the same Class and related to royalty. Noriega was involved in drug running and amassed sums from that and political payoffs by Bush, but his bank funds were seized by the Feds for no more reason than that Bush wanted another representative in Panama doing the drug running. Rumors have arisen that even Governors of other states are involved with drugs and money laundering and perhaps even addicted to drugs

CHAPTER 12 - DOUBLE DEALINGS OF TOP LEVEL GOVERNMENT AGENTS IN CREATING AND EXTENDING CREDIT SUCH AS THE FHA AND FORECLOSING DUE TO CONTRACTED CREDIT AND LOWER PRICES AFFECTED BY CONSPIRACY WITH THE FEDERAL RESERVE IN REGULATING THE MONEY SUPPLY OR CORNERING VARIOUS MARKETS OR MANIPULATING SPECIFIC STOCK PRICES.

One such example is an elderly person who was unable to pay.

They foreclosed and he had attempted to pay an extortionate tax demand with a credit instrument of questionable origin, only to be imprisoned for six months who has provided the breakdown that Federal prisoners are 80 % drug related and 20 % political prisoners. Even his friend imprisoned on an identical charge confirmed the analysis and he is one of the trustees for the video business with the other being a person imprisoned for sending a judge a form letter saying I am keeping a file on you for TREASON. Such trustees were not selected for their business acumen; but perhaps between the two of them they are better than I-- and would not wantonly steal from me and drive me out of business.

The other method of dirty dealing is to pay a leader of a nation a bribe for doing something politically corrupt as in the case of Noriega and Castro with even absconding with 2.5 Trillion dollars of Gold deposited by some Chinese leader who had deposited them in Cuba. There is no end to the amount of theft that Internationalist will commit who are above the law-- how does anyone dare prosecute him- or a king for that matter-- even a President.

CHAPTER 13 - DUAL PARTNERSHIP OF THE CROWN WITH INTERNATIONAL JEWISH BANKERS AND OWNERSHIP OF THE FEDERAL RESERVE AND THE OTHER CENTRAL BANKS IN HOLDING CONTROL OF BOTH GREAT BRITAIN AND THE UNITED STATES.

In starting to prepare an MBA thesis of the need for abolishing the Federal Reserve, I came across a book discussing early banking and the Rothschilds where cleverly a brother in each of Britain, France and Germany made large loans to their kings or princes and managed to get the ruling royalty to be indebted to them and do their wishes. Of course after 22 years I hardly remember their names; but such is the method that those who wish to control money and men operate-- They in effect want everyone a slave to them to some extent and want to insure their eventual repayment with interest by investing Title to Land in the Queen with the person having possession for 99 years. In America, there was an attempt to invest Title in hard working homesteaders, but the present legal system as controlled by the same forces in England have altered the intent in order to enable credit parasites like certain bankers to seize the property or even a little fraud and racketeer like Hoff with the judges patting themselves on the back with pride in their position and power.

Today we have approximately 12 Jewish families owning the banks with the Rothschilds owning 25% of the most influential-- THE FEDERAL RESERVE. It has been acknowledged that 12 U.S. Presidents have been related to the Queen of England; Why even today we have a

remarkable closeness of Jewish figures as the Queen and Kissinger were seen in the presence with the Queen at Diana's funeral. Of course the projected New World Order as described by Bush is nothing more than Jewish domination of the world through International major control of money and credit.

CHAPTER 14 - DIRTY RUMORS AND THEIR VERACITY

A. The ADL and/or the Mossad were implicated in their sale of stolen military guns to David Koresh at Waco. Most obviously the flaming fiasco was generated by Janet Reno's desire to destroy those guns and incriminating serial numbers before some non-FBI dupe police officers find such weapons for introduction into COURT. Obviously Clinton is a prime conspirator against Waco as he most certainly gives her all her orders as he gets them from his masters the INTERNATIONAL COMMUNITY or Jewish Bankers.

B. The Oklahoma Bombing was definitely caused by more than one bomb and of technical sophistication that only some top level Government agent could construct such a bomb. Why an entire Ammonium Nitrate plant in Sioux City, Iowa blew up only a few years ago or so and there were survivors with only a few fatalities. Yet the prosecutors deceive the public in their effort to place more political prisoners in jail. In such zeal, they could quite probably plant evidence to incriminate individuals in order to get a conviction and more legislation to insure their power and control over society, money and credit.

C. The Trade Center Bombing is another typical example. What good does blowing up a part of a building really accomplish in the long run? Sure it attracts attention; but it really doesn't change anything except that more laws get passed and more power is given to the Government.

D. A rumor was heard by my dad in Colorado at a convention that Diana was murdered. The explanation was that Diana was 4 months pregnant as told to this friend in the House of Stuart (sp) and the Queen didn't want a Muslim half brother to the king. Personally, I don't see such a hatred in the Queen, unless perhaps maybe she really is Jewish. However, such a desire is clearly Possible in an extremely rich Jew like a Rothschild. Either time will tell the answer or else my dad can offer a ONE TRILLION-dollar reward of gold to anyone informing the identity of the killer(s) of Dodi and Diana. Such could be done for O.J. Simpson and Louise Woodward to see if there are any greedy people or even maybe absolutely no one who will claim it for Louise's help. Maybe then prosecutors can start to think

instead of jumping to conclusions. Why we could even double it to TWO TRILLION for the arrest, conviction and execution.

E. A rumor was heard just the other day that orders have been given by high up government officials that in the event of an uprising, that the guards have orders to kill all prisoners as they are the undesirables.

F. Another rumor was heard just the other week that a Flood of Federal Reserve Notes are floating around the world. In fact some investors were curious and bought up a bunch and lo and behold they had just as much as the FEDERAL RESERVE claimed was the total M1 supply. And what do you know, it looked like there was maybe four times as much still floating around.

G. A rumor, which is generally accepted, is that very few investors really invest in Gold, which it appears is true to the general public; they are instead in the stock and bond or commodity markets eager to seek an extra buck. Well when the little banks deal in handing out paper currency the

Big Central Banks keep the gold in the vaults and trade it amongst themselves. The IMF even bragged years ago in the 80's that they had assets of 2400 Trillion dollars of total assets. Well considering the price of say \$ 350, that is still a lot of millions of tons of gold. Someone is obviously keeping the metal for him or herself and giving only paper; and they determine how much at their discretion; or even whether they will give any at all- they might just sic the IRS on them and clean them out.

CHAPTER 15 - DELIGHTFUL SOLUTION

A. Turn the Tables on them. For instance, instead of letting the IRS do all the stealing and the FBI killing any complainers, I propose that we let the FBI do our stealing and let the IRS complain.

B. Recognize the Problem! We need Honesty in a money supply that can only be tied to a specific quantity of metal as defined in the monetary unit of the country. We need to eliminate cheaters of all sorts; but especially those who manipulate markets through the use of issued credit instruments that have no honest backing in metal; this includes over-excessive issuance of currency.

C. Peg the Dollar at a fixed quantity of metal as in the past and prosecute any possible deviation caused by government agents as criminal offenses, quite possibly treason for creating credit instruments with no backing in the Treasury. Likewise fractional reserve banking

should be eliminated and get rid of these credit parasites who take in large quantities through usurious interest and then turn around and prosecute any agent that complains he is not getting enough commission (in fact, he quite possibly received none) and attempts to retaliate with just cause, only to be prosecuted and imprisoned for attempting to accuse an owner of a very large financial institution or insurance company of being dishonest.

D. Prohibit a monopolized Central Bank holding metal ownership and Decentralize based on race, color, creed or ethnic origin.

CHAPTER 16 - DESIRED CONCLUSION

The desired conclusion is that this LAWSUIT is litigated and that the outcome will be that the Central Banks will have to hand over the Gold metal to the U.S. Treasury; which in turn would be further decentralized to prevent invaders from absconding with all the precious metal of a country. People could revert to having more metal in their own possession for added safety from a possible corrupt government out to steal from the citizens. As a CPA I see that we have sufficient Accounting statements, summaries and schedules in order to win the LAWSUIT. There is of course the possibility that the evidence will be stolen by the enemy so that the case will be lost. There are other instances that could prevent the collection of the 1800 Trillion dollars.

To digress one moment, I must tell you of an incident that happened to me one summer when I was 19 at perhaps about 1:00 a.m. I had just returned from Church in Sioux City that was primarily Non-denominational or Baptist and was kneeling at my bed and reading the 7th Chapter of Daniel. I of course was so impressed at the majesty of the Son of Man coming up to the Ancient of Days and immediately recognized the appellation as referring Jesus. Further, I was extremely thankful for having someone like Jesus with so much power to protect us that I started crying in gratefulness and quite soon drenched the bed with my tears. When the last tear came out of me, I popped out of my body and hovered at a corner of the ceiling in the basement bedroom. I looked down at my body collapsed on the bed and was amazed at the intense quiet. "You could hear a pin drop" After about almost a minute of such pondering, I felt summoned as it was time and I, that is my soul whipped around the room and went up through the ceiling and entered into a series of infinite tunnels where I instantly accelerated to the speed of light and beyond. In fact by merely stretching my soul to ten times by length I could achieve unbelievably tremendous speed so that I traveled through about 7 tunnels for almost 10 seconds to seemingly Jesus and the center of the Universe. Of course in passing from tunnel to tunnel there is a distinct shift of

direction, perhaps 15 degrees, which is uncanny. However in almost reaching the center of the Universe, a white flash of light came barreling down at me and stopped me like a rat in a trap and scratched on my mind "It's not your time" after a short moment to allow me to grasp the meaning, I was pushed with incredible force so that within a single second I was entirely back down the 10 second tunnel and back in my body with three wrinkles down my spine. I of course immediately arose from the bed- the other bed in the room from by back instead of face down where I had collapsed. My first reaction was one of extreme gratefulness at being back on earth and crouched in thankfulness, remembering the very sinking feeling as I accelerated to the speed of light that I knew I would never see any loved one again being my parents and sisters. However by the time I passed the doorway, I had an extreme exhilaration saying "I'd like to do that again" "Do you know that with help like that, I am sure I can conquer death" Of course when I got to the top of the steps mom met me at the doorway and said " What happened to you? YOU ARE WHITE AS A GHOST" Well, I had to lie and say "Oh nothing" because SHE OR ANYONE ELSE WOULD NEVER BELIEVE IT. I did however tell my best friend at college and he believed me for he said he saw a change in me.

I would like to add that the last obstacle in collecting an 1800 Trillion-dollar judgment is that it just might be possible that the chief witness is about to get up and introduce all the evidence and someone gets up and blows his head off. Normally, that would tend to be a bit of a problem in collecting that 1800 Trillion-dollar judgment. I, however don't expect I'll have that PROBLEM.

Chapter 17 - Darn Good Advice: For A Time, The Stock Market should be a good place to invest sums of cash, particularly the Technology stocks like MICROSOFT AND INTEL. However, the bull run could turn into a bear market or possibly even a bare market, assuming it may be hard to find any stock to buy with the market going up or down for that matter. In the end the only good investment will be Gold, Silver and Gems etc. because the FEDERAL RESERVE BANKERS stupidly, secretly issued about four times more currency worldwide than they say is in existence. This means that in a RICO LAWSUIT of this magnitude, they will get liquidated and all the GOLD BULLION in their vaults will have to be divvied up to pay a portion of the creditors of the FEDERAL RESERVE BANK SYSTEM that has BEEN caught being a SUPER-CHEAT!

CHAPTER 18 - Common Carrot ANALOGY in a modern day 'true' FAIRY 'tail' AS PER PRESENT CPA FOREIGN BANK LIQUIDATOR
'Comparing carrots with silver and carrot patch with silver refinery'

Once Upon A Time There Was A DUMB BUNNY name BOB; who was put in charge of a carrot patch FOR MR EVIL OGRE, FOREIGN BANKER, head of one thousand millionaires putting property in 'trust'; the DUMB BUNNY stole the carrot patch from the EVIL OGRE using the CAR 'raunchy' ROT 'court' with apparent false charges of CARROT 'thievery' BY THE EVIL OGRE, stealing also the corn patches, soybean patches AND hay patches of MR. EVIL OGRE. At some point in time MR DAVE, DUMB AND DUMBER 'billionaire' RABBIT loans lots and lots of CAR 'raunchy' ROTS to DUMB BUNNY-BOB supposedly after learning of a new carrot patch purchase by DUMB BUNNY-BOB, possibly after DAVE, DUMB AND DUMBER has his son DAVE DUMB-BEST persuade CONNIE 'hair' less as well as 'wit' LESS to inquire as to both the amount of CARROTS 'on hand' WHEN DUMB BUNNY-BOB 'took over' AS WELL AS THE NUMBER OF CARETS 'on deposit' IN THE FOREIGN BANK; with of course the result that after a certain CARROT POUNCHING ACCOUNTANT told CONNIE 'wit' LESS THE AMOUNTS; they apparently were relayed to 'guvner' BILL "JACK"- 'low' -"ASS", in charge of the 'fart' -"ASS" BUREACRATIC IDIOTS to set up a professional 'cheat' ON THE FOREIGN BANK as well as MR. EVIL OGRE. In comes new 'guvner' GEORGE "JACK"- 'mid' -"ASS" whose 'legal' "EAGLE" partner sets up the professional 'cheat' ON MR. EVIL OGRE in the CAR 'raunchy' ROT 'court' with lots of help from various "Unicorn" STATES 'legal' EAGLES. HOWEVER DAVE, DUMB AND DUMBER 'not only in loaning the above' also collaborates or 'masterbaits' with ALAN "GREASE-MONKEY" in charge of the CAR 'raunchy' ROT 'markets' to lower the price of CARROTS as to allow DAVE, DUMB AND DUMBER to seize 'ninety percent of the carrots and carrot patches' from DUMB BUNNY-BOB; not knowing that DUMB BUNNY-BOB had stolen every carrot from the first original "UNPAID" carrot patch FROM MR EVIL OGRE as well as stealing more CARROTS AND CARETS from MR EVIL OGRE. DAVE, DUMB AND DUMBER Rabbit is also 'braggedly' The STATES LARGES CAR 'in the lot' ROT 'dealer' AND THIS CPA AS Carrot Pouncing Accountant CAN NOT TELL the difference between CARROTS, CARETS and CAR 'raunchy' ROTS Or CAR 'in the lot' ROTS and sets up 'legal' "EAGLE" fashion of stealing all the CARROTS OF ALL SORTS, including the 22 CARET BARS in the various 'central depositors' INCLUDING MR ALAN "GREASE-MONKEY"'S who does not really help any CAR 'raunchy' ROT 'markets' OR ANYTHING ELSE but see various MR. EVIL OGRE'S and try to set up stealing as many CARETS as possible so as to keep a 'monopolistic' supply of CARETS on hand, EVEN IF IT MEANS ADDING A COUPLE THOUSAND 22 CARET "NUGGETS" to his vast storehouse, TAKING THE BIG CHANCE OF LOSING ABSOLUTELY EVERY 22 CARET BAR AS PROMISED BY THE CARROT POUNCHING ACCOUNTANT to everyone run over by the 'raunchy' SYSTEM in AMERICA, BRITAIN, HOLLAND, GERMANY, FRANCE, ITALY, RUSSIA AND LOTS MORE BESIDES so that all 'central depositories' ARE 'liquidated' "OUT OF BUSINESS". Of course

MR THOMAS "JACK"-'high'-'ASS" refuses to give MR EVIL OGRE any of his CARETS back as stolen from the FOREIGN BANK thinking he will rely on the 'irs' CAR 'raunchy' ROT 'thieves' TO PROTECT HIM in his stealing and false "PRONOUNCEMENTS" such as a certain COMPUTER SOFTWARE 'magnate' BILL GOATS company as being a 'monopoly' so that ONE OR MORE various STATES 'legal' "EAGLES" get MR BILL GOATS GOAT so that he buys for his daughter JENNIFER lots of video CAR 'toon' ROT from the CARROT POUNCHING ACCOUNTANT whoM hE sics on all the various other animals from 'fart' "ASSES" to "JACK ASSES" to RABBITS to BUNNIES as MR GOATS sees that some 'animal' murdered MR GEORGE "JACK"-'mid'-'ASS" by tampering with the 'airplane' OR CAR 'turbine' ROT so as to kill "SEVEN" important RABBITS AND ONE "JACKASS"; with not surprisingly the CARROT POUNCHING ACCOUNTANT kicking in 'legal' "EAGLE" FASHION JUST OCEANS AND OCEANS OF CARETS TO THE 'alleged' MONOPOLISTIC GIANT "GOAT" 'allegedly' violating ANTI-TRUST 'legal' "EAGLE" rules, when obviously the various 'legal' "EAGLES" are stepping on, stealing and robbing from MR. EVIL OGRE, and most likely all the other little "OGRE" trust 'outfits' WHO IN TURN CATCH ALL THE RACKETEERING "RAT BASTARDS", including the official 'government variety, flavor and description' INVOLVED IN POLITICS for 'private gain and profit'.

INTRODUCTORY FORMS AND ANSWERING SPECIFIC QUESTIONS WITHIN
APPENDIX F 'for a much better chance at becoming a genuine
bonafide' MINOR PLAINTIFF IN THE DOUBLE RICO LAWSUIT

The Official CPA Prepared Forms for Special Introductory Minor
Plaintiff Status Comprise Eight Or possibly A Ninth Form as hand-
written in original Multi-three-colored Ink as required by CPA
Liquidators: The Forms mostly involve checking with an 'x' a lot of
questionnaire forms to describe your situation and the abuses as
applying to you or your company. The Forms are as Follows: Form
6(SIX) is the "MOUSE" TRAP form and ordinarily is used by CPA
Liquidator to identify the parties as RECEPTEES AND THE AMOUNT OF
PROMISED FUNDS, but in your case involves selecting THE TYPE OF
INDUSTRY as in column 2(TWO) ranging from A) GROCERY/TRADE
GOODS TO B) BUILDING SUPPLIES/FURNISHINGS TO C) COMPUTER
INDUSTRY along with MANUFACTURING, PRODUCTION AND
ACCOUNTING INDUSTRIES AND D) ALL OTHER INDUSTRIES. Then
directly below (surrounded by a lot of dirty round cpa unique marks
you would probably select MINOR and ADDITIONAL with possibly JOINT
if you are filing as more than one individual. To the Right immediately
You select the Category of General Abuse ranging from A) Sexual
Abuse To B) most frequent and predominant Bad Economy TO C) Class
Discrimination (as in Civil Rights Abuses Re: Form 9(NINE) FOR
SPECIFICS TO D) Dispute with Boss To E) Excessive Age TO F) Failed
Test Or Failed to Rehire To G) Goody-Goody Edged Me Out To H) Whore

in Office To I) Don't Know To J) Just Ornerly with permission to select more than one at a time.

Form 8(EIGHT) IS "CROW" OR "I HATE EIGHT" AND IS PRIMARILY FOR JOB RELATED ABUSES; In the upper left corner select the Appropriate INDUSTRY as before Then Reselect the Category of Abuse in the lower left Corner as Before with The Line in Stipulation Letter "C" as describing the general abuse such as "ECONOMIC" ETC. Form 9(NINE) OR "CRAVE" is for Civil Rights Abuses as mentioned earlier and has an extended list of Abuses for you to select the more descriptive list of abuses and again has a selection for MINOR AND ADDITIONAL PLAINTIFF Status as before most likely necessary to check. FORM 16(SIXTEEN) OR "TRAVE" FOR Travel and Tax Related Abuses to describe in more detail by selecting the appropriate box beside the descriptive abuse. At the Bottom Right is the appropriate boxes for INDUSTRY Category, MINOR AND ADDITIONAL Plaintiff Status along with a Relisting of Civil Abuses from Form 9(NINE) ABOVE; WITH TAX RELATED ABUSES In the lower left corner making this Form Sixteen twice as incriminating as form Eight OR "eight times two equals double trouble" FORM 38(THIRTY EIGHT) OR "BOAR" Is multi-purpose but basically identifies the Injured Party/Parties/ Representative Head, Plaintiff Presentation Or Payout Status (MOSTLY CAVIAR) AS THINGS ARE BEING SET UP BY CPA FOREIGN BANK LIQUIDATOR/ THE DISPENSING AGENT Sub-Part C) AND A LARGE SECTION IN THE SIDE-CENTER FOR More fully identifying the Injured party or Parties as to Sex, Race, Religion and Country of Origin. CPA Liquidator Forgot to Include Age Which Could or Should Be inserted Below Section A) for Representative Head Under Nationality ABOVE WHICH SHOULD HAVE THE LETTER followed by Number of Nationality as determined by the Appropriate Row Letter and Column Number as inverted on side In Dead Center Immediately below Foreign bank Address. The Damages To You Are From A) Through S) Plus W) and are repeated on Form (1/2) or OFFICIAL "Get Rid Of" "PESTS" FORM AS THE EIGHTH FORM WHICH WILL ALLOW YOU TO PUT IN A DOLLAR AMOUNT FOR DAMAGES OR VALUE SOUGHT. FORM 134(ONE HUNDRED THIRTY FOUR) IS THE CRAP SHEET, which consolidates All the Other Forms. The Purpose of the Form is also to List the Prime Parties as the Head/ Director and Dispensing Agent to help in distributing the funds to you. In many cases this is handled by a FORMAL ADDITIONAL MAIN PLAINTIFF CONTRACT BUT Selecting A) B) and C) Helps in other cases with the Administrator not specifically Designated but assumable someone who is an Associate with "ROWE, KASDORF And ASSOCIATES, COUNTERFEITERS" TO allow you or your friends to join such a firm and help administer and payout the funds to you seeing that you will trust some petty COUNTERFEITERS who get caught quick, but probably not some OFFICIAL BANK REPRESENTATIVE that is engaged in massive state sponsored COUNTERFEITING, because they will undoubtedly

cheat and give you paper money instead of the real thing. FORM 404(FOUR HUNDRED FOUR) or "SWAB" is The NINTH form used to switch Party A) AND B) AND IS USED TO Place the Representative Head As the Director to make sure the Injured Parties Get The Funds Instead of the Representative Head; Such Form is only used one for "PIGLET" SLOBADAN MILOSEVIC so that the injured people of KOSOVO ETC get the funds; such form might also possibly be used for State Government Workers Who Want to Make sure They get a portion of funds as promised to various Former Government Workers as included in the RICO LAWSUIT; The EIGHTH FORM IS THE MOST IMPORTANT and almost an after-thought for this CPA Liquidator in almost forgetting to compose an "OFFICIAL QUESTIONARE" BEING FORM (1/2) [number next to CPA # 2468]and will most likely be half right in all cases being the OFFICIAL "Get Rid Of" PESTS FORM.

The Purpose of the Questionnaire Is to Find a Lot of MINOR PLAINTIFFS who all fit in the exact same category of Listed Abuses with Primarily in most early cases of only ONE ANSWER Or JUST A YES as identified with an 'x' in the Box to the Right of NULL near the bottom of Form "PESTS"; Such Will be the appropriate ANSWER FOR QUESTIONS 1 (ONE) THROUGH 76(SEVENTY SIX) AS ANSWERED AND PROPERLY IDENTIFIED BY PLACING AN 'X' over the appropriate Group Number that Corresponds to the Question being answered From 1 through 123. Below Your Affirmative Answer YES; Please Write in the Name of the REPRESENTATIVE HEAD as determined From Reading APPENDIX B. Below That Write in the appropriate Letter and Number and Cross Collateralization For Above REPRESENTATIVE PARTY OR THE NAME OF THE appropriate ANIMAL AS AN INTRODUCTORY PLAINTIFF. To the Right at the lower right corner, You write in your NAME and hopefully squeeze your address in also. Immediately Above This From A) Through S) Plus W) Check as many boxes As Apply with many of the RESPONSES Being Reiterated From Form "BOAR" AS SHOWN Immediately Above The SYSTEM Conspired ABUSES AS SHOWN AT THE BOTTOM RIGHT BEING AS FOLLOWS:

- A) ASSAULT BY LAW ENFORCEMENT
- B) BODILY HARM AS ABOVE
- C) CONSPIRACY BY COURT
- D) DAMAGED AS INSURANCE NOT COVER
- E) FARM FORECLOSURE BY State BANK
- F) FARM FORECLOSURE BY "FEDS"
- G) GOADING BY "FEDS"
- H) HARRASSMENT BY "COPS"
- I) INTIMIDATION BY HIGHWAY 'patrol'
- J) JUDICIAL FRAUD BY TAX COURT
- K) BANKING CHICANERY
- L) LEGAL CHICANERY
- M) MONEY SEIZED BY irs

- N) SCHOOL PLACE INTIMIDATIONS
- O) VICTIM OF COUNTERFEITERS AS State Sponsored
- P) DISCRIMINATION ALL FORMS
- Q) VICTIM OF RICO ACTIVITY
- R) CIVIL RIGHTS ABUSES
- S) SMOKER'S DISCRIMINATION
- W) DEATH OR MURDER

Next Select The Closest ADDITIONAL MAIN PLAINTIFF Status "animal categorized" FROM A) FOR "STOCK" TO S) FOR "SHEEP" INCLUDING W) FOR WHITE SUPREMISTS "shrimp" by FOLLOWING THE GUIDELINES AFTER THE BOX needing an 'x' ; For this Purposes, You should only select ONE SUCH ANIMAL. 'you might need to write in an alternate animal in one box at bottom left as per official questionnaire form (1/2)' 'being' OFFICIAL "GET RID OF" PESTS

Last but not least, you need to enter the amount of DAMAGES SOUGHT OR FAIR MARKET VALUE SOUGHT TO PROTECT In the BOX Immediately to the Right of DAMAGES SOUGHT. The Box is not particularly Big as it was assumed that most individuals amount might be \$ 500,000 and small business amount at TWO MILLION; However State Workers dismissed and run through LEGAL HASSLES might only get a \$ 10,000 max while Individuals Harassed by Prosecution and defamation of character might only get a max of \$ 100,000 unless of course they ruin your business etc. then the skies the limit. ANSWERS TO QUESTIONS OR GROUP 101 THROUGH 118 ARE strictly for various Stock Investors and only require An Affirmative YES AS ABOVE AND THE AMOUNT OF FAIR MARKET VALUE SOUGHT. QUESTION 119 OR GROUP 119 IS RESERVED FOR INVESTORS IN THE CHICAGO COMMODITIES EXCHANGE. Questions Or Groups 120 Through 123 Are Reserved For Employees and Customers of the Following Respective Companies with number 123 for any other Victims Considered as such due to state sponsored COUNTERFEITING, probably buying a lot of political corruption; 'intel', 'micron technology', 'microsoft' and 'r.c. bigelow tea' RESPECTIVELY. Question 98 or Group 98 is non-existent being the unique dirty mark number allowing the CPA CERTIFICATE to be photo-copies on the back of forms.

Question 99 is reserved for LAW STUDENTS OR REPREMANDED LAWYERS.

QUESTIONS 77(SEVENTY SEVEN) THROUGH 97(NINETY SEVEN) LIKE 99(NINETY NINE) ABOVE ARE POSSIBLE TWO PART QUESTIONS WHERE AN AFFIRMATIVE YES AS BEFORE IS REQUIRED FOR THOSE WHO ANSWER THE SECOND part AFTER THE OR (those who just answer the first part before the OR should not 'x' the YES but leave it null) For Those Who Respond to Question 78, 79, 80, 81, 82 possibly 'others' For DISCRIMINATION should put one 'x' if you are an american indian 'xx' for blacks; 'xxx' for other minorities and 'xxxx' for women as victims of

job or other discrimination. Those Answering Either Question 77(Seventy Seven) And/Or Question 78(Seventy Eight) And/Or 79(Seventy Nine) And/Or Question 99(Ninety-Nine) MAY ANSWER AS MANY AS APPLY, quite possibly, or 'probably' ALL OF THE ABOVE; 'any third part question would put in 'xx' [two x's] as per blacks as above. THOSE OF YOU WHO WISH TO GET AN ALMOST PERFECT SCORE SHOULD BE TRUTHFUL AND HONEST AND ANSWER QUESTION OR GROUP 100 (ONE HUNDRED)

BUT YOU WILL HAVE TO HURRY AS CPA OFFICIAL NUMBERING ONLY ALLOW ABOUT 6.15 MILLION RESPONDERS/FILERS PER GROUP AS ABOVE FROM 1(ONE) THROUGH 123 (ONE HUNDRED TWENTY THREE); CLEANING UP OUR SYSTEM SHOULD BE AS EASY AS 123 as long as people run over by the SYSTEM do a little cooperating with this CPA FOREIGN BANK LIQUIDATOR and both use SIOUX SOFTWARE and file for DAMAGES BEING SOUGHT so that when the little RAT, VIRUS OR PLAQUE IS CAUGHT RACKETEERING WITH SOME BIG DINOSAURS, YOU AS A MINOR PLAINTIFF VICTIM get in line for some 'FREE FUNDS' as a major winner which would be automatic; TEN DOLLARS being a cheap price to pay for being an instant winner in a huge DOUBLE RICO LAWSUIT.

Besides, if injustices are done to you and your neighbor, the best thing to do is to bury the COURT with 'court-filed' CPA RICO LAWSUIT INTRODUCTORY PLAINTIFF 'paperwork'; as explained to BILL GATES in a third and final email to billg@microsoft.com ; 'the best way to let the ' THOMAS PENFIELD JACKSON'S COURT 'know what you think of them ' IS TO FILL THE COURT WITH INTRODUCTORY PLAINTIFF 'paperwork'; in fact all Washington, DC since it would most likely amount to about 'six hundred million' copies, possibly filling the entire city. TO FORMALLY FILE AS A MINOR (possible ADDITIONAL MAIN) PLAINTIFF, YOU WILL NEED TO CONTACT YOUR Fast, Friendly, Formal, Filer AS FOLLOWS:

P) PRIVATE - GEORGIA BEING "ADAM PEACH" BEING [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] of Georgia PRESUMED WHITE SUPREMIST OR KKK LEADER

The Above is a fairly comprehensive list of DIVISIONS AND OFFICERS though a lot of them remain to be properly SELECTED AND IDENTIFIED. There were a total of 100 "BATF" CONTRACTS and apparently about a dozen were used for a few PLAINTIFFS before [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] that had inadequate CPA PAPERWORK to be regarded as any form of legal conspirator. Of these one was used for south dakota/south carolina for expanding the scope of PARTY PLAINTIFFS by altering the wording to include ATTACKING BODIES, MASSIVE COLLECTIONS ETC as prepared jointly for [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY]; Another was used for TENNESSEE for the [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] that perfected the wording and revised for above to also include all INHABITANTS And/OR/OR/OR RESIDENTS of the PARTICULAR STATE and is the basis for including ALL AMERICANS excluding ONE BITCH RECEIVER, 'former u.s. attorney' VIRGINIA DILL MC CARTY who was informed by this CPA LIQUIDATOR of having records to nail ROBERT HOFF AND THE FEDS FOR FRAUD AND RACKETEERING of which she very quickly responded furnishing a list of DEPOSITORS in the govt cheated silver warehouse bank; the other being LON HORICHUI, F.B.I. 'alleged agent' IN CHARGE OF KILLING MRS WEAVER AND SON.

A THIRD WAS UTILIZED FOR [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] and the cpa paperwork WAS PREPARED FOR A JOINT DUAL ADDITIONAL MAIN PLAINTIFF to represent all schools for starters as well as incorporating OKLAHOMA CITY BOMBING VICTIMS, WACO VICTIMS ETC to also fishhook include everyone else in the RICO. Plus one reserved for TEXAS as most presumably FOR [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY]. The most important look up table was not utilized with TEXAS but was required to bring in OKLAHOMA CITY VICTIMS ETC as the preliminary cpa paperwork only identified them as ANGELS/DEVILS without proper "ANIMAL NAME" as required. THIS LEAVES ABOUT EIGHTY FOUR "BATF" CONTRACTS THAT COULD BE DISTRIBUTED BY [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] AND OTHERS, quite possibly [FFFFF Blacked Out OR

DELETED DUE TO CONFIDENTIALITY as they were very recently sent cpa paperwork permitting THE [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY INDUSTRIES TO BE AN ADDITIONAL JOINT DUAL MAIN PLAINTIFF AS most likely unified WITH "BEAVERS" SWIMMING UP STREAM AS SUB-SET U) FOR UNDERDOG BEING [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] UNDER CONSOLIDATED INVESTOR "STOCK".

GOT BOGGED DOWN FOR THREE DAYS IN FIGURING OUT A NUMBER OF TABLE LOOK UP SCHEMES FOR ACCESSING TABLES AND/OR CONDENSING INFORMATION as suggested in LAW SCHOOL; plus it took two days to prepare The consolidated paperwork to schools and tobacco/booze industries as above. AM PUTTING THE PROPER STIPULATIONS IN THE CAT'S BODY ON THE "BATF" FORMS SO ALL THE OTHER STATES AND WORLD CAN BE CONSIDERED AS LEGAL CONSPIRATORS AND AM [DONE except WORLD AND TEXAS] UP TO HAWAII WORKING IN alphabetic order with eleven to go that include the original eight from alabama to delaware; then have last three states and world to complete also. This should take till NEW YEARS EVE late night; [AND IT DID]

AFTER THAT NEED TO ADD A FOURTH SMALL STIPULATION INCORPORATING AN EARLIER CONTRACT FOR SAFE KEEPING A VIDEO TAPE [DONE BY 1/8/2000] AS ABOVE AS WELL AS PUTTING AMOUNTS ON THE "BATF" CONTRACTS AND STUFFING, SEALING AND CERTIFYING THE ENVELOPES; then have to prepare the condensed version for TEXAS FROM THE LOOK UP TABLE (one third already prepared as work paper form) FOR PREPARING [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY]; then need to super-condense the final seven states and world using a number look up scheme instead of the foreign language characters and use ,0, as the space delimiter and work backwards for commas, periods and semi-colons with negative numbers AND USING THE STRING LENGTH SIGMA as merely the number of variable to be referenced-looked up not counting the spaces and punctuation marks; WILL LASTLY NEED TO REVISE THE WORLD SO INCLUDES ALL NATIONALITIES, REGIONALITIES, JURISIDCTIONS ETC DOWN TO ENCLAVE SO ALL ARE INCLUDED.

ADDITIONALLY THERE REMAINS THE MOST IMPORTANT JOINT ADDITIONAL MAIN PLAINTIFF CONSOLIDATION OF BRINGING IN ALL THE WAREHOUSE BANK DEPOSITORS CHEATED [THREE FOURTHS DONE AS OF 1/8/2000] AS WELL AS ALL HOARDERS OF SILVER, GOLD, GEMS, possibly also booze, bullets and/or bombs as three forms of bears, grizzlies and pandas respectively for all as above. Two thirds of the work paper is already prepared and will tentatively list the five following REPRESENTATIVES; [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] ***** IN CONTRA-DISTINCTION TO ABOVE.

LAST OF ALL THE ONLY OTHER POSSIBLE CONCEIVABLE PLAINTIFF WOULD BE TO COMBINE A JOINT DUAL ADDITIONAL MAIN PLAINTIFF

FOR SELLING USED/NEW COMPUTERS AND USED/NEW SOFTWARE WITH most likely the following: [AS POLAR BEARS] [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] OF SOUTH DAKOTA AND WASHINGTON RESPECTIVELY.

Hoping you are considering a RICO ACTION AGAINST THE FEDS FOR hassling you with UNWANTED AND UNDESIRABLE LITIGATION. It seems the only remedy is to beat a RICO and get an ORGANIZATION IN PLACE TO PUT THE [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] IN THEIR PLACE.

YOUR CO-FOUNDER WOULD BE A BIG HELP TO GETTING EVERYTHING DONE AS MOST ALL COMPUTERS EXCEPT THIS LEASED ONE BY DAD'S BUSINESS MANAGER ARE ALL OLD JUNK that mostly are not running yet. It should be easy to get the TWO BILLION to pay him as it should only take a couple seconds at the most to [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] AS MOST LIKELY [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] AND A LOT OF OTHERS WOULD BE PRINTING RICO LAWSUITS TO DRAG THEIR 'ass' INTO COURT. it would not be surprising if [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] beats down your doors to find out more info on the RICO and they undoubtedly would pressure the two [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] companies to help print RICO ACTIONS AS WELL; it appears that A CERTAIN DICTATOR IN [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] HAS MANY MILLIONS OF TONS OF GOLD STASHED AWAY and most likely could be convinced to LEGALLY 'sort of bribe the' FINANCING AGENTS 'to indirectly supply the needed funds to get the ball rolling' OF DRAINING THE [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] GOLD BANK RESERVES TO FORCE THE RICO INTO COURT; most likely [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] AND ALL THE OTHERS WILL BE GLAD TO HELP CLEAN UP THE SYSTEM and put a little fame and fortune in their pockets as well. HEAR THAT [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] was going to fight all the LAWSUITS that they are being faced with assumedly under the ASSUMPTION that certain settlements were supposed to preclude LITIGATORY EXCESS AIMED AT THE [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] INDUSTRY.

IT SEEMS THE AMERICAN PEOPLE NEED TO SCRAP THE FEDERAL SYSTEM OF GOVERNMENT AND INSTITUTE A MORE REGIONAL FORM WHERE EVERYONE HAS A SPECIFIC FUNCTION as to be modelled after the above. THE LAW PROFESSOR explained that CONGRESS would most likely not allow another territory into the UNITED STATES UNION BECAUSE THEIR PRECISE POSITION AND RESPONSIBILITY AS A REASON OR BASIS FOR ADMITTANCE 'would most likely be undefined'; AFTER LOGICALLY GOING THROUGH EVERYTHING ALPHABETICALLY AND PROCEDURALLY, YOU CAN SEE HOW GOOD A SYSTEM CAN REALLY BE

MADE TO OPERATE.

The CPA "DIRTY SCHEME" TO LEGALLY GET THE [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] IS THAT THE SIOUX COMPUTER SOFTWARE IS TO BE DISTRIBUTED 'even by ' [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] legally technically due to cpa paperwork contracts to input all the names and addresses into computer database DBASE II FILES INVCUST.DBF with extra information in the INVDATA.DBF to help in distinguishing the good guys from the bad. This information is separated into two groups, the good guys are listed and printed on CPA LIQUIDATOR FORMS calculatable to FOURTEEN MILLION SEVENTY THOUSAND PEOPLE IN ALL AS POTENTIAL RECEPTES DURING THE PRINTING PHASE OF THE RICO LAWSUIT; the MINOR PLAINTIFF BEFORE [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] 'AND' THE REMAINING "BATF" CONTRACT HOLDERS WITH A VIDEO TAPE ALSO WILL MAIL OUT A VIDEO CLASSIC BUSINESS CARD OF THIS CPA LIQUIDATOR THAT WOULD MOST LIKELY HAVE [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] ***** ON THE FRONT BELOW VIDEO CLASSICS WHILE ON THE REVERSE EACH BUSINESS CARD WILL HAVE A DISTINCT NAME AND ADDRESS OF A BAD GUY (possibly several per bad guy?) that are mailed out with other correspondence by the above to their constituents etc that are the makeup of the good guys above who wait for their CPA PROMISED SUMS OF FUNDS that would most likely be enough to buy the guys [fffff blacked out or deleted due to confidentiality], unless they have a million dollar [fffff blacked out or deleted due to confidentiality], it might take three or four such receptees to get together and buy [fffff blacked out or deleted due to confidentiality]; MOST LIKELY AS ALSO TO BE ON THE BACK OF THE BUSINESS CARD WOULD BE A 'recommendation to answer an online survey and [http://www.\[ffff partially blacked out or deleted due to confidentiality*feud.???\]](http://www.[ffff partially blacked out or deleted due to confidentiality*feud.???]) ' IN ORDER TO GET A BETTER CHANCE OF WINNING; WHICH WOULD ASK PERTINENT QUESTIONS SUCH AS OWNING A [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] when such information would be utilized to prepare a dozen distinct letters that combine a 'common law grand jury' of their peers to get together with the captain as number one who is a [fffff blacked out or deleted due to confidentiality] with number thirteen being the owner of the [fffff blacked out or deleted due to confidentiality] with his [fffff blacked out or deleted due to confidentiality] number; so that they all get together; try to buy the bad [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY]; then several get together with number thirteen and [fffff blacked out or deleted due to confidentiality]; then the rest come to the bad guys rescue and [fffff blacked out or deleted due to confidentiality] for protection or quite possibly a little more [fffff blacked out or deleted due to confidentiality] as such AUTHORIZED FOREIGN BANK [fffff

blacked out or deleted due to confidentiality] may not suffice AGAINST AUTHORIZED 'foreign banker' [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] AS ABOVE AS BEFORE AS FOLLOWS AD-INFINITUM OR AT LEAST TILL ALL [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] AND BIGGEST FFFFF er IN THE USA [partially blacked out and deleted due to confidentiality] ARE IN THEIR NICE LITTLE [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY];----- that ought to 'LEGALLY' keep [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] from being busted up AND ' help the tobacco industry negotiate for the removal and dismissal of unwanted and UNDESIRABLE LITIGATION as well as any more stupid asshole [fffff blacked out or deleted due to confidentiality] trying to RUN OVER A ONE MAN FOREIGN BANKER LIKE DAD with two more old multi-millionaire depositors like GEORGE KLOOSTERHOUSE AS ABOVE AND MRS RAYMOND MICHAEL OF PORTLAND OREGON, all most likely putting property into TRUSTS for safe-keeping and managing assets a little more easily; but associated with UNRELENTLESS THEFT OF ASSETS BY [FFFFF Blacked Out OR DELETED DUE TO CONFIDENTIALITY] AS ABOVE AS BEFORE AS ABOVE AD-INFINITUM.

Pre Rough Draft Of LETTER TO

Finished This February 7, 2000 on one hundred and thirty fourth anniversary of the birth of GRANDPA LORENTZ CHRISTIAN OPDAHL

Dear MISS, MISS, MISS YOU A LOT,

Have not heard from you or anyone else since sending out approximately twenty five CHRISTMAS CARDS AS FROM PRESENT CPA FOREIGN BANK LIQUIDATOR; Mostly as to be expected from someone sounding like a KOOK.

Enclosed is a High School Graduation Photo of This CPA LIQUIDATOR Soon to be FORTY SEVEN ON February 10, 2000 as well as TWIN Sister. On The Back Of The Photo IS PROBABLY The Single Most Important CPA LIQUIDATOR CONTRACT OF THE DOUBLE RICO LAWSUIT WILL PERMIT ALL SCHOOLS TO BE INCLUDED AS ADDITIONAL MAIN PLAINTIFF (S) AS REPRESENTED BY THE PRESIDENT OF BOB JONES UNIVERSITY, This CPA LIQUIDATOR'S ALMA MATER AS WELL AS LAYING THE GROUND-WORK FOR ALSO PERMITTING MILLIONS OF OTHER MINOR PLAINTIFFS WITH SOME OTHER ADDITIONAL MAIN PLAINTIFFS ALSO "BEING PERMITTED" TO JOIN THE RICO LAWSUIT AND COLLECT DAMAGES FOR THE FRAUDULENT BUSINESS TACTICS AND PRACTICES OF THE PRESENT BANKING SYSTEM INCLUDING PROBABLY ALSO CERTAIN PRESUMABLY JEWISH CENTRAL BANKERS IN RUSSIA.

WITHOUT SPECIFICALLY ADDING UP THE AMOUNT AS PROMISED AS A CPA LIQUIDATOR TO SOME OF THE VARIOUS RUSSIAN PLAINTIFFS THAT INCLUDE SICK RUSSIANS, HUNGRY RUSSIANS, RUSSIAN ORTHODOX CHURCH, RUSSIAN FARMERS, RUSSIAN RAILWAY WORKERS, RUSSIAN SAVINGS DEPOSITORS, ? Defense WORKERS, BORIS YELTSIN AND THE PEOPLE OF MOSCOW ETC. ; THE SUM TOTAL MOST LIKELY APPROXIMATES ABOUT SIX BILLION DOLLARS AT A VALUE OF @ \$ 20 (TWENTY DOLLARS PER OUNCE TROY WEIGHT OR AN ESTIMATED VALUE AT TODAY'S PRICES OF ABOUT NINE HUNDRED BILLION DOLLARS.

IF You Wish To Help The People Of RUSSIA, IT WOULD BE BEST FOR YOU TO CONTACT BOB JONES UNIVERSITY Of Greenville, South Carolina 29614 IN ORDER TO GIVE TO BOB JONES III, PRESIDENT OF BOB JONES UNIVERSITY AS ABOVE THE ENCLOSED PHOTO OF CPA LIQUIDATOR SO HE CAN BE A PLAINTIFF AS SUCH PHOTO PORTFOLIO ALSO "CONTAINS" THE SPECIAL CPA LIQUIDATOR [BS] Various look up FORMULAS THAT WILL ALLOW OTHER FORMALLY "FILING" PLAINTIFFS TO GAIN ENTRY INTO THE RICO LAWSUIT BECAUSE BOB JONES UNIVERSITY AS "BEING" Widely Respected Amongst CHRISTIANS AND MOST PROBABLY The Strictest CHRISTIAN UNIVERSITY IN THE U.S.A. WITH A LOT OF INFLUENCE OVER ALMOST ALL PROTESTANT DENOMINATIONS AROUND THE WORLD INCLUDING IRELAND.

The PEOPLE OF RUSSIA WOULD BE HELPED AS ABOVE IN "BEING" A WINNER IN SUCH A MASSIVE RICO LAWSUIT AS IT SEEMS FROM INFORMATION AT OUR DISPOSAL THAT THE CENTRAL INTELLIGENCE AGENCY HAS HAD ASSASSINATED VERY MANY LEADERS OF NATIONS IN THE THIRD WORLD THESE PAST THIRTY FIVE YEARS "ADDING" HUNDREDS OF TRILLIONS OF DOLLARS OF GOLD BULLION TO THE UNITED STATES BANKING SYSTEMS AND HAS ALSO REPORTEDLY MASS DISEMINATED AT LEAST AN "ADDITIONAL" TEN TRILLION DOLLARS OF EXTRA CURRENCY OVER WHAT THE OFFICIAL BANKING OFFICIALS ADMIT AS IN EXISTENCE AND MOST LIKELY ABOUT FORTY TRILLION DOLLARS OF EXTRA CURRENCY AS PER DAD'S BUSINESS MANAGER'S FOUNDATION PARTNER AS HEAD OF A THIRTY NINE TRILLION DOLLAR INVESTMENT COMMITTEE AS ONCE HEAD BY PRESUMABLY MR. GOLDSMITH IN ENGLAND, Now Somewhat Recently as "BEING" Deceased.

The Situation of our family is that we grew up from humble beginnings where DAD was only allowed to rent forty acres of land from Grandma (farm not lost in the depression as it was too big and required too much workers for what little was owing which was paid off by kids teaching school and sending home enough for payments) as all the other brothers farmed the rest of almost a section of land or 640 acres, But DAD Became a successful wheeler dealer fertilizer BROKER AND HAD MOST LIKELY THE LARGEST Single Fertilizer Retail Farm Supply Store In The Midwest as well as selling to approximately one half to all the smaller privately owned Fertilizer Retail Dealers AS WELL AS THE CROOKED SON-IN-LAW AS "RUNNING" A SMALL OFFSHOOT Silver Refining BUSINESS (where apparently he sneakily secretly stole all the income from inception) SO THAT THE COMBINED FAIR "PICTURE OF DAD'S BUSINESS ACTIVITIES WOULD BE AS FOLLOWS: DAD BOUGHT LOTS AND LOTS OF FERTILIZER IN Either "Railroad Cars" Or "BARGES" THAT Each HOLD ABOUT THIRTY "Railroad Cars" Of FERTILIZER, AS WELL AS HAVING THE CROOKED SON-IN-LAW (Now EX-),

SON OF Former Vice President OF I.B.M. RUN THE SILVER COMPANY THAT BOUGHT AND SOLD EACH YEAR (Well the last year anyway when DAD Retired In 1979, especially as since once at that specific time rat relative AS ABOVE snuck into one or more of the three closet safes having all the gold KRUGGERAND COINS AND took about two hundred thousand in such GOLD COINS AS ABOVE AS DAD was upset about it as he had planned on retiring that year and wanted to keep THE ENTIRE QUARTER MILLION DOLLARS OF KRUGGERANDS; WITH SUCH GOLD AND SILVER SALES FOR DAD'S SILVER COMPANY, (though the rat relative as above had been promised one half the company provided that all the dollars of original investment had been repaid of which only \$ 10,270.50 in gold KRUGGERAND COINS WAS RETURNED as supposedly being purchased by the silver company's bank account, as most generally this CPA PAID FOR THEM FROM THE FERTILIZER COMPANY, as it was the only one that had any needed excess cash at any given time as the silver company apparently just barely was able to survive on its own) WITH THE SILVER AND GOLD SALES FOR THE SILVER COMPANY AS JUST ABOUT AN EXACT SAME AMOUNT OF SILVER AND GOLD AS THE VALUE OF THE ONE THOUSAND "Railroad Cars" OF FERTILIZER AS ABOVE; WITH OF COURSE AS FAR AS WAS KNOWN TO US ONLY THE MAIN FERTILIZER BUSINESS WAS MAKING ANY MONEY AT Approximately \$ 250,000 PER YEAR, possibly as early as 1975, SO THAT DAD IN COMPARISON TO THE UNITED STATES GOVERNMENT WAS ONLY A mere Little mouse.

ADDED TO THIS FACT DAD Immediately Before Retiring PUT THE PROPERTY OF ALMOST THREE MILLION DOLLARS Into Various Common Law Trusts that the Government, Prosecutors, Attorneys and Lawyers ALL DETEST WHICH IS ONE OF THE PRIME REASONS THE UNITED STATES GOVERNMENT OFFICIALS HAVE TAKEN SUCH A VENDETTA AGAINST OUR "FAMILY" WITH THE Crooked EX-SON-IN-LAW OF DAD IN STEALING AT LEAST TWO MILLION DOLLARS OF ASSETS FROM OUR "FAMILY" Partially USING THE EX-RELATIVE, Possibly Unbeknownst to SUCH UNITED STATES GOVERNMENT OFFICIALS THAT THE EX-RELATIVE HAD ONCE TRIED TO KILL THE SILVER "Refining Foreman", who was forced to LIE IN COURT as also most likely unawares THAT THE Crooked EX-RELATIVE HAD SECRETLY STOLEN ANY AVAILABLE SILVER THE COMPANY HAD AS apparently he ran the company as above so it just barely had enough silver inventory to "OPERATE" AND ENTIRELY "FINANCED" AS PER DAD as the RAT EX-RELATIVE APPARENTLY "SIPHONED" OUT FOR HIMSELF ANY EXCESS AS TO BE EXPLAINED LATER.

IN ADDITION Approximately ONE THOUSAND OTHER MILLIONAIRES SUCH AS DAD ALSO PUT THEIR PROPERTY (Mostly All Small "BUSINESSES", "FARMS" And/Or/OR/or "RANCHES" INTO OTHER COMMON LAW TRUSTS AS TO BE EVENTUALLY AS "BEING" PROTECTED BY DAD'S FOREIGN BANK AS TO BE EXPLAINED LATER, MAKING DAD A SORT OF "Midget" AS COMPARED TO THE UNITED STATES GOVERNMENT.

THE UNITED STATES GOVERNMENT "ATTACKED" WITH A VENDETTA, The Little FOREIGN BANK that basically wasn't even doing any "business" SO THAT THE OTHER "STOCKHOLDERS" Either Gave DAD THEIR "STOCK" OR DAD "BOUGHT" THE "STOCK" once as per recollection as per united states warehouse bank in DENVER, COLORADO suburb or/Or/OR THE IRS "CHEATED" THE LAST REMAINING "STOCKHOLDER" AS TRYING TO CHEAT DAD ON A PRELIMINARY 'alleged' "PAYMENT" OF FIFTEEN THOUSAND DOLLARS AFTER DAD WAS STUBBORN AND WOULD NOT "ATTEND" 'alleged' "TAX COURT" as presumably DAD assumed they would only just rip him off "ROYALLY"

THE UNITED STATES GOVERNMENT WENT SO FAR AS TO "HIRE" A PROFESSIONAL "SWINDLER" TO CHEAT DAD OF WHAT WAS "REMAINING" In The Little FOREIGN BANK ASSETS AND "DEPOSITS" ; OF WHICH INCLUDED ONLY A Relatively SMALL PORTION OF SAVINGS OF THREE NOW PRESENTLY VERY OLD RETIRED "MULTI-MILLIONAIRES" WITH A FOURTH "MULTI-MILLIONAIRE" NOW PRESENTLY Deceased WHO "PERSUADED" DAD AS PER "ACCEPTING" THEIR SINGLE "DEPOSIT" AND LOANED IT BACK TO AN INTERESTED PARTY AS INVOLVED WITH THEIR "GOLD MINING" TAX SHELTERED INVESTMENT OPERATION WITH BASICALLY NO KNOWLEDGE ON OUR PART OF THEIR "INTENTION" AS PER Drastically "MULTIPLYING" THE TAX SHELTERS BY merely recirculating the "funds" as per "two hundred thousand dollar" 'london international' "DEPOSIT" AS THEY "INDICATED" AS ABOVE ONLY ONCE AS OTHER ISLAND

BANKS AS “INDICATING” AN INTEREST IN “ASSISTING” SAYING PLAINLY THAT ‘they would not do’ AND SAYING IMMEDIATELY AFTER THAT A TALK WITH OUR FOREIGN BANK “PROMOTER” as also being the promoter of the common law trusts, AS “CONVINCED” THEM OUR Defunct Mostly Non-operational FOREIGN BANK ‘it will do us just fine’ ; THIS ACTIVITY “CULMINATED” IN THE UNITED STATES GOVERNMENT ‘S “PROSECUTION” OF DAD shortly after litigation with the crooked RAT EX-RELATIVE AS ABOVE AND “PUTTING” DAD ‘in prison’ FOR FOUR AND ONE HALF MONTHS FOR ‘alleged’ “PERJURY” WITH LATER THE RESULT OF “DEFRAUDING” The Little FOREIGN BANK THAT UNBEKNOWNST TO THE UNITED STATES GOVERNMENT “HAD” only a small portion of RESPECTIVE “SAVINGS” AS PER THREE “RETIRED” “MULTI-MILLIONAIRES” “DEPOSIT” ‘money’ with approximately about a “DOZEN” very very small “deposits”, the largest single as per such as above immediate as per PRESENT CPA FOREIGN BANK LIQUIDATOR as most likely as “BEING” approximately \$ 16, 269. ?13? as more or less after seventeen years time lapse since sight verification as above; as totalling most likely as per calculative as per knowns as “BEING” approximately \$ 32,921.11 as per \$ 550,316.11 AS “TOTAL DEPOSITS” ; with the millionaires so old and “RETIRED” AS most likely as “not owing” the IRS FOR WHAT THEY “STOLE” AND ALL THE GOVERNMENT’S “CULPRITS” CAN OR “WILL” ‘get caught’ “RED-HANDED” AS PER THEIR “CRIMINAL ACTIVITIES” OR ‘activity’ DUE TO THE CROOKEDNESS AS PER The EX-SON-IN-LAW AS “MAKING” DAD IN COMPARISON AS PER THE UNITED STATES GOVERNMENT AS “BEING” AS A “LITTLE MONSTER”

THIS PERSON MAJORED IN ACCOUNTING AT BOB JONES UNIVERSITY AS BEING AN ABOVE “AVERAGE” STUDENT as most likely tied for “second” place ranked ordinally as within an accounting class as per approximately “thirty students” AS ABOVE AS PER ANNUALLY in fair CPA estimation AND AQUIRED THE STATUS AS “BEING” A CERTIFIED PUBLIC ACCOUNTANT WITH SOME EXTRA TRAINING IN OBTAINING A “MASTERS OF BUSINESS ADMINISTRATION” DEGREE WITH ONE “COURSE” IN LAW SCHOOL AS PER “CONSTITUTIONAL LAW” WHERE PROFESSOR AND DEAN OF LAW SCHOOL, “RICHARD BURKE”, AS PRESUMABLY NOW PRESENTLY “RETIRED” WHO “TAUGHT” THIS CPA BOTH THE EXTRA “RICO Technical RULES” AS PER “BEING” A CPA LIQUIDATOR THAT PRESUMABLY ARE NOT GENERALLY TAUGHT IN THE TEXT BOOKS OF ACCOUNTING AS WELL AS THE LEGAL ASPECTS OF LANGUAGE And “WORDING” INCLUDING COLORING TO SOME EXTENT AS PER “CONTRACTS” AS “POSSESSING” Appropriate “LEGAL” ‘terminology’ , as well as, AS PER some instances even “CAPITALIZATION” AS PER SPECIFIC “WORDS” especially necessary “LEGAL” TERMINOLOGY AS PER COURT OR LEGAL OR PLAINTIFF ETC. AS PER AS ABOVE AD-INFINITUM AS THUSLY “PREVENTING” AS “HIRING” A “LAWYER” AS PER “PREPARING” A “RICO LAWSUIT” ; SUCH EXTRA KNOWLEDGE AS “POSSESSED” AS PER THIS CPA “PERMITS” very very very very very extremely “Dirty Dealing” AND STILL GET AWAY WITH IT AS ENTIRELY ONE HUNDRED PER CENT “LEGAL”; WITH AN Almost Photo-graphic “MEMORY” AS PER “REMEMBERING” “DETAILS” AS ABOVE AD-INFINITUM AS “MAKING” DAD IN COMPARISON TO THE UNITED STATES “GOVERNMENT” LIKE A “BIG MONSTER” AS PER ‘the pit of hell’ AND THIS CPA LIQUIDATOR AS “BEING” “PERMITTED” AS PER “LEGALLY CONSPIRING” WITH ONE OR MORE “BILLIONAIRES AS POSSIBLY ALSO “INCLUDING” “TRILLIONAIRES” AS ABOVE AD-INFINITUM AS PER “EFFORTS” “EXERTED” AS PER “COLLECTING” “STOLEN ASSETS”, “BUSINESSES” , DEPOSITS AS PER AD-INFINITUM POSSIBLY ALSO AS PER “OTHERS”

EVEN THOUGH THIS CPA AS “BEING” ‘inactive and cancelled lowA C.P.A. # 2468’ AND AS SUCH ‘being’ as ‘cancelled’ as THE IRS CRIMINAL VENDETTA PUT THIS CPA IN A POSITION OF BEING FLAT BROKE AND BARELY MAKING ENDS MEET SO THAT THIS CPA WAS UNABLE TO “pay” THE ANNUAL Yearly Dues To Prevent Being ‘cancelled’ as well as the IRS PUTTING LARGE Liens upon PROPERTY THAT Included A very little house-parsonage with nearby church THAT HAD COST \$ 25,000 OF Which approximately two and one half years PAYMENTS HAD BEEN Made And A RAT BOSS Leasing The Video Assets WOULD “NOT” GIVE enough wages TO MAKE House – Church Payments; AND MOM AND DAD WOULD NOT HELP Either AS THEY SAID The IRS WOULD JUST TAKE IT AWAY, OF WHICH IT WAS LOST DUE TO FORECLOSURE AS THE Greedy Real Estate Dealer OWNER FOUND A NEW BUYER So She Could Resell It all over again Leaving This CPA CHEATED LIKE HELL AS WAS LATER THE FOREIGN BANK SO THAT THIS CPA Having Aquired

The Knowledge AS ABOVE AT U.S.D. LAW SCHOOL IS LEGALLY PERMITTED TO BE A CPA FOREIGN BANK LIQUIDATOR even though inactive and cancelled IN ORDER TO REGAIN The Stolen Assets, Deposits And 'silver refinery' AS THE RAT EX-RELATIVE ONLY MADE approximately HALF THE PAYMENTS much like this CPA Make House-Church Payments WITH THE ADDED DISASTROUS EFFECT FOR THOSE WHO DIRECT THE U.S. GOVERNMENT BY RUNNING THE FEDERAL RESERVE BANK SYSTEM THAT THIS CPA LIQUIDATOR IS LEGALLY PERMITTED TO ASSESS AMOUNTS AND VALUES OF THEIR ASSETS TO OTHER PARTIES AS MORE THAN Likely as "damaged" BY Their Similar Criminal Activity INCLUDING Possible Somewhat Indirect Business Dealings THAT MORE THAN Likely RESULTED IN T.V. News Broadcasts of DEPOSITORS AS "BEING" WITHIN ST. PETERSBURG, RUSSIA Complaining of Losing ALL Their 'savings' DUE MOST LIKELY To Currency Speculators as Partially most likely 'financed' AS PER CERTAIN GREEDY JEWISH BANKERS as well as Russian employees etc hurt in other Indirect METHODS AND MANNERS DUE TO RUSSIAN Currency Mis-Management with the RESULT THAT ONCE TRIAL IS COMPLETED And The Accounting Numbers Are Presented And Analyzed THAT The EX-SON-IN-LAW WILL BE PROVEN BEYOND A SHADOW OF A DOUBT AS "BEING" A LIAR, FRAUD AND RACKETEER SO THAT ALL THE BILLIONS AND TRILLIONS OF DOLLARS AS "PROMISED" AS A CPA LIQUIDATOR WILL HAVE TO BE PAID OUT TO THE DAMAGED PARTIES with of course a logical BASIS FOR THE AMOUNTS AS PROMISED BASED UPON "VALUES" Or/OR/or "DAMAGES" AS 'sustained' AS PER THE Various PARTIES RESPECTIVELY; THIS POTENTIALLY MAKES THIS CPA LIKE A VIPER FROM HELL TO THE Crooked BANKING SYSTEMS.

HOW COULD The IRS, FBI, Government 'officials' AND BANKING 'officials' GET SO FOOLED TO WORK WITH A Crooked CHEATING EX-SON-IN-LAW? WELL A LITTLE HAD TO DO WITH CONSTANT 'conversions' AS PER ABOVE 'silver company' RECORDS FROM THE CASH BASIS OF ACCOUNTING TO AN 'accrual' METHOD OF ACCOUNTING WITH A SOMEWHAT UNUSUAL 'consolidation' 'method as permitting various 'ownership interests' AS PER 'silver company' AS PER FOREIGN BANKER, 'personally' AS WELL AS PER Various RESPECTIVE "ADDITIONAL" 'ownership interests' AS PER ONE OR MORE Various Diverse 'business entities' INCLUDING FINALLY AT LEAST "ONE" 'trust' WITH Possibly ONE OR MORE 'shell' 'trusts' AS BETWEEN ABOVE 'silver company' AND EVENTUAL FOREIGN BANK AS PER FOREIGN BANKER AS ABOVE AS BEFORE AS ABOVE AS FOLLOWS AD-INFINITUM; WITH "ADDITIONAL" 'explanations' AS FOLLOWS AS PER PRESENT CPA FOREIGN BANK LIQUIDATOR UNTIL REMAINDER PER PER PART A AS PER OFFICIALLY 'prepared' AS ABOVE AS BELOW AS FOLLOWS:

WELL First of ALL DAD AS FOREIGN BANKER AS ALWAYS Retired And Sold ALL THE Fertilizer 'inventory' AND PUT approximately \$ 643,000 OF CASH IN THE BANK; SOME MONTHS LATER DAD AS ABOVE AS FOLLOWS TILL AS ABOVE LOANED THE 'silver company' AS ABOVE EVENTUAL 'sum total' AS PER \$ 275,000 AS PER ' \$ 643,000' AS PER ABOVE Immediate AS WELL AS 'borrow' PERSONALLY AN "ADDITIONAL" '\$ 200,000' AS PER The ONE OF TWO 'local bank' s AS PER HOME TOWN OF HAWARDEN, Iowa 51023 'making' The 'silver company' 'appear as though' 'being' A MEDIUM SIZED 'company' AS UNUSUALLY 'somewhat large with substantial asset base and basis'; HOWEVER In Reality, it was at least only a small 'company' AS REPORTED IN PUTTING THE ASSETS IN TRUST. However, in 'summarizing' The 'assets' as 'receivables' THIS CPA IN NET EFFECT ACCIDENTALLY 'essentially' 'double counted' the 'assets' AS ABOVE AS "RESULTING" AS ABOVE FOR 'silver company' AS ABOVE 'actually as' 'being' ONLY A VERY 'little miniscule' 'silver company' 'in reality as only as' 'being' approximately 'one half the size of the little comparatively speaking little miniscule' FOREIGN BANK AS PER DAD AS ABOVE AS FOLLOWS AD-INFINITUM AS LATER 'to be figured out finally seventeen years later as the RAT EX-SON-IN-LAW 'was constantly siphoning out more than all the income faster than it could be' "PRODUCED" AS BEFORE AS ABOVE AS BEFORE AS FOLLOWS AD-INFINITUM.

IN ADDITION, The ABOVE \$ 643,000 plus 'when it was put into the local bank as above from selling all the leftover fertilizer inventory in July or August of 1979 as per when inventory is supposed to be at almost rock bottom, 'like say for instance as above at only a quarter of a million dollars or less', it was instantly 'noticed' AS PER THIS CPA 'as also in like same manner commented officially to the wholesale sales manager and perpetual inventory records keeper as officially as ' 'being' "DICK POTTEBAUM" THAT IT WAS ABOUT \$ 150,000 MORE THAN THERE WAS SUPPOSED TO BE BASED ON TRYING TO KEEP FAIRLY ACCURATE ACCOUNTING RECORDS. IN Reviewing In

RETROSPECT, AFTERWARDS, The Answer is simple. The Government's "TENNESSEE VALLEY AUTHORITY" THAT MAKES AND FILLS "BARGES" OF FERTILIZER CALLED approximately MARCH 20, 1979 AND DEMANDED THEY GET PAID RIGHT AWAY OR THEY 'won't send the approximate \$ 145,000' "BARGE" UP THE MISSISSIPPI RIVER AS PER THUS 'allowing' DAD AS ABOVE AS "BEING" 'able to sell it'; WHEREUPON THEY AS ABOVE Immediate 'got their \$ 145,000 approximately speaking check naturally a few days later' AND 'sent' The ABOVE "BARGE" UP THE RIVER; BUT IT NATURALLY TAKES A GOOD WHILE TO GET UP THR RIVER AND THE TRUSTS YEAR STARTS approximately APRIL 1 OR FOOLS DAY SO THAT THE "BARGE" AS ABOVE 'does not arrive at the "BARGE TERMINAL" UNTIL SOME TIME IN APRIL OF WHICH DAD'S 'wholesale sales manager as above' DOES NOT GET THE SHIPPING ADVICE UNTIL SOMETIME IN APRIL; BUT THIS CPA 'actually paid for the fertilizer in march and naturally included the barge as above in the year prior's period purchases' ; The Answer is simple to see! DAD AS ABOVE AS FOLLOWS 'was so big in brokering the approximate thirty five "barges" or the equivalent in lots of rail cars of fertilizer just about every year as above as per making so much money so fast, that at the year end there was always an extra unknown or unexpected barge of fertilizer floating up the river as above' AS "BEING" 'sort of figuratively speaking' 'his extra profit for the year being such a big wheeler dealer' AS MOST LIKELY AS "BEING" ONLY ONE OF "TWO" 'of such stature within the entire whole united states of america' WITH HALF OF THE NATIONS ENTIRE BUSINESS AS PER FOREIGN BANKER AS ABOVE AS BEFORE AS FOLLOWS 'until the hunts silver market fiasco' AS DAD 'retired' AT AGE FIFTY FIVE 'no longer able to stand of strain of daily making wheeler dealer deals' AS ABOVE AS BEFORE AS ABOVE 'until retirement as above' AFTER WHICH DAD 'did little except for a little farming and selling vitamins etc'

IN 'summarizing' the results of operations for the 'silver company' AS ABOVE, MANY TIMES THIS CPA 'spent many extra hours summarizing and analyzing in detail more than likely as creating additional original 'silver company' documents and records' AS "RESULTING" AS PER MORE "COMPREHENSIVE" 'original documents and financial statements' AS "were" 'developed' AS PER 'information as per above original records' AS PER YEARS LATER 'as being ten in numeric quantity since alleged silver company business transference' AFTER THE Crooked EX-SON-IN-LAW 'cheated' DAD AS PER 'reality as per taking farms etc' DAD AS BEFORE 'lamented the fact that if only we had the original silver refining record probably only the first of two as per 'silver company' as per chronological sucession as per first as per prior as per 'hunts fiasco' as above' "AS EXPRESSED MOSTLY AS PER POUNDS AND OUNCES AS PER AS FOLLOWS LATER AS PER LETTER AS PER THIS EXACT SAME AND PRECISE LETTER AS ABOVE AS BELOW AS FOLLOWS, THEN NATURALLY" , 'we could and can prove that we didn't steal any silver from the silver company' AS ABOVE AS FOLLOWS AD-INFINITUM 'which allegedly was the stupid judges reason for stealing the farms' "MOST DEFINITELY MERELY AS PER PLACEMENT AS PER FARMS AS ABOVE AS BELOW AS ABOVE AS FOLLOWS AD-INFINITUM" AS ALSO PER ALL WHO 'placed their respective property or properties within common law trusts' WHICH PROBABLY AVOIDED 'probate taxes' AS PER 'judges' AS ABOVE AS BELOW AS ABOVE AS FOLLOWS 'falsely think they can issue any judgement and/or opinion to steal the property or work with dishonest mother fucking asshole irs cheating lying bastards to take the property under an alleged guise for income taxes ' AS 'being' the general case 'unless they meet up with a stubborn mule asshole foreign banker who openly defys the stupid stinking cheating united states tax court' THEN THEY FIND OTHER WAYS TO DEAL WITH THE SITUATIONS TO THEIR OWN 'permanent destruction' AND CESSATION OF THEIR RESPECTIVE DISHONEST PRACTICES AS ABOVE AS BEFORE AS ABOVE AS FOLLOWS NATURALLY AS PER ABSOLUTELY "ALL AMERICAN TAXPAYERS" 'who in some form or fashion defy the governments alleged taxing authorities' AS ABOVE AS BEFORE AS FOLLOWS POSSIBLY ALSO FOR ALL AMERICANS AND OTHER CITIZENS OF OTHER NATIONS AS PER OFFICIAL BOOK AS PER PRESENT CPA FOREIGN BANK LIQUIDATOR ENTITLED Partially AS FOLLOWS: 'the making of the biggest lawsuit in history' as most likely the title though not fully completed as remains only this last amount of typing AS PER OFFICIAL APPENDIX "L" – 'love potion number nine' ; WITH THE RESULT THAT AFTER DAD SOMEWHAT 'beat the phony bribery rap', THIS CPA 'went full time from approximately february 1990 till possibly approximately november 13, 1990 (wonder if that was Friday) analyzing everything in detail, ' BASED UPON THE 'original documents and records' AS ABOVE AS BEFORE AS ABOVE AS FOLLOWS AD-INFINITUM AS 'being' PRESUMABLY MOSTLY AS 'comprising' the 'original documents' AS PER The Crooked EX-BROTHER-IN-LAW AS

SUCH Algebraic EQUATION THOUGH AS ABOVE RAN INTO Difficulties WITH TWO 'unknowns' AND AT FIRST APPARENTLY NO Method Seemingly Available IN ORDER TO PLUG ONE UNKNOWN AS ABOVE INTO ONE OF THE Approximate "EIGHT" little least squares Boxes THAT "COMPRISE" The Physical Set Up

RELATIONSHIP UPON WHICH THE 'least squares' METHOD AS ABOVE Was Apparently 'based upon' OF WHICH SUCH METHOD AS ABOVE AFTER "TWENTY FOUR YEARS" IS PRESENTLY Forgotten, But As "BEING" very fresh In the Mind of An Almost 'mba' AS ALSO A very Recent PRESENT CPA ONLY A "TWO YEAR" Period Or less. AS SUCH THIS CPA Reasoned THAT An ever so slightly Different AS "BEING" AVAILABLE within the World of Accounting In 'calculating accruals' BASED UPON INCOME OR LOSS That Would Produce A Very Similar YET very slightly 'different' VERY HUGE MASSIVE 'algebraic equation expression' ALSO CONTAINING AS ABOVE Immediate BOTH "Greek delta x" and "Greek delta y" OR more simply "delta this" and "delta that" ; THIS CPA was at first totally puzzled as per 'constructing' several various slightly different 'algebraic expressions' AS ABOVE, But When AS 'reduced' AS PER The 'calculation' AS PER "delta that" ALSO Produced An Identical 'algebraic equation' AS ABOVE FOR "delta this" (quite big in fact). AFTER VERY MUCH CONTINUED AND PROTRACTED THOUGHT THE PATH TO THE SOLUTION WAS FINALLY 'envisioned' ABOUT A HALF DAY LATER While 'unloading a rail car of fertilizer' AND IMMEDIATELY THIS CPA RUSHED TO THE FERTILIZER OFFICE 'possibly also the silver company office at the time in question' IN ORDER TO "CONSTRUCT" THE 'second' NECESSARY FORMULA IN THE OFFICE AS ABOVE 'all on a single piece of lined small spaced lined regular size school paper' MOST LIKELY NEEDING A SECOND New SHEET AS ABOVE PER Somewhat Recent Failures; WITH OF course The Original Solution AS ABOVE MOST LIKELY WITH THE FORMAL SET OF 'silver company records' WHILE THIS PRESENT CPA FOREIGN BANK LIQUIDATOR ONLY HAS THE ORIGINAL 'original' and 'semi-original's' AS ABOVE AS BEFORE AS FOLLOWS AD-INFINITUM AS PRESUMABLY "UTILIZED" AS PER The 'preparation' AS PER THE 'formal' "SET" AS ABOVE.

AND IN Reducing The SECOND AS ABOVE 'algebraic expression', Low And Behold THE "delta that" produced an ALTERNATE 'different' AS PER ABOVE AS FORMULATED In Terms Of "delta this" ON THE LEFT SIDE OF THE ABOVE 'equation' THUSLY THIS Recently OBTAINED ENTIRE WHOLE "SECOND" HUGE MONSTER 'algebraic expression' Was "SUBSTITUTED" AS PER THIS CPA Almost MBA INTO THE "delta that" AS 'being' WITHIN THE "FIRST" EQUATION AS ABOVE AND AS FURTHER Requiring A Tremendous AMOUNT OF 'algebra skill' as per thusly 'reducing' ALL AS ABOVE AD-INFINITUM AS PER OFFICIALLY "BEING" AS TO "delta this" AT THE LEFT SIDE OF THE "HIDEOUS" EQUATION AS ABOVE. (the original second equation was directly under the first and possibly was partially greatly magnified and increased with a portion of the second as placed and covering the entire small lined paper in contra-distinction to original least squares calculations as per on big spaced line school paper as above as before as above ad-infinity) HENCE THE Applications 'solution' Was Arrived At With A "USABLE" EQUATION TO PLUG INTO THE 'least squares' Box With The Closest Previous Reasonable 'answer' AS The Possible first or second variable per Box AS ABOVE (quite probably this mba was layering the least squares method at least three high once for optimum delta this, once for optimum delta that, and finally once for pivotal factor minimized net income as commonly referred as simply net loss)

EVENTUALLY AFTER LOTS AND LOTS AND LOTS OF NUMBER CRUNCHING AS ABOVE, The ABSOLUTE Best ANSWER WAS "OBTAINED" FOR "delta this" AS ABOVE AND Simply Plugging THIS "delta this" INTO The "SECOND" EQUATION MOST OBVIOUSLY "PRODUCED" The "OPTIMAL" ALTERNATE variable "delta that" AS "BEING" The "AMOUNT" Of The sought out offsetting Accounting Entry AS ABOVE IN ORDER TO 'calculate' The OBVIOUSLY APPARENT Almost Worst Disastrous 'case' "SCENARIO" AS POSSIBLY REASONABLE most likely "NET LOSS" FOR THE Period AS "BEING" AS ABOVE AS 'being' As "\$ 30,590.00 NET LOSS" AS PER CPA LIQUIDATOR'S 'keen memory'

WELL, OKSANA BAIUL, ELIZABETH HILDEN And LE ANN RIMES, The ABOVE Discussion WAS 'for the purpose of' INTRODUCTION INTO COURT FOR EVENTUAL 'analysis' in order to "PROVE BEYOND A SHADOW OF A DOUBT" AS PER THIS PRESENT CPA FOREIGN BANK LIQUIDATOR IS ABSOLUTELY 'correct' THAT THE SON OF FORMER Vice President Of IBM AS "BEING" DEFINITELY "GUILTY OF FRAUD AND RACKETEERING" AS MOST 'provable' IN A "COURT OF LAW" or 'possibly a kangaroo court is that is all that there is in america at this present time'. The "RAT BASTARD" WAS GENERALLY APPARENTLY 'siphoning out about' "TWENTY GRAND" PER ANNUM 'over the' MOST PRESUMED "ANNUAL INCOME" AS PER 'silver refinery' AS 'calculated' 'based upon' THE OFFICIAL EXPECTED 'income' AS SUPPLIED AS A "%" OF WHICH THIS CPA MOST BLINDLY 'accepted' The ABOVE Immediate AS FACT AND HENCE EVENTUALLY MADE THE RECORDS CORRESPOND BASICALLY AS PER 'making' DAD HAVE AN INCREASED "INCOME" OF "FIFTY THOUSAND DOLLARS" OR POSSIBLY MORE 'income' AS PER YEAR PER CONSOLIDATED FERTILIZER "INCOME" UNTIL WHEN The 'hunt's fiasco' OCCURRED IN MARCH 1980, The "RAT BASTARD" 'became openly dishonest' BUT WOULD NOT 'allow' THIS CPA ACCESS TO CONFIDENTIAL "RECEIVABLES/PAYABLES" Files FOR THE EVENTUAL 'finding out' The REAL "REASON OR PURPOSE" FOR OBVIOUS APPARENT Crooked 'deals' AND "TWO YEARS" plus LATER, The "RAT BASTARD" Tried To "KILL" HIS 'refining foreman' IN A "999" OR "CYANIDE WASH" 'room' FOR 'refining silver' AS IN BOTH CASES AS ABOVE, ANY "EXTENDED TIME" WITHIN SUCH ROOM AS ABOVE WITH 'deadly fumes' WILL DEFINITELY "KILL" ANYONE OR ANYTHING INCLUDE OF COURSE "RAT BASTARDS" OF ALL KINDS; AS SUCH "REFINING FOREMAN" AS ABOVE WAS LOCKED THEREIN AND "SELF-CONFESSEDLY" TO MORE THAN ONE 'fellow employees' AS FOLLOWS IN COMMON VERNACULAR: "WOULD HAVE DIED HAD NOT A "SLEDGE HAMMER" BEEN IN THE ROOM

TO KNOCK DOWN The 'metal door' AS SO REPORTED AS ABOVE AND THE SAME Identical "RAT BASTARD" AS ABOVE Knew THAT SUCH TRUTH AS CONSTANT 'siphoning' MIGHT BE "EXPOSED" IN COURT AS THE "RAT BASTARD" IN 1982 ONLY "PLANNED ON UTILIZING" A "FALSE VIDEO TAPED RECORDED" 'lying' "ACCUSATION" TO ACCUSE DAD OF 'alleged' "THEFTS" OR 'theft' IN ORDER TO COVER UP HIS MASSIVE 'cheating of many silver customers' 'amounting to' REPORTEDLY AS PER 'our private investigator' "180,000 TROY OUNCES OF SILVER" ASSUMEDLY "THREE MILLION DOLLARS" 'as per this cpa's professional estimate', AND SUCH "RAT BASTARD" "FIVE YEARS" LATER Worked With BOTH The 'irs' AND "FBI" TO MASSIVELY 'cheat' DAD; First IN COURT AND THEN OVERSEAS WITH AN 'fbi' 'hired professional swindler' Either "KILLED" SHORTLY AFTERWARDS AS ASSUMING THE 'news reports' 'are true' OR ELSE The 'swindler' IS STILL "ALIVE" AND 'living' "HIGH ON THE HOG".

AS SUCH, UNFORTUNATELY GREEDY MISTRESSES ARE NEEDED IN ORDER TO 'help catch' The "RAT BASTARD" BY PROVIDING THE LEGALLY ACCEPTED 'alleged' RELATIONSHIP THAT SUPPOSEDLY A 'mistress master' 'exerts an evil undue influence upon such' GREEDY MISTRESS(ES) BY 'forcing' SUCH GREEDY MISTRESS TO LEGALLY 'channel' HUGE "SUMS OF FUNDS" TO ONE OR MORE OF THIS CPA LIQUIDATOR'S 'foundation(s)' WHICH EVENTUALLY SHORTLY THEREAFTER "DIRECTS" The "FUNDS" TO OTHERS THAT 'hate the racketeers' in order to legally harass anyone who 'protects frauds and racketeers' IN ORDER TO FINANCIALLY "DEBILITATE" 'the bad guys' AS IN THIS CASE AS "BEING" The Whole ENTIRE "SYSTEM"; AND ASSUMEDLY SUCH GREEDY MISTRESSES ABSOLUTELY "DO NOT APPROVE OF THE EVIL ACTIVITIES OF THE RACKETEER(S)" And Accordingly Are "WILLING" TO ASSIST AS ABOVE.

OF COURSE THE LEGAL RICO Technical Rule is That If There Exists Just "ONE" SUCH GREEDY MISTRESS WHO CANNOT "BE PROSECUTED", Then Absolutely "NONE" OF THE GREEDY MISTRESSES CAN BE "PROSECUTED" WHICH IN THIS CASE IS PRESUMEDLY Little "ATHINA ROUSSELL" OF SWITZERLAND WHO First Is The OFFICIAL ADMINISTRATOR OF THE "SWISS NATIONAL GOVERNMENTS" "FIVE HUNDRED MILLION DOLLARS" AS "PROMISED" AS PER PRESENT CPA FOREIGN BANK LIQUIDATOR OF WHICH THE "SWISS GOVERNMENT" AS ABOVE WILL UNDOUBTEDLY 'collect' AS "BILL GATES" IS "NOT A DUMMY" AND ALL IS CPA/MBA ARRANGED FOR SAME BILL GATES AS ABOVE TO CONTROL AND DIRECT THE 'alleged' TRIAL WITH MOST EVERYTHING ALL ARRANGED FOR ORDER OF COURT INTRODUCTION And HOPEFULLY BILL GATES ALREADY HAS Approximately "ONE THIRD OF ALL OUR RECORDS" AND VERY FAIRLY LEGALLY BY Indirect CPA LIQUIDATOR EXTENDED Contractual "PROMISE" WILL MOST LIKELY HAVE "ALL RECORDS" EXCEPT THE HIDDEN "OVERSEAS FOREIGN BANK AUDIT RECORDS" WHICH EVENTUALLY WILL SHOW THAT ALL THE REMAINING "FUNDS" AS "BELONGING" First To DAD AS A PORTION OF FOREIGN BANK 'assets' WITH ABOUT "ONE THIRD" OF ALL STOLEN BY "SECOND RAT BASTARD" AS "BELONGING" TO MRS. RAYMOND MICHAEL OF PORTLAND, OREGON; An approximately "80 YEAR OLD CATHOLIC WIDOW" AS LAST REMAINING UNPAID DEPOSITOR AS PER DAD'S FOREIGN BANK WHOSE HUSBAND upon ENQUIRY BY THIS CPA IN 1982 AS 'retired', 'replied in person has having made his' "MONEY" IN 'offshore oil drilling wells'.

OBVIOUSLY, BILL GATES IS BEING PRESSURED TO BREAK UP "MICROSOFT", Supposedly For alleged 'anti-trust violations'. SUCH IS NOT NECESSARY OR EVEN DESIRABLE AS JUDGE "THOMAS PENFIELD JACKSON" IS SORT OF BETWEEN A ROCK AND A HARD PLACE AS Indirectly Will "GO TO THE SLAMMER" WHEN THE "RAT BASTARD" IS CAUGHT IN COURT BY BILL GATES As 'catching' The "RAT BASTARD" Using The Nitwit, Numschull, Super Brainy CPA AS "BEING" THIS CPA AS SUCH AN "ABSOLUTE DUMB SHIT" 'as being too stupid to catch the' THIEVING RAT, 'assuming he was honest and a sort of elder brother to look up to as was the case'; 'but contra-distinctively at the same time and later as so very smart and brainy to 'reduplicate the silver refining record' AS HAVING KEPT ALL ESSENTIAL NECESSARY "SUMMARY FORM SOURCE DOCUMENTS" as well as ALSO Technically CPA LIQUIDATOR Proficient TO PUT TOGETHER A PERFECT RICO LAWSUIT 'with all appropriate necessary legal contractual wording per contracts and bills of sale' OF WHICH SUCH RICO CANNOT GET "REFUSED AND/OR DISMISSED" FROM COURT; ASSUMING FIRST SOME 'assistance' FROM DORIS DAY AND FRIENDS AS MOST LIKELY TO 'receive sixty percent' OF "ALL CPA LIQUIDATOR'S FUNDS" AS PLACED THERE BY MORE THIEVING "FBI" 'rats', who know they are "GUILTY" 'as hell' AMOUNTING POSSIBLY TO "SIX HUNDRED TRILLION DOLLARS" 'due to the number and size of certain' BILLIONAIRES LIKE

BILL GATES And WARREN BUFFET ALONG WITH A 'trillionaire' as inheritor of "GOLDSMITH'S" 'wealth' WITH 'sixteen more super wealthy that include one or more dictators'.

SHOULD BILL GATES BUY THE REMAINING 'video assets' OF "VIDEO CLASSICS" FOR AT MOST "\$ 35,000", There Will BE approximately PER CPA Estimation AS PER 'trillionaire' who owns 'sixty three percent' OF THE "BANK OF PARIS" APPROXIMATELY "THREE HUNDRED SIXTY TRILLION DOLLARS" OF "GOLD BULLION" BEHIND MICROSOFT OF WHICH "FOUR SUCH LARGE FOREIGN BANKS" WILL MOST LIKELY CONCLUDE TRIAL SHOWING THAT THE UNITED STATES AS WELL AS PROBABLY MOST OTHER "WORLD CENTRAL BANKS", MOST ALL OFFICIALLY "MASS COUNTERFEIT" AND PRODUCE WAY TO MUCH PAPER MONEY WHILE THEY CONTROL POSSIBLY "90 %" OF ALL "GOLD BULLION RESERVES" IN THE WORLD DUE TO CONSTANT "killing" BY THE CENTRAL INTELLIGENCE AGENCY AND MOST LIKELY ALSO MOST ALL OTHER "WORLD SPY AGENCIES".

CATCHING SUCH MURDERING, COUNTERFEITING "RAT BASTARDS" IS ONLY AN Incidental "RESULT" OF A RICO LAWSUIT AGAINST THIS CPA LIQUIDATOR'S "EX-BROTHER-IN-LAW" And OBVIOUSLY SUCH "MONSTER KILLING SUPER-CHEATS" GENERALLY NEVER EVER GET "CAUGHT" AS ESSENTIALLY THEY OWN AND CONTROL ENTIRE "GOVERNMENTS" INCLUDING The UNITED STATES OF AMERICA AS WELL AS ENGLAND, RUSSIA AD-INFINITUM EXCEPT CERTAIN COUNTRIES WITH STUBBORN DICTATORS WHO DO NOT GIVE IN TO THEIR "CONNIVINGS" AND KEEP MOST LIQUID FUNDS IN "GOLD BULLION RESERVES" OF WHICH THE ABOVE 'jew bankers' 'as hassling the world' IN THE END 'have' Direct and Indirect Ties TO THE QUEEN OF ENGLAND AS SUCH KINGS 'hundreds of years ago' 'became indebted' TO SUCH SUPER DUPER WEALTHY "ROTHSCHILDS" THAT SUCH QUEENS And Their NEAR Distant Relatives Like The "BUSH FAMILY" And BILL CLINTON 'as thrice removed cousins of the' QUEEN AS ABOVE 'assist such wealthy' "JEWISH BANKERS" At Doing Their Every Bidding IN ORDER TO "SOLIDIFY WORLD CONTROL", POSSIBLY 'causing' "WAR AND/OR/Or/or TERRORISM" ON A LIMITED SCALE in order to increase their respective control over "MONEY AND CREDIT" 'possibly also causing an occasional murder as per bush as above or quite a few nasty ones as per clinton some to just cover up a lots of miscellaneous sexual escapes'

Well This CPA LIQUIDATOR DEEP DOWN does not care who controls "MONEY AND CREDIT" as long as "AM" PERSONALLY 'able' 'to pursue even' "MINOR BUSINESS INTERESTS", But SUCH IS NOT CURRENTLY POSSIBLE WITH THE GOVERNMENT'S AND COURT'S 'vindictive attitude' TOWARDS MOST ALL "TRUSTS". AS SUCH THIS CPA LIQUIDATOR IS FORCED TO PUT TOGETHER A HUGE MASSIVE MONSTER RICO LAWSUIT AND INCLUDE MOST EVERYONE EVEN FROM LOTS OF DIFFERENT NATIONS BECAUSE AS UNIFORMLY LOTS AND LOTS OF PEOPLES FROM LOTS OF NATIONS are "BEING" RUN OVER AND CHEATED IN THEIR CONTEMPT AND PRIDE TO GAIN GREATER CONTROL OVER "MONEY AND CREDIT";

WITHOUT GREEDY MISTRESSES, PRESUMEDLY The Most THAT MICROSOFT COULD GET via Indirect LEGAL 'means' VIA THIS CPA LIQUIDATOR Might Be "THIRTY TRILLION DOLLARS" MORE OR LESS AND SUCH MIGHT NOT BE ENOUGH FOR BILL GATES TO TAKE THE HEAT TO GO AFTER The 'racketeering' "RAT BASTARD", SON OF FORMER Vice President OF IBM, MICROSOFT'S 'archrival, nemesis and chief competition' AS WELL AS IT PROBABLY WOULDN'T DO ENOUGH FINANCIALLY DEBILIATING DAMAGE TO SYSTEM RUNNERS AND ASSUMEDLY WOULD NEVER EVEN CLEAN OUT THE UNITED STATES BANKING SYSTEM OF IT'S "GOLD BULLION RESERVES" WHICH MIGHT APPROXIMATE AT "300 TRILLION" AS JUST GENERALLY ESTIMATED BASED UPON ALL THE STOLEN FROM JAPAN IN 1945 AND INDIA IN THE 1950'S ETC AD-INFINITUM BASED UPON THE EX-CIA 'trillionaire's' INFORMATION, 'mostly gained as a former head of the cia was certain the bigwhigs were poisoning him and turned over the most top secret confidential cia files of all gold certificate thefts as well as top secret fbi files on the congressmen and senators'; 'hey what the heck does the fbi need files on our leaders for, or even jfk,jr for that matter'

AS SUCH YOU CAN SEE THAT SOMEHOW LOTS OF GREEDY MISTRESSES ARE 'needed to' "ASSIST" A CPA LIQUIDATOR BY 'self saying' AS FOLLOWS: 'I don't like a rat bastard taking advantage of someone, possibly a cpa with past mental problems whohad a complete nervous breakdown at age 23, only one week after passing the 1976 cpa exam' so therefore AS FOLLOWS: "I WILL HELP SUCH A CPA LIQUIDATOR AND TAKE ALL THE ALLOTTED "LEGALLY CONSPIRED LEGALLY STOLEN FUNDS" 'as they are generated first by all the' "BILLIONAIRES" 'printing and

insuring' "RICO LAWSUITS" 'as they are insured mostly from overseas sources' as they come from official recipients of cpa liquidator "FINANCING LETTERS", as seeking such funds in exchange for say a 'two million dollar promise' as "BEING" 'the lowest denomination amount if cpa liquidator promise amount as given' AS BASED FIRST UPON THE LAW PROFESSORS GUIDELINES AND SECONDLY ON DAD'S 'remaining assets' BASED UPON THE ANTICIPATED "AMOUNT OF CPA LIQUIDATOR GENERATED FUNDS" FROM DAD AND THIS CPA LIQUIDATOR'S 'official legal printing of' "RICO LAWSUITS", NOT 'counting any outside other' "BILLIONAIRES" AS DAD WAS ONLY A QUASI-BILLIONAIRE IN A TECHNICAL OVERSEAS LEGAL 'sense based upon the number of millionaires as putting their property into trust with dad as eventual head of' SUCH TRUSTS AS "VIDEO CLASSICS" WITH OF COURSE AS ABOVE, THIS CPA Indirectly LEGALLY Directing SUCH DICTATORS AND SUPER WEALTHY 'to sort of' LEGALLY 'bribe' SUCH FINANCING 'letter' "RECIPIENTS", ASSUMING SUCH 'recipients' are not aware of the "MERITS OF THE RICO CASE" AND HOW ACTUALLY 'winnable' IN COURT 'the case is' AS ABOVE AS BEFORE AS ABOVE AD-INFINITUM; AND OBVIOUSLY THE FBI AS "CAUGHT" WILL ABSOLUTELY HAVE TO 'steal' ABSOLUTELY 'every' "RICO LAWSUIT" AS 'printed' AS THE BAD GUYS AS PER SAME LAW PROFESSOR AS ABOVE, WILL ALWAYS WANT THE FIRST OUT AND SAY AS FOLLOWS" "WE JUST CAN'T LISTEN [SAID REAL PIOUSLY] TO THIS RICO LAWSUIT BECAUSE NOT EVERYONE HAS BEEN 'served' [with his official copy, as just somehow they did not all get delivered to all the defendant parties, piously as they know that the fbi stole their copy along with all the others filling the ups truck; so that most likely the fbi etc will flash their badge at the ups truck and stop its delivery of rico lawsuits and steal two billion dollars per truck at most likely about one truck every second with microsoft, intel and everyone else all printing rico lawsuits against the system rats]

WELL THE OUIJA BOARD IN 1967 PREDICTED THIS NOW CPA TO SOMEDAY HAVE "TWO TRILLION DOLLARS" making it in "BEER, BANKING, BOOKS, COMPUTER SOFTWARE, ENERGY etc AND VIDEO" AS BASED IN BRANDON AS HAVING BEEN "VIDEO CLASSICS" IN 1986 THROUGH 1988; AND OF COURSE GAVE SOME strange ANSWERS SUCH AS HAVING FIVE WIVES WITH NOTABLY The Fifth AS BEING "HENRIETTA GUINNESS" ASSUMEDLY ONCE RELATED TO THE GUINNESS BREWERIES OF DUBLIN, IRELAND WHO REPORTEDLY YEARS AGO WENT INSANE AND Died Possibly in the 1960's and that this CPA WOULD MEET SUCH A PERSON AS HENRIETTA GUINNESS IN AN INSANE ASYLUM; BUT THAT AN INDESCRIBABLE MIRACLE WOULD HAPPEN AS ACCOUNTING FOR THE REASON THIS CPA GETS SO RICH AS HAVING SUCH "TWO TRILLION DOLLARS"; OBVIOUSLY THIS CPA LIQUIDATOR Is Greatly Distressed And Overworked and feels undoubtedly that this CPA WILL BE DRIVEN INSANE BY THE LIEING RAT BASTARD, SON OF A BITCH RACKETEERING, SON OF FORMER VICE PRESIDENT OF IBM WHO EXPECTEDLY WILL BE PUT IN PRISON IN ELBA AS THE OUIJA BOARD PREDICTED AS MOST LIKELY JESUS DOES NOT APPROVE OF HIS ARROGANT Criminal activity and this CPA'S Former Past Relationship and "LOVE FOR JESUS" ONCE CULMINATED AT AGE 19, A LITTLE over a year after the enclosed 'photo' TO OKSANA OF THIS CPA Accidentally Dieing and almost making it to most likely "HEAVEN" OR THE 'center of the universe' MORE LIKELY AT WHICH A WHITE FLASH OF LIGHT CAME BARRELLING DOWN THE TUNNELS AND CAUGHT THIS "CPA'S SOUL" LIKE A "RAT IN A TRAP" ONLY TO GET SCRATCHED ON THE "SOUL'S MIND" AS FOLLOWS: "IT'S NOT YOUR TIME, YET" AND AFTER A COUPLE SECONDS TO COMPREHEND THE "FINGER OF GOD" PUSHED WITH SUCH TREMENDOUS INCREDIBLE FORCE UPON THIS "CPA'S SOUL" AS WAS IN ONE SECOND FLAT PUSHED ACROSS THE UNIVERSE AND THIS "CPA'S SOUL" WAS PUT BACK INTO THIS "CPA'S BODY" 'with assumedly the entire trip as above taking about thirteen seconds as well as most likely entirely probable at re-repetition possibly after some stinking snob in court blew this cpa's brains out with a gun with possibly another second for the finger of god to put the head back together' 'so that you comprehend the power of god going against some rat bastard smart ass son of a bastard-bitch that thinks he can defy almighty god and damn his soul to eternal perdition and damnation of hell as the fucking rat bastard did in court- see enclosed court transcript excerpt'

ASSUREDLY THAT SOUNDS INCREDIBLE; BUT IT IS ABSOLUTELY TRUE WHICH PRESUMABLY PUT THE 'irs', "FBI" And "RICH JEW BANKERS" IN A WHOLE LOT OF TROUBLE AS THE "FINGER OF GOD" HAS A WHOLE LOT MORE POWER THAN ALL OF THE COMBINED ABOVE TOGETHER, 'most likely enough power to push a rat bastard racketeering son of bitch all the way to hell, more probably a one second thrust straight down'

WELL THE OUIJA BOARD ABSOLUTELY Definitely SAID THAT THE THIRD WIFE WOULD BE VIOLETTA YERMAKOVA AS THIS CPA'S Older Sister, 'once married to the' "RAT BASTARD", JUST LAUGHED AND LAUGHED AT SUCH AN ODD NAME LIKE VIOLETTA OF WHICH THIS CPA HAS NOT BEEN ABLE TO HEAR FROM HER AS FOLLOWS: PRESUMABLY THE FBI STOLE THE DECEMBER 1997 'first \$ 100 (one hundred dollar) money order seeking addresses of a number of russian gals, including violetta' AND 'secondly a may 1998 letter forgot to include the street address numbers' AND 'third a may 1999 letter in english was most likely not readable by someone with poor english and hence no response' OR ELSE THE FBI And/Or/OR KGB stole the letter as the "JEW BANKERS" KNOW THIS CPA IS PUTTING TOGETHER A RICO LAWSUIT, now for all practical purposes complete minus a little photo-copying and some contract modifications; AND 'fourth had tried to contact a' "RUSSIAN TRANSLATOR" locally but she works three jobs at once and never could contact her though actually trying about six Sunday afternoon's in a row and just gave up

INITIALLY THIS CPA thought that most any gal, possibly a prisoner would do for a wife; but only had three letters with such a prisoner and either the prison officials would not deliver the fourth letter as this cpa explained first as to the prediction of having two trillion dollars and that this cpa would definitely drive a sledge hammer right through the fucking brains of all judges who sided with the racketeering rat bastard son of a bitch; and/or she was embarrassed to describe her credit card fraud former criminal activities of which it seems to this cpa that the greater shame is taking something that doesn't belong to you; as this cpa has lived with parents with a fair amount of wealth and presently lives flat broke and occasionally buys clothes at goodwill; this cpa generally does without; it is no shame to wear clothes from goodwill, though it may look a little shabby, if not properly dry cleaned.

WELL, The OUIJA BOARD AS ABOVE GAVE MORE WILD AND CRAZY ANSWERS SUCH AS EVENTUALLY HAVING FIFTY MISTRESSES And Seventy Five Kids WITH MOST ABSOLUTELY AS RECALLED A Number ONE AS CINDI BIGELOW, APPARENTLY MARRIED AND WITH KIDS OF R.C. BIGELOW, TEA, INC. AS PRESUMABLY Real Super Cute Like MRS. BILL GATES; well this CPA 'sent' "CPA PAPERWORK" TO THE HOME OF CINDI BIGELOW FOR BEING THE REPRESENTATIVE HEAD FOR THE INITIAL INTRODUCTORY MAIN PLAINTIFF AS 'being' INVESTOR "STOCK" TO BOTH MAKE SURE THAT ALL UNITED STATES STOCKHOLDERS GET THEIR FAIR SHARE 'in liquidation' AS WELL AS TO ACCUSE UNITED STATES BANKING OFFICIALS AS PER/OF "MASS COUNTERFEITING" ; APPARENTLY SHE DID NOT READ The "CPA PAPERWORK" AND ONLY SENT IT BACK, ASSUMING THIS CPA JUST A KNOT-HEAD KOOK, PROBABLY SAYING TO HERSELF, IF YOU HAVE A LEGAL 'problem', 'just go to ' "COURT"; THAT'S FINE FOR HER TO SAY AS A RICH MULTI-MILLIONAIRESS, BUT HOW DO YOU DO IT, WHEN YOU FIRST HAVE TO PUT AT LEAST 'sixty judges, two fbi agents, a half dozen or more united states attorneys and lots of irs agents' ALL AS ABOVE AS BEFORE AS ABOVE AD-INFINITUM 'in the slammer' " PRISON FIRST! SUCH CAN ONLY BE DONE WITH ENOUGH GREEDY MISTRESSES 'as assisting a cpa foreign bank liquidator' AS TH E JUDGES ETC WILL NEVER ADMIT THEY MADE A TERRIBLE MISTAKE!

Well, SUCH 'stupidity' ON THE PART OF CINDI BIGELOW, CUTE AS SHE IS AS POSSIBLY THE 'cutest gal in the usa' prompted this cpa liquidator to consider as follows: 'who else is real super cute and brainy too, to handle the case' AND WELL OF COURSE, "MELINDA GATES" AS THE ONLY OTHER PERSON THIS CPA LIQUIDATOR COULD THINK OF AND ACCORDINGLY JUST SLIGHTLY MODIFIED THE ABOVE CPA PAPERWORK TO ALSO INLCUDE MELINDA GATES AS BEFORE CINDI BIGELOW TO HANDLE INVESTOR "STOCK" 'to make sure that 'stockholders get their fair share' AND ARE NOT CHEATED; AND SOMEWHAT LATER THIS CPA LIQUIDATOR "CONSOLIDATED" INVESTOR "STOCK" FOR WARREN BUFFET TO TAKE THE LEAD WHICH DUE TO EARLIER CPA/MBA PAPERWORK 'freed melinda gates to swap job responsibilities with her husband so that bill gates could freely move around and take control of the liquidating affairs' WITH ALSO SUB-SET Z) AS PER CONSOLIDATED INVESTOR "STOCK" AS "BEING" OKSANA BAIUL ET AL AS "SPARROWS"/ 'ice skaters', LATER TO BECOME "DOES" IN CONSOLIDATION WITH BOB JONES UNIVERSITY ET AL AS OFFICIALLY "PERMITTING" ALL 'formal plaintiff' "ACCESS" AT TRIAL WITH BILL GATES AS ABLE TO JUST ABOUT 'jump around anywhere in the proceedings'; seeing that "O.J. SIMPSON" WAS INCLUDED IN SO MANY DIFFERENT "CONSOLIDATIONS" WITH MICROSOFT AND/OR/OR BILL GATES AS ALSO INCLUDED IN SEVERAL OTHER CONSOLIDATIONS AS PER PRESENT CPA FOREIGN BANK LIQUIDATOR.

Well Seeing That WARREN BUFFET WAS SUCH AS ABOVE FOR INVESTOR "STOCK"

PROMPTED THIS CPA LIQUIDATOR To Prepare Further ADDITIONAL CPA PAPERWORK FOR ABOVE Immediate AS ALSO "BEING" AN OFFICIAL LEGAL CONSPIRATOR SO THAT WHEN MICROSOFT Corporation GETS The Very 'nasty computer diskette' THAT ONE OR BOTH Nephews Assist In Delivering To The 'typesetter' WHOSE LETTER CONTRACT Was Stupidly Forgotten To Be 'corrected' AS PER ALL OFFICIAL 'contract provisions' AS PER THIS CPA LIQUIDATOR ALL BY MISTAKE AND TOO LAZY TO CORRECT BECAUSE OBVIOUSLY BILL GATES AND WARREN BUFFET AS MOST LIKELY TWO RICHEST IN THE USA JUST NEVER RUN OUT OF PAPER, INK COMPUTER AND PRINTERS AND COULD MOST LIKELY EACH 'set up' "ONE MILLION PRINTERS" EACH AS SUGGESTED AS PER THIS CPA LIQUIDATOR AND SORT OF LIKE HAVING SPECIAL PERMISSION TO PRINT ALL THE MONEY THEY WANT Till DAD IS FLAT BROKE PRINTING And 'insuring' FROM OUTSIDE SOURCES AS NECESSARILY REQUIRED 'through issuance and sending massive amounts of overseas financing letters' 'and of course sicing other foreign bankers to provide the funds to the recipients as above ad-infinity' FRONTING MONEY FOR INSURING RICO LAWSUITS ALL AS LEGAL CONSPIRATORS JUST IN CASE THE SYSTEM Demands 'busting up' MICROSOFT Corporation; THEY IN RETURN AS ABOVE COULD GIVE THE SYSTEM IT'S LEGAL 'shit kicking' FOR 'being' DUMB ENOUGH TO WORK WITH AND 'conspire' WITH THE BIGGEST irs "SUPER-CHEAT" IN THE WORLD TO RUN OVER A FOREIGN BANKER, DAD EVEN IF DAD WAS JUST A LITTLE SMALL FRY AS COMPARED TO THE BILLIONAIRES AS ABOVE.

OF COURSE THE SYSTEM ONLY GETS IT'S OFFICIAL LEGAL 'shit kicking' PROVIDED THAT "DORIS DAY" AND HER Co-Movie Star Friends AS MOVIE STAR BONUS WINNERS AGREE TO HELP AND GIVE A TITHE OF ALL THE FUNDS THEY GET FROM ABOVE'S MONSTROUS MASS 'printing' OF RICO LAWSUITS AND MOST ASSUMEDLY AS ABOVE NOT A REAL BIG 'kick; SO IT APPEARS THAT LOTS AND LOTS OF At Least Temporary GREEDY MISTRESSES AS 'being' AS FOLLOWS: 'I'll help this cpa liquidator until he gets want he wants as being a little justice and a return of stolen assets and damages etc ad-infinity' WHICH IN THIS CASE IS MORE THAN SUFFICIENT WITH POSSIBLY ONE OR MORE GREEDY MISTRESSES getting something for someone else on the side and/or for themselves, even if it is only a little more FAME FOR 'being' INVOLVED IN THE 'venture'.

WELL EXPECTEDLY MELINDA GATES AS MOST LIKELY EVENTUALLY MEETING CINDI BIGELOW AS ABOVE AND MORE THAN LIKELY AS PROBABLE JUST AS FOLLOWS: 'twisting her arm to force her to make sure everyone helps' AS PROBABLY ALSO SAYING AS FOLLOWS: 'bill has worked hard all his life building up' MICROSOFT AND 'he does not want it to get busted up' AND MORE THAN LIKELY AS FOLLOWS: 'see what you can do to make sur you gals cooperate with that crazy insane cpa liquidator'.

IF THIS CPA COULD HAVE ONLY ONE WIFE AND NO 'girl friends', THIS CPA WOULD CHOOSE VIOLETTA AS ABOVE; BUT SUCH IS HARDLY POSSIBLE WITH GOVERNMENT 'bureaurats' STEALING OUR FAMILY'S ASSETS SO MUCH THAT THIS CPA IS FLAT BROKE AS WELL AS ALSO MOST LIKELY 'lacking' 'common sense' AS THIS CPA DOES NOT KNOW RUSSIAN Or GERMAN; AND VIOLETTA HAS VERY POOR ENGLISH, MAYBE NONE AT ALL; BUT SEEING THAT THIS CPA PUT CINDI BIGELOW AS NUMBER ONE GREEDY MISTRESS, THEN IMMEDIATELY THIS CPA MADE VIOLETTA AS NUMBER ONE FIANCE AND 'changed her payback to the' FOUNDATION TO '10 %', Like The 'movie stars' AND INSTANTLY 'figured' the population OF ST PETERSBURG, RUSSIA AT 4.7 MILLION SO THAT IT WOULD FEASIBLY BE POSSIBLE FOR VIOLETTA TO 'give' TO ABOUT EVERYONE IN ST PETERSBURG, RUSSIA "TWO MILLION DOLLARS" EACH SO THEY ALL COULD BUY GOLD AND 'hide' IT FROM THE "KGB" AS THE 'people of russia' DESERVE MORE THAN JUST GETTING RUN OVER BY GREEDY 'jew' CENTRAL BANKER'S 'manipulation' of the 'ruble' AND CHEATING ALL AS ABOVE "RUSSIAN SAVINGS DEPOSITORS" AS WELL AS A WHOLE LOT OF RUSSIAN BANKS AS 'put out of business' BY ALL ABOVE 'practices'.

OF COURSE THIS CPA DID NOT WATCH THE OUIJA BOARD VERY CAREFULLY AS AT AGE 14; AS ONE IS HARDLY CONCERNED ABOUT MISTRESSES BUT POSSIBLY 'wondering about future kids', if any AND AFTER THE FIRST "TWO WIVES" REPORTEDLY HAD NONE, THIS CPA'S 'heart sort of suck to the toes', thinking AS NO ONE WILL BE AROUND AFTER 'being' 'dead and gone' AND PRESUMEDLY OKSANA BAIUL WAS MOST LIKELY THE Next Name AS PER ABOVE MISTRESS LIST TILL ABOUT SIX WERE NAMED AS SISTER WAS TOO DISGUSTED TO

BOTHER ASKING ANY MORE QUESTIONS, EXCEPT AS 'follows': AND VERY RELUCTANTLY AFTER MUCH COAXING AND SHORT PRAYER TO JESUS 'as this person was a somewhat new christian as by conversion', The OUIJA BOARD RESPONDED AND SAID 'who was behind the ouija board giving it its powers' AND IT SPELLED OUT "DEVIL" AND THE PIECE ON THE BOARD WENT WILD 'and flew across the room like a bat out of hell' 'and hit the top left corner of the hawarden home's living room closet door'; MOST PROBABLY THOUGH THE ONLY 'person' THIS CPA LIQUIDATOR WOULD EVER BE COMPATIBLE WITH WOULD BE "HENRIETTA GUINNESS" For The FOLLOWING 'reasons': INVARIABLY THIS CPA LIQUIDATOR WHENEVER THINGS ARE GOING EITHER REAL GOOD OR REAL BAD WILL DRINK A BIT TOO MUCH GUINNESS STOUT BEER AS FOLLOWS:

Approximately, December 23, 1995 AFTER The RICO LAWSUIT WAS COMPLETED, BUT BEFORE 'putting' THE EVIDENTIARY MATTER IN ORDER, And Immediately AFTER FINISHING A SHORT BRIEF OUTLINE OF A POSSIBLE Movie Script Idea AS PER The CROOKEDNESS OF THE EX-BROTHER-IN-LAW; THIS CPA LIQUIDATOR WENT AND BOUGHT A BUNCH OF GUINNESS STOUT BEER AND KNOWING MOM'S CONSTANT GLOATING THAT THE EX-BROTHER-IN-LAW RAN OVER OUR FAMILY AND THERE BEING NOTHING WE CAN DO, IN HER FALSE DELUDED MIND, THIS CPA LIQUIDATOR WENT AROUND AND AROUND The Various farm mile sections very near home 'DRINKING GUINNESS' STOUT UNTIL QUITE INEBRIATED AND OBVIOUSLY MAD AT THE WORLD AND 'being' approximately three-fourths of a mile from home veered to close to a cement culvert and got sucked into the ditch at presumably forty miles per hour and wrecked and rolled and smashed and totaled DAD'S \$ 1,500 Nissan Car [well at least it wasn't a mercedes as per your case] and was knocked unconscious for six hours and woke up with no windows in the car, no eyeglasses to be found and drunk out of this CPA LIQUIDATOR'S MIND and probably should have died without a seatbelt, roof somewhat flattened and amazingly not totally cut to shreds by all the barbed wire fence the car ran over for two hundred yards completely taking out the cattle fence AND THIS CPA LIQUIDATOR awakened by a passing motorist offering no assistance on the gravel road, FINALLY DRAGGING SELF OUT OF THE DRIVERS CAR WINDOW OR SUNROOF, CONFUSEDLY MANAGED TO TAKE A THIN BLANKET AND WANDER CONFUSEDLY TO THE MIDDLE OF A SOYBEAN FIELD, TOTALLY DAZED AND HAVING ABSOLUTELY NO RECOLLECTION OF WHERE ON EARTH THIS CPA LIQUIDATOR WAS, HAVING FORGOTTEN EVERYTHING WITH A HUGE GOOSE-EGG SIZED BUMB ON THE HEAD EXACT SAME SIZE AS ATTEMPTED SUICIDE AT 23; AND LAY IN THE FIELD ALL NIGHT WITH THE THIN BLANKET IN 20 DEGREE WEATHER TWO DAYS TILL CHRISTMAS TILL MORNING WHEN CONFUSEDLY FOUND HOME LESS THAN ONE MILE AWAY AND AND A HELL OF A WAY TO SPEND THE DAY BEFORE CHRISTMAS 'mad as hell at that fucking' ROBERT HOFF. SO YOU SEE, THIS CPA LIQUIDATOR HAS SERIOUS PROBLEMS DEALING WITH OPPRESSION AND CONSTANT THIEVING OF COURT RATS WORKING WITH A RAT EX-RELATIVE AS ABOVE AD-INFINITUM TO STEAL FROM OUR FAMILY.

IN THE ALTERNATIVE, THIS CPA LIQUIDATOR WAS THOROUGHLY DISSAPPOINTED FOR THREE WEEKENDS IN A ROW IN TRYING TO GET TOGETHER WITH THE RUSSIAN 'translator' or 'translator' or 'translator' AND STOPPED AND BOUGHT SOME GUINNESS STOUT AND ACCORDINGLY THEN DROVE HOME AND THEN GOT DRUNK WITH DISSAPPOINTMENT AT NO WAY TO GET AN INTELLIGIBLE LETTER TO VIOLETTA.

EVEN WORSE YET, THERE ARE SOMETIME OCCAISONS WHEN THINGS ARE GOING NEITHER WAY AND TWO OCCAISONS RECALLED AS PER CPA LIQUIDATOR WHICH HAPPENED IN THE MIDDLE OF THE AFTERNOON AND DRANK A FEW BOTTLES OF GUINNESS STOUT LOOKING BACK AND FORTH BETWEEN VIOLETTA'S 'picture' AS ENCLOSED AND YOUR 'picture' CONCLUDING STUPIDLY AS FOLLOWS: 'it would be nice to have a son named' LORENTZ OPDAHL III WITH VIOLETTA And be nice to have a boy name THOMAS LORENTZ OPDAHL II WITH YOU; only to just fall asleep and get a god long sleep till next morning. SO YOU SEE THIS CPA LIQUIDATOR HAS SERIOUS PROBLEMS OF ALL SORTS.

IN ADDITION, THIS CPA LIQUIDATOR'S GENERAL PASSTIME BESIDES COLLECTING A FEW USED BOOKS, WOULD BE TO WATCH MOSTLY OLD CLASSIC MOVIES; FROM MOSTLY HOLLYWOOD, BUT A FEW FROM IRELAND AND ENGLAND; WITH TWO MOST FREQUENTLY WATCHED MOSTLY WORN OUT FROM WATCHING OVER ONE HUNDRED TIMES AS FOLLOWS: LILY OF KILLARNEY WITH LOTS OF IRISH SONGS AND ONE IN PARTICULAR

WHERE THE SCENE IS IN AN IRISH PUB, WITH ALL APPARENTLY 'drinking' GUINNESS STOUT And Some Smoking Like a Chimney And Singing A Song About The "DEAR LITTLE SHAMROCK" AND SECONDLY AMAZING ADVENTURE WITH CARY GRANT AS A MILLIONAIRE Playboy AS FALLING IN LOVE WITH A POOR WORKING GIRL, IN MOST LIKELY BOTH ALFRED HITCHCOCK'S And CARY GRANT'S FIRST MOVIE (1931) WITH THE ABOVE IMMEDIATE MOVIE INITIAL SCENE WITH THE Playboy CARY GRANT DRINKING MARTINI'S AT THE NIGHTCLUB BAR AND LOOKING OUT THE WINDOW AS 'seeing' A FLASHING NEON SIGN AS FOLLOWS: "GUINNESS IS GOOD FOR YOU".

SO A CPA LIQUIDATOR WITH NO SPORTS ABILITY, EXCEPT POSSIBLY PING PONG, ONLY PROBABLY COLLECTING A FEW USED BOOKS, SINCE LOANING ALL PERSONAL MONEY OF FOUR GRAND PLUS TO A RARE BOOK STORE OWNING COUPLE, JIM AND SALLY KIRSCH, WHO FIRST SUGGESTED DRINKING GUINNESS STOUT, AND HAS ONLY PROMOTED MOSTLY OLDER MOVIES AS "Video Classics"; AND TINKER WITH MAKING COMPUTER SOFTWARE, WOULD MOST LIKELY ONLY HAVE MUCH IN COMMON WITH A HENRIETTA GUINNESS.

THE OUIJA BOARD ONCE PREDICTED IN 1967 THAT THIS CPA LIQUIDATOR WOULD SOMEDAY HAVE "TWO TRILLION DOLLARS"; AND THAT MOST ALL THE WEALTH WOULD COME FROM HER DUE TO HUNDREDS OF YEARS AT BEING WEALTHY AND MAKE IT IN THE FOLLOWING: BEER, BANKING, BOOKS, COMPUTER SOFTWARE, ENERGY, MARKETING, PUBLISHING AND VIDEO 'eight in all' WITH THE "Video" Based in Brandon, PRESUMABLY Brandon, South Dakota as previous WITH THE QUESTIONING SUGGESTING THE FOLLOWING SEQUENCE AT GETTING SO MUCH WEALTH. 1) THIS CPA LIQUIDATOR WOULD MEET HENRIETTA GUINNESS IN AN INSANE ASYLUM PRESUMABLY ALSO INSANE AS PER THIS CPA LIQUIDATOR WHEREUPON AN UNEXPLAINED 'miracle' WOULD HAPPEN TO ACCOUNT FOR THIS CPA LIQUIDATOR GETTING SO WEALTHY WHICH CAN ONLY BE EXPLAINED AS PER A Very Unusual Experience OF THIS CPA LIQUIDATOR AT 19 ACCIDENTALLY DIEING – 'the soul going half way across the universe to almost the center in about ten seconds, stopped by a white flash of light, scratched on the mind of the soul,' "IT'S NOT YOUR TIME, YET"; ALLOWED TO COMPREHEND FOR TWO SECONDS AND COMPLETELY PUSHED ACROSS THE UNIVERSE BY THE FINGER OF GOD", WITH A TREMENDOUS FORCE DESCRIBED AS "ONE BIG SWUSH"; AND PUT BACK INTO THE BODY WITH THREE WRINKLES DOWN THE SPINE; ALL IN ABOUT THIRTEEN SECONDS FLAT, RESULTING IN THIS CPA LIQUIDATOR GETTING UP AND CROUCHING WITH BENDED KNEES, FIRST THANKFUL AT BEING BACK ON EARTH; BUT MORE ENTHUSIASTICALLY 'smiling' POSSIBLY 100,000 'times' MORE THAN YOU AFTER DOING A PERFECT JOB AS ALSO KNOWING SUCH AS THE REAL POWER OF GOD TO CONQUER DEATH, AS ALL BROUGHT ABOUT BY THIS CPA LIQUIDATOR'S VERY DEEP LOVE FOR JESUS AT 19 AS RESULTING IN EMPTYING ALL TEARS AT JOY FOR HIS POWER AND PROTECTION AS BRINGING ON THE WHOLE EXTRAORDINARY 'religious experience'.

WELL THE IRS And FBI HAVE GOTTEN TOO BIG FOR THEIR BRITCHES IN 'pushing' DAD 'around' And PRESUMABLY THE FINGER OF GOD IS GOING TO CUT THEM DOWN TO THIS CPA LIQUIDATOR'S 'size'; 'kicked' "OUT OF BUSINESS" And LUCKY TO HAVE 'five hundred dollars'.

Of course, POSSIBLY NO MIRACLE AS ABOVE AD-INFINITUM IS EVEN NEEDED AS POSSIBLY THE FOUR TO SIX YEARS 'of putting together' A PERFECT RICO LAWSUIT FOR MICROSOFT Corporation WILL PUT THEM OUT OF BUSINESS [IT PROBABLY TAKES A COUPLE LAWYERS AND A CPA 'almost just as long' TO PUT TOGETHER A LAWSUIT IN ORDER TO RECOVER STOLEN DEPOSITORS FUNDS WHETHER THERE BE TEN MILLION DEPOSITORS OR ONLY EFFECTIVELY ONE OR TWO AS IN DAD'S DISTINCT AND PROVABLE CASE OF HIS ITSY BITSY FOREIGN BANK, BUT THE PRINCIPLE IS THE SAME AND THE AMOUNT OF CPA LIQUIDATOR'S 'work the same' NO MATTER HOW BIG OR SMALL WITH JUST PROBABLY THE FOLLOWING AS RESULTING SHOULD MICROSOFT WIN THE RICO: 1) THE THIRD WORLD NATIONS ARE SO GLAD TO GET THEIR STOLEN HUNDREDS OF TRILLIONS OF DOLLARS BACK AFTER THEIR LEADER WAS ASSASSINATED AND THE JEW BANKERS STOLE THE FUNDS, THE NATIONS 'give this' CPA LIQUIDATOR '12/100 TO 13/100 OF ONE PERCENT 'finders fee bonus' AS EQUAL TO "TWO TRILLION DOLLARS. 2) ALL THE AMERICANS AS POSSIBLY ALSO RUSSIANS, BRITISH, FRENCH, GERMANS AND ITALIANS

ETC ARE SO HAPPY THAT THE JEW BANKERS MASS COUNTERFEITING THEIR RESPECTIVE AD-INFINITUM 'currencies' WITH SUCH MASSIVE AMOUNTS BROUGHT TO COURT BY THE DICTATOR AND HIS FRIENDS IN ASIA having the GOLD BULLION AS ABOVE BEHIND MICROSOFT Corporation, THEY GIVE THIS CPA LIQUIDATOR THE AFORE-MENTIONED TWO TRILLION DOLLARS. 3) THIS CPA LIQUIDATOR IS JUST A STINKING SNOT And First Finds Out How Long DAD'S PAPER AND INK WILL LAST AND ESTIMATES HOW MUCH MICROSOFT AND WARREN BUFFET AND THE OTHER 'billionaires' and 'trillionaire' will 'pump' INTO THIS CPA LIQUIDATOR'S BANK ACCOUNT(S) AND JUST STOPS GIVING YOU GALS ANY MORE FUNDS OR OTHER MOVIE STAR BONUSES AND LETS ABOUT TWO TRILLION DOLLARS STAY IN THIS CPA LIQUIDATOR'S BANK ACCOUNT; AND WHEN BILL GATES GETS AND CATCHES The ROTTEN CROOKED SON OF FORMER Vice President OF IBM AS "CONVICTED OF FRAUD AND RACKETEERING", BILL GATES SIMPLY SAYS YOU STUPIDONES, DIDN'T LOOK AT THIS SMART CPA'S Statements and RETURNS AS CONCLUSIVELY PROVING AS PER THE 'silver company' AS NOT HAVING ANY AVAILABLE SILVER TO STEAL AND YOU NOT ONLY "WORKED WITH THE FILTHY RAT" TO KICK THIS CPA LIQUIDATOR OUT OF BUSINESS, BUT ALSO 'swindled' HIS DAD'S FOREIGN BANK, WITH NOT ENOUGH DEPOSITORS TO SPIT ON; The RAT BASTARD CHEATED The IRS SO MUCH, HE HAS "SUPER-CHEATED" YOU GUYS OUT OF BUSINESS AND OF COURSE IN A RICO, The Motto is "WINNER GETS ALL", SO IT LOOKS LIKE THE CPA LIQUIDATOR WINDS UP 'liquidating' YOU OUT OF BUSINESS AND GETS TO KEEP THE TWO TRILLION DOLLARS IN HIS BANK ACCOUNT(S); YOUR LAWYER YOU HIRED TO SCREW HIS OLD MAN ALSO BRAGGED ABOUT HAVING TO BE A "GOOD CHESS PLAYER"; BUT THIS CPA LIQUIDATOR IS LOUSY AT CHESS, EVEN LOSING SECOND MOVE OUT HIS FIRST GAME IN LIFE AT BOB JONES UNIVERSITY; AND A GUY JUST CAN'T "GET ANY WORSE THAN THAT"; AND HE ADMITTEDLY IS THE WORST COMPUTER GAME PLAYER ON EARTH. 4) THIS CPA LIQUIDATOR DOES AS ABOVE AND GOES INTO ETERNITY AND COMES BACK MYSTERIOUSLY AND SENDS JANET RENO, ALL JUDGES AND POSSIBLY ALL PROSECUTORS, STRAIGHT TO HELL!

WELL THIS CPA LIQUIDATOR IS JUST ABOUT AN EXACT OPPOSITE OF BILL GATES, WHO IS SUAVE AND SELF-COMPOSED 'brainy' WHEELER DEALER WHO USES HIS BRAINS TO PROGRAM A COMPUTER WHEREAS IN CONTRA-DISTINCTION THIS CPA LIQUIDATOR USES TRIAL AND ERROR MOSTLY AND PROGRAMS LIKE FLYING AN OLD ANTIQUE AIRPLANE EVEN IF IT INCLUDES ABSOLUTE SEEMINGLY FATAL "VIOLATIONS" OF PROPER CODE CONSTRUCTION AS BY PLACING ONE HALF OF ONE COMMAND IN ONE FILE AND THE OTHER HALF IN ANOTHER FILE 'even more than once' WITH HOWEVER BASICALLY THE PRGRAMS WITH LOTS OF BUGS, STILL RUN 'not good enough to sell' BUT GOOD ENOUGH FOR Liquidation; with all the good guys renting movies entering a positive number and ALL THE BAD GUYS GETTING ENTERED AS A NEGATIVE NUMBER SO EVENTUALLY THIS CPA LIQUIDATOR WITH BOTH BILL GATES/WARREN BUFFET AND OTHERS ETC AND ALL YOU GREEDY MISTRESSES And Movie Stars CAN CLEAN OUT MOST ALL THE SYSTEM RUNNERS OF ALL ASSETS, IN AN EFFORT TO GET POLITICAL AND ECONOMIC JUSTICE FOR ALL INCLUDING RUSSIA; AS REPORTEDLY GREATLY CHEATED WITH OCEANS OF RUSSIAN RUBLES GETTING DRAINED OFF THE RUSSIAN BANKING SYSTEM AS MOSTLY CONTROLLED BY AZKENAZI JEWS WHO SWAPPED THEM FOR SOME IMF LOANS THAT PROBABLY GREATLY CHEATED THE RUSSIANS WITH THE EXCHANGE RATE(S) ITSELF A HUGE CHEAT; WHICH IS THE SORT OF POLITICAL AND BANKING CRAP GOING ON IN ALL COUNTRIES THAT ARE EITHER CONTROLLED BY AZKENAZI JEWS OR WORSE YET BY THIRD COUSINS OF THE QUEEN OF ENGLAND, NAMELY GEORGE BUSH AND BILL CLINTON; SORT OF AN ELITE CLIQUE OF ROYAL FASHIONED OLD-STYLE 'murderers'.

OF COURSE THIS CPA LIQUIDATOR MADE A SEEMINGLY HUGE SLIP UP IN SELECTING CINDI BIGELOW AS GREEDY MISTRESS NUMBER 1 (ONE) AS IT TOOK ALMOST A YEAR BEFORE re-reading the september 20, 1998 news article and seeing that she has a husband and another six months to re-re-read the same above article again to see that she has two kids; BUT A PERSON AS THIS CPA LIQUIDATOR PROBABLY WORKING AT THE TIME SOME FOURTEEN HOURS A DAY, DOES NOT READ BETWEEN THE LINES; IN FACT DOES NOT READ MOST OF THE LINES AS BEING DESPERATE TO TRY TO LINE THINGS UP TO GET THE RACKETEER, ROBERT HOFF!.

SUCH A ONE OUT OF FIFTY GREEDY MISTRESSES WOULD BE A 98% SELECTION RATIO

AND APPARENTLY A FEW MORE CHANGES WOULD HAVE TO BE MADE DUE TO APPARENT MAIL TAMPERING AND OBVIOUSLY SOME PROSPECTIVE GREEDY MISTRESSES EITHER JUST ARE NOT GREEDY ENOUGH OR ELSE JUST DON'T WANT TO TAKE ANY FLACK FROM ALLEGED Government Authorities. FOR THIS REASON, THIS CPA LIQUIDATOR HAS ADDED PATRICIA DUFFY, DIVORCED FROM RON PERLEMAN AND PRESENTLY SUEING FOR A MORE FAVORABLE DIVORCE SETTLEMENT TO SORT OF REPLACE IVANA TRUMP 'possibly squealing like hell to the rotten fbi' ; WHILE ALSO ADDING The Very First RICH AND FAMOUS GAL AS THOUGHT OF BY THIS CPA LIQUIDATOR 'as only overlooked as this cpa liquidator is such a wimp unlike' PICABO STREET, The Olympic Ski Champion TO SORT OF REPLACE MARLA MAPLES; WHILE THE MAIL REFUSING TO DELIVER TO THE DAUGHTER OF A FUTURE MAIN PLAINTIFF, SUGGESTS REPLACING HER WITH ONE OF THE DAUGHTERS OF STEVE FORBES, PRESUMABLY CATHERINE; IN ADDITION POSSIBLY CINDI BIGELOW MAY HAVE TO BE REPALCED WITH VICTORIA GOTTI AGNELLO, DAUGHTER OF JOHN GOTTI, WHOSE HUSBAND CARMINE IS BEING PROSECUTED POSSIBLY LOSING THEIR FIVE MILLION DOLLAR MANSION, UNLESS MELINDA GATES CAN TWIST CINDI BIGELOW'S ARM ENOUGH TO HELP.

WELL THIS CPA LIQUIDATOR TRIES TO THINK OF ALL THE BAD THINGS THIS CPA EVER DID AS A KID AND ARE AS FOLLOWS: MOSTLY ALWAYS PROVOKED BY SOMEONE ELSE; 1) SOCKED TWICE HARD, TWIN SISTER AT 10 AS SHE BEAT RUNNING FROM BUS TO HOUSE AND THE KIDS ON THE BUS HAD KIDDED ABOUT SUCH UNTIL TWIN SISTER AGREED TO LET THIS CPA RUN FASTER ACROSS THE YARD TO HOUSE. 2) AT ABOUT 11 THIS CPA WAS PLAYING WITH A TOY TRUCK IN BASEMENT AND LITTLE SISTER'S NEW FRIEND LOOKED DOWN 'from about three feet to right' AND KIDDED SAYING "YOU LITTLE BOY, STILL PLAYING WITH YOUR TRUCK"; AT WHICH THIS CPA CHASED BOTH LITTLE SISTER AND HER FRIEND INTO NEARBY 'bedroom, same as the out of body experience' AND TIED THEM TO BED WITH SHEETS, BOTH HAND AND FOOT and 'pranced around the bed for ten minutes' IN AN INDIAN DANCE FASHION SAYING "I AM THE DEVIL" 'repeatedly the whole time' with nothing else except a look of terror on sister's friends face not knowing 'what is next', EXCEPT THAT NONE OF SISTER'S FRIEND'S EVER CAME TO VISIT 'cpa's home sort of off limits to decent kids' 3) AT 12, THIS CPA ACCIDENTALLY SAW AN ANSWER OF A CUTE CLASSMATE ON A SEVENTH GRADE HISTORY TEST OF MIDEAST OIL COUNTRIES WITH ONLY ONE RECALLED AS PER STUDIES BY THIS CPA WHEREAS THIS CPA COPIED, STOLE AND CHEATED ONLY ONCE IN WHOLE LIFE ON AN EXAM , 'and that accidentally' 'the temptation to not resist was just too great' WITH MORE THAN LIKELY THE STOLEN ANSWER AS IRAQ. 4) THIS CPA WAS PROVOKED BY A CLASSMATE IN FRESHMAN ENGLISH AT 14 TO PULL THE CHAIR OUT FROM UNDER THE 'cute gal' AS ABOVE Immediate, ONLY TO NOT ONLY GET BAWLED OUT BY THE TEACHER, BUT OF COURSE TURNED DOWN FOR THE JUNIOR PROM 5) DURING HALLOWEEN AT 14, WAS TURNED DOWN FOR CANDY AND A FEW TOO MANY SNOTTY FRIENDS IN OUR GROUP RESULTED IN SOAPING MOST ALL THE CAR WINDOWS IN TOWN AS PARKED ON THE STREETS OUTSIDE ANYONE'S HOME 6) STEALING ABOUT ONE HUNDRED DOLLARS PER YEAR FROM DAD FOR FOUR YEARS AS TRYING TO PUT TOGETHER A RICO LAWSUIT WITH NO MORAL OR FINANCIAL SUPPORT BUT ONLY CONSTANT RIDICULE; BUT THIS CPA LIQUIDATOR WILL NOT GIVE UP TILL THE RAT BASTARD IS IN THE SLAMMER AT ELBA/ELBE ? 'as spelling not recalled, though eldest sister knew at time what was meant as being end of napoleon' WITH HOPEFULLY HIS ETERNAL SOUL 'as sworn in ' COURT AT TRIAL DURING LAST DAY AS ABOVE PER MARCH 1987 'mock' TRIAL, PLUMMETING STRAIGHT TO HELL, AT THE END OF HIS LIFE AFTER BEING IN PRISON FOR FORTY YEARS.

WELL, WHAT CAN OKSANA BAIUL GET OUT OF THE RICO LAWSUIT? 1) IF BILL GATES CALLS AND ASSISTS WITH PROVIDING AND FINANCING OFFICIAL COMPUTER SOFTWARE FOR FILING FOR FORMAL MINOR PLAINTIFFS, MOST LIKELY APPROXIMATELY SIX MILLION PEOPLE AS RUN OVER BY THE SYSTEM WILL GO APE-HOG WILD IN SENDING YOU THE TEN DOLLAR FILING FEE, JUST TO GET IN LINE FOR SOME FREE MONEY WHEN BILL GATES NAILS A SPOILED RICH KID, SON OF FORMER VICE PRESIDENT OF IBM, THE ARCH-RIVAL, CHIEF COMPETITION AND NEMESIS OF MICROSOFT AS 'using' The HALF SPOILED, NITWIT, NUMSCHULL, SUPER BRAINY CPA, EX-BROTHER-IN-LAW AS "BEING" PRESENT CPA FOREIGN BANK LIQUIDATOR WITH YOURSELF KEEPING APPROXIMATELY

HALF THE PROCEEDS OR ABOUT THIRTY MILLION DOLLARS. 2) IF BILL GATES WINS THE RICO, ANOTHER TWENTY FIVE MILLION DOLLARS FOR REPRESENTING A FEW FELLOW ICE SKATERS AS “SPARROWS” AND ANOTHER TWENTY FIVE MILLION DOLLARS FOR HELPING BOB JONES III/IV ‘AND’ BOB JONES UNIVERSITY ET AL, ALMA MATER OF THIS CPA, AS REPRESENTING ALL SCHOOLS IN THE USA. 3) AN ALMOST IMPOSSIBLE YET MAYBE PROBABLE ANOTHER TWO HUNDRED FIFTY BILLION DOLLARS AS PER ENCLOSED GREEDY MISTRESS CONTRACT IRREGARDLESS OF ANY KIDS, JUST TO MAKE IT EASIER FOR OKSANA BAIUL TO NOT ONLY BE A BIG ICE SKATING SUCCESS AS ALREADY AND KNOWN AROUND THE WORLD; BUT ALSO TO BE KNOWN EVEN IN EVERY SMALL AFRICAN VILLAGE AND TRIBE AS WELL AS AROUND THE WORLD AS THE GAL WHO WENT TO AMERICA AND NOT ONLY MADE GOOD, BUT BECAME THE WORLD’S RICHEST WOMAN AND A BIG SUCCESS IN BUSINESS AND BANKING, PROBABLY OPENING SEVERAL BANKS IN THE UKRAINE UNDER THE NAME OF GUINNESS-OPDAHL-BAIUL LOANING OUT GOBS OF MONEY TO SMALL FARMERS, AND FAMILY BUSINESSES (NONE FOR BIG MERGERS THOUGH) WITH OF COURSE MOST PROBABLE SUCH MEGA BILLIONS AS NOT POSSIBLE WITHOUT THE GUINNESS FAMILY AS PER OUIJA BOARD AND THE FACT THAT THE MOST IMPORTANT GREEDY MISTRESS AS ‘being’ ATHINA ROUSSELL, GRANDDAUGHTER OF ARISTOTLE ONASSIS, MORE THAN LIKELY OBTAINED THROUGH THE HELP OF MRS JOHN GUINNESS (ONCE ABDUCTED IN THE LATE 80’S AND HELD HOSTAGE AFTER HER HUSBAND DIED IN A MOUNTAIN CLIMBING ACCIDENT ACCORDING TO TABLOID REPORTS) AND THEIR ZURICH BANK WITH ABOVE ATHINA ROUSSELL AS “BEING” FUTURE GREEDY MISTRESS Number 21(TWENTY ONE) AT 21(TWENTY ONE) WHO WILL BE THE OFFICIAL ADMINISTRATOR OF BOTH THE CPA LIQUIDATOR FUNDS OF FIVE HUNDRED MILLION DOLLARS FOR BOTH THE GUINNESS BANK AS WELL AS THE SWISS NATIONAL GOVERNMENT, IF BILL GATES WINS THE RICO; NO GOVERNMENT WILL DARE PROSECUTE ATHINA, BESIDES SHE WILL HAVE ALL THE GREEK BANK’S GOLD TO GIVE BACK, PROVIDED THEY DO NOT PROSECUTE; SO THEREFORE, OKSANA BAIUL AND ALL OTHER GREEDY MISTRESSES CAN NOT BE PROSECUTED EITHER – “IT IS A LEGAL RICO TECHNICAL RULE”.

ENCLOSED ARE SOME VERY IMPORTANT AND ESSENTIAL CPA PAPERWORK FOR OKSANA BAIUL TO GIVE TO BOB JONES III OF BOB JONES UNIVERSITY AT GREENVILLE, SOUTH CAROLINA PREFERRABLY IF NOT ABSOLUTELY HAND-DELIVERED THAT EVENTUALLY PERMITS HUNDREDS OF MILLIONS OF FORMAL MINOR PLAINTIFFS ALONG WITH A LOT OF ADDITIONAL MAIN PLAINTIFFS MOSTLY WITH THE CONTRACT ON THE BACK OF THE ENCLOSED ‘high school graduation photo’ AS PER GENELLI STUDIOS OF THIS CPA LIQUIDATOR AT AGE 18, ALONG WITH THE SPECIAL “LOOK UP” VARIOUSLY ALTERED THAT ACCESS VARIOUS GREEK LAMDA TABLES AS PER VARIOUS ‘formulas’ as cpa hand-written on the back of a promotional leaflet as per “STEVE FORBES” FOR PRESIDENT; WITH ABOVE FORMULAS ALL CPA PROFESSIONALLY IDENTIFIED WITH A TWO PART NAME ALSO SUCCINCTLY ‘uniformly’ AS “CONTAINING” INITIAL FORMULA VARIABLE AS ABOVE AD-INFINITUM AS PER “BS” WITH THE PLAINTIFFS IN SOME FORM OR FASHION MOSTLY ALL ‘uniformly’ IDENTIFIED “IN LIKE SAME MANNER AND FASHION” AS ANOTHER ALTERNATE TWO PART NAME ALSO SUCCINCTLY “IDENTIFIED” AS “BS” WHICH WILL CORRESPOND TO ALL THE VARIOUS ‘formal eight page formal’ “FILINGS” AS PER THE LAST FINAL FORM AS ‘being’ (1/2) AS “BEING” THE OFFICIAL “GET RID OF” “PESTS” FORM WHERE “ALL DAMAGED PARTIES” FAIRLY ESTIMATE THEIR DAMAGES SOUGHT OR VALUE SOUGHT EXPRESSED AS DOLLARS; INCLUDING ALL STOCKHOLDERS THROUGHOUT THE WHOLE ENTIRE WORLD AS ‘to be handled’ BY MICROSOFT (WITH ABOUT 6.15 MILLION FILERS PER GROUP AS PER 123 GROUPS TIMES TWO OR THEREABOUTS i.e. WELL OVER ONE BILLION FORMAL PLAINTIFFS) ‘that will all be winners when robert hoff is tuned in for having cheated the irs in the 1970’s) WITH MICROSOFT POSSIBLY ‘taking in’ “EIGHT OR TEN BILLION DOLLARS” ON THE DEAL TO PROTECT ALL PUBLIC STOCKHOLDERS BY FORMALLY “GUARANTEEING” THEIR RESPECTIVE ‘investment value’ AS WELL AS ALL PUBLICLY-TRADED COMPANIES LIKE MICROSOFT AND INTEL AD-INFINITUM.

AS POSSIBLY MENTIONED EARLIER, WITHOUT GREEDY MISTRESSES, IT IS IMPOSSIBLE TO LEGALLY KICK MICROSOFT MORE THAN THIRTY TRILLION DOLLARS; AND OF COURSE

THIS CPA LIQUIDATOR DOES NOT KNOW BILL GATES OR ANY OTHER REAL BILLIONAIRE FOR THAT MATTER FROM ADAM; BUT OBVIOUSLY, IT WILL TAKE HIS BRAINS AND MONEY TO NAIL THIS CPA LIQUIDATOR'S EX-BROTHER-IN-LAW FOR RACKETEERING. YOUR 'assistance' IN LEGALLY TAKING FUNDS AS ONE OF APPROXIMATELY FIFTY GREEDY MISTRESSES PERMITS LEGALLY GIVING THE ADDITIONAL SEVENTY TRILLION DOLLARS INDIRECTLY TO MICROSOFT (probably much of that will go to pay all the people run over by various law enforcement/court officials around the world) AS WELL AS POTENTIALLY GIVING SYSTEM RUNNERS LIKE POLITICIANS AND LAW ENFORCEMENT ETC. AD-INFINITUM; A SEEMING NICE PROFIT FOR THEIR HOUSE AND CAR FOR 390 GRAND, THE SYSTEM HATERS 'get' DURING THE Liquidation PHASE OF 'printing' RICO LAWSUITS; OF WHICH MOST LIKELY DUE TO ALL THE CPA LIQUIDATOR PROMISES 'made at' \$ 20 (TWENTY DOLLARS PER TROY OUNCE) DUE TO ALL THE EXCESSIVE KILLING DONE BY VARIOUS POLITICIANS AND SYSTEM RUNNERS (PARTICULARLY WITHIN THE CIA) AS WELL AS MOST PRESUMABLY BILL CLINTON'S NUMEROUS 'instigated' MURDERS (DUE PROBABLY TO HIS AND/OR HILLARY'S SEXUAL ESCAPADES) AND OF COURSE GEORGE BUSH'S OFFICIALLY 'instigated' 'murder' OF RUSSELL HERMAN(N), EX GREEN BERET WHO WOULD NOT GIVE UP A VERY VALUABLE ABRAHAM LINCOLN ERA GOLD CERTIFICATE AS PRESUMABLY 'signed' BY THE "QUEEN OF ENGLAND" IN 1870, THAT EFFECTIVELY DUE TO STATED INTEREST OWNS ALL THE GOLD ON THIS PLANET; OF WHICH MRS 'grandma' RUSSELL HERMAN(N) OF ILLINOIS OR WISCONSIN PRESUMABLY NEAR CHICAGO, 'cut the darn gold certificate into four pieces and sent it around the world only to eventually' "GET PIECED TOGETHER" AT TRIAL BY ORENTHAL JAMES SIMPSON – CO MINOR PLAINTIFF AS WELL AS EIGHTH FULL MAIN PLAINTIFF IMMEDIATELY PRECEDING MICROSOFT UNLESS O J SIMPSON JUST LETS THE WIDOW 'do the above job' WHOSE 'husband's' 'BLOOD WAS DRAINED' BY "CIA AGENTS" PRESUMABLY AT THE DIRECT INSISTENCE OF FORMER PRESIDENT GEORGE BUSH AS "BEING" 'the sitting president who personally came with the' "CIA AGENTS" TO INTERROGATE NOW DECEASED MR HERMAN(N) CONCERNING THE ONE BILLION TWO HUNDRED MILLION DOLLAR GOLD CERTIFICATE AS ABOVE IMMEDIATE; WE HAVE RAL CREEPS AS POLITICIANS RUNNING OUR COUNTRY WITH NO ONE THE WISER.

DEAR ELIZABETH HILDEN,

ASSUMEDLY, YOU PROBABLY DO NOT WANT TO GET INVOLVED OR GET INTO TROUBLE; BUT MOST LIKELY YOU DO NOT HAVE TO WORRY AS THIS CPA FOREIGN BANK LIQUIDATOR HAS PREPARED TWO PARITAL SETS AS ONE OF EXTRA CPA "Dirty" CONTRACTS. ONE SET (THE FIRST HALF) AS PER FIFTY SO THAT BILL GATES CAN PASS THEM OUT TO HIS BUDDIES IN ALL FIFTY STATES TO NOT ONLY "LEGALLY CONSPIRE" WITH HIS BUDDIES; BUT ALSO TO JUST LOCK UP ALL THE SYSTEM RUNNERS AD-INFINITUM FROM THE LOWEST COP TO ALL THE WAY UP TO BILL CLINTON, The MILIATARY AND PROBABLY "ALL LAWYERS", AS MOST LIKELY THERE WILL NOT BE ANY LAWYERS COMING TO COURT TO ACCUSE "BILL GATES" And/Or MICROSOFT Corporation, Or INTEL FOR THAT MATTER 'of having done anything wrong' ESPECIALLY IF THE TOBACCO AND BOOZE INDUSTRIES RECEIVE FROM MICROSOFT THE SECOND SET OF FORTY CONTRACTS THAT COVER FORTY STATES AS A SECOND BACKUP FORCE TO MAKE SURE THE STUPID SYSTEM RATS (HAVING INFLATED THE ECONOMY BY FIVE TO SEVEN TIMES OR MORE THESE PAST THIRTY FIVE YEARS) ARE ALL 'stuffed in their little dog cages' FOR TREATING OUR FAMILY AS ANIMALS BY 'using' A FORMER FAMILY MEMBER; AN ABSOLUTE ANIMAL HEADED FOR HELL AS HE STUPIDLY 'swore' IN COURT [THOUGH THE PORTION WAS PURPOSEFULLY OMITTED FROM THE ALLEGEDLY OFFICIAL TRANSCRIPT COPIES].

Well, It Does Not Take A Genius To Figure Out That Helping BILL GATES OUT, CAN GET A GOOD JOB FOR YOU AS WELL AS YOUR MR SWEETHEART, WHOEVER THAT IS, ASSUMEDLY NOT THIS WIMP CPA LIQUIDATOR, AS OBVIOUSLY YOU NEED A MUSCULAR GUY, A FOOTBALL PLAYER OR WRESTLER; WHO CAN GIVE YOU SECURITY AND PROTECTION FROM NITWITS.

ALTERNATIVELY, YOU COULD DEFINITELY GET A GOOD JOB RUNNING A MAJOR SAWB BANK FOR KRISTI HEFNER OF PLAYBOY IN PRESUMABLY KANSAS CITY OR WHEREVER IS ONE OF THE 'six' LOCATIONS [WITH PRESUMABLY A "SEVENTH" IN HAWAII

AS THE CENTRAL DEPOSITORY FOR ALL WORLD CENTRAL DEPOSITORIES] OF THE SAWB BANK AS CONTRACTED WITH PLAYBOY TO FIND AND OBTAIN AS PER 'storing' "GOLD BULLION" POSSIBLY ALSO COINS AS PER GREEDY MISTRESSES AND ALL THE FAMOUS LADY MOVIE STAR BONUS WINNERS LIKE DORIS DAY AND KATHERINE HEPBURN ETC. TO ONE HUNDRED WHO WITH YOU GREEDY MISTRESSES AND MICROSOFT AND INTEL EFFECTIVELY WILL HAVE ABOUT ONE-THIRD OF ALL THE WORLD'S GOLD BULLION 'due to all the cheating and killing the' "SYSTEM RATS" HAVE DONE AND ARE FINALLY CAUGHT BY A SEEMING DUMB BUT VERY SMART CPA FOREIGN BANK LIQUIDATOR AS A LOT OF POLITICIANS ARE JUST PLAIN ROTTEN; WITH ONE CONGRESSMAN 'having indirectly hired a 'cia agent killer' AS PER UNOFFICIALLY 'killing' HIS DAUGHTER, WITH HER ONLY PROBLEM AS 'being' raped as a girl by her father who did not want the truth to come out and ruin his career'; SUCH WILL UNDOUBTEDLY COME OUT AT TRIAL. SO IT SEEMS THAT WOMEN WITH KRISTI HEFNER 'should run the united states banking system' AS THEY HAVE ENOUGH SMARTS TO NOT DO SUCH THINGS AND/OR 'finance spy agencies responsible for' "WACO, PROVABLE DUE TO THE STOLEN GUNS THAT DAVID KORESH 'bought that had been stolen by ' "ISRAELI MOSSAD" 'from a united states military base, possibly in arizona', OKLAHOMA CITY BOMBING AS PROBABLE AND THE KILLING OF JON BENET RAMSEY AS MOST LIKELY 'the result of jewish' "MOSSAD" IN ALL CASES AS ABOVE AD-INFINITUM 'in trying to keep control over all money and credit'.

ENCLOSED ARE THIS CPA LIQUIDATOR'S OFFICIAL "ORIGINAL" CRITERIA And List(s) FOR THE SAWB BANK SO THAT KRISTI HEFNER CAN RUN A UNITED STATES BASD BANK AND OMIT REPORTING ANYTHING TO UNITED STATES GOVERNMENT OFFICIALS BY MERELY RUNNING THE SAWB BANK AS AN OFFSHOOT OF DAD'S DEFUNCT AND THRICE EMBEZZLED FOREIGN BANK 'and not even need a united states banking' "LICENSE"; AS SUCH IS NOT NEEDED AS DAD OWNS THE ENTIRE FOREIGN BANK, EXCEPT THE "20 %" 'as transferred to' "PLAYBOY ENTERPRISES" TO FIND AND OBTAIN THE SIX BANKS AS ABOVE 'and another' "20 %" 'as transferred to' "PLAYBOY VIDEO" TO BOTH HANDLE ALL GOLD PAYMENTS AS "YESGOD" 'your eager shekel guarantor of deposits' AND TO 'issue' 100,000 (ONE HUNDRED THOUSAND) OWNERSHIP CERTIFICATES 'as per one each per all small town/city' "LOCAL BANKS" TO BECOME A MEMBER, much like 'fdic' 'as fucking damn illegal cocksuckers' OF SAWB BANK/YESGOD TO MAKE SURE THEY GET THEIR RESPECTIVE 'real money' "GOLD AND/OR SILVER BULLION AND/OR/or/Or COINS AS DESIRED PER EXTENDED CRITERIA And List(s) as per reverse side AS PER EXTENSIONAL EXTENSION PER ALL WORLD SAWB BANK AS A "UNIT" PER CONCLUSION OF APPENDIX M FOR "MONEY".

ALL THAT KRISTI HEFNER AS PRESIDENT OF SAWB BANK 'needs do is to' 'hire' A CPA DOUBLE/TWIN AS 'being' ANOTHER inactive and cancelled CERTIFIED PUBLIC ACCOUNTANT 'guy or gal' TO SUPPOSEDLY AUDIT THE SAWB BANK; ONLY MIDSTREAM AS STARTING OUT THE AUDIT JOB, KRISTI TELL THE CPA THAT THIS CPA LIQUIDATOR 'wants to swap jobs' 'and do the audit'; so that the CPA DOUBLE/TWIN CAN ACTUALLY 'manage' THE SAWB BANK; THEN KRISTI 'just implements the' CRITERIA And List(s) and does not even need 'social security numbers' and/or 'ederal/employer identification numbers' [A SERIES OF TWO TOP SECRET PASSWORDS WOULD BE USED INSTEAD] 'and of course united states banking officials will have fits of rage and apoplexy and run off knowing this cpa liquidator is going to going to kick the crap out of the whole banking system' WITH NO GOOD DEPOSITOR CHEATED; ONLY THE SYSTEM RATS AND COURT OFFICIALS WHO JUST ARE NEVER HONEST AT ALL, POSSIBLY ACCUSING MICROSOFT OF A MONOPOLY; WITH THE DAMN SAME JUDGE THOMAS PENFIELD JACKSON NOT GIVING DAD, HIS FOREIGN BANK MONEY BACK; AND THE WIDOW HER SIXTY FIVE GRAND DEPOSIT(S). DEAR LE ANN RIMES,

BOUGHT YOUR CD "CRAZY" WITH SOME CASH DAD GAVE TO ALIGN THE CAR LIGHTS, ONLY THE HEADLIGHT NEEDED REPLACING AND THEY WOULD NOT CHARGE IT TO DAD, A FORMER MULTI-MILLIONAIRE WITH THIS CPA FLAT BROKE. THINGS ARE SURE TOUGH WHEN A FORMER MULTI-MILLIONAIRE'S KID DOES NOT HAVE ENOUGH MONEY TO BUY A CD. SOMEONE WILL HAVE "HELL TO PAY" WITH HIS SOUL. SURE WAS SURPRISED TO SEE A BOOKLET OF PHOTOS IN THE CD [AS IT WAS THE FIRST CD PURCHASED IN LIFE] AND THE PHOTOS ALONE ARE WORTH AT LEAST THREE BUCKS TO THIS CPA WITH THE BEST PICTURE IN THE CENTER WITH YOUR BLOND HAIR THAT DRIVES A GUY CRAZY.

UNFORTUNATELY, THIS CPA WAS SORT OF DRIVEN CRAZY BY AN UNTIMELY

REJECTION AS FOLLOWS: SAT FOR THE CPA EXAM, The First Week of November 1976; AFTER STUDYING 18 (EIGHTEEN) HOURS A DAY FOR SIX WEEKS NON STOP FROM 6:00 A.M. TILL MIDNIGHT. GOT HOME ON SATURDAY NOVEMBER 6, 1976 AS RAT BASTARD'S YOUNGEST SON WAS BORN AND CELEBRATED AT STEAK HOUSE WITH RAT BASTARD. GOT A LETTER ON THE FOLLOWING TUESDAY FROM A FORMER DATE AT BJU AS BEING THE FIRST OF TWO, EXCLUDING JUNIOR YEAR FIRST DATE TO BREAK THE ICE BEING A PREACHERS DAUGHTER. THE LETTER SAID PLAINLY "HONESTY IS THE BEST POLICY", FOLLOWED BY "FRANKLY, I'M NOT INTERESTED" WITH NOTHING MORE TO EXPLAIN THE ABRUPT 'cut off' FROM A BLOND GAL MOST CLOSELY RESEMBLING YOU OF ALL PROSPECTIVE GREEDY MISTRESSES. THE BLOND AT BJU WAS A CHAPEL ASSIGNED 'seat-mate' WHOSE SMILE MADE THIS CPA 'melt and better yet, walking along side her from dinner to dorm or post office,' "MADE THIS CPA FEEL LIKE CHARGE WITH TEN THOUSAND VOLTS OF ELECTRICITY": BUT AT SCHOOL SHE SHORT OF BROKE OFF ALLOWING THIS CPA TO OCCAISONALLY ESCORT HER AROUND CAMPUS; AND GAVE A VERY MEAN NASTY FROWN AND SCOWL TO THIS CPA IN CHAPEL; AND NOT MUCH LATER, APPARENTLY REQUESTED HER CHAPEL SEAT 'to be reassigned'; WELL, IT FINALLY TOOK THIS CPA TWENTY THREE YEARS TO FIGURE IT ALL OUT AS THIS CPA HAD MERELY RELAYED IN A NOTE THAT DAD HAD MENTIONED THAT HE WAS SO BIG 'brokering' "FERTILIZER", THERE WAS ALWAYS MORE INCOME THAN EVER SHOWED UP ON THE BOOKS AND HE WAS DOING BOUT TWO HUNDRED FIFTY GRAND PER YEAR OF NET INCOME BY 1975. THE ANSWER IS SIMPLE TO SEE FINALLY, "SHE WAS A NICE CHRISTIAN GAL THAT DID NOT WANT ANYTHING TO DO WITH A GREEDY MONEY GRUBBER. MOST LIKELY IF "HONESTY WAS THE ONLY POLICY" AS TO THIS CPA, SHE COULD HAVE HAD THE DECENCY TO FLAT OUT STATE SO OR AT LEAST A GOOD EXCUSE LIKE HAVING A STEADY BOYFRIEND Or A LAME EXCUSE SUCH AS THIS CPA 'being ugly' AS SIN; UNFORTUNATELY BY THAT SATURDAY NIGHT IMMEDIATE FOLLOWING AS ABOVE IN NOVEMBER 1976, THIS CPA ATTEMPTED SUICIDE TWICE IN ABOUT A MINUTE; FIRST TO JUMP IN FRONT OF A MAC TRUCK, ONLY FOR THE DARN TRUCK TO MYSTERIOUSLY SLIDE ACROSS THE ROAD WHEN THIS CPA HAD TIMED IT JUST RIGHT TO BE SPLATTERED ALL OVER THE ROAD; AND SECONDLY, A MINUTE LATER AT THE SAME EXACT LOCATION ON I-29, THIS CPA ATTEMPTED AGAIN AND GOT HIT SLIGHTLY BY A CAR THAT STOPPED; KNOCKING THIS CPA ABOUT FIFTEEN FEET BACKWARDS LANDING ON THIS CPA'S 'head' WITH A HUGE GOOSE-EGG SIZED BUMP; AND FURTHERMORE WITH AN EXPERIENCE LIKE THAT WITH A RAT BASTARD 'pushing this' CPA AROUND, THIS CPA WILL ABSOLUTELY NOT STOP TILL THE "RAT BASTARD'S ETERNAL SOUL IS IN HELL!" ASSUMEDLY, IF THE GAL WOULD HAVE BEEN HONEST, THIS CPA MIGHT HAVE WRITTEN TO THE OTHER GAL AS THINKING THIS CPA 'too serious'; WHICH WAS THE LAST THING ON THIS CPA'S MIND 'going to graduate school' as this cpa AND SHE AFTER LIBRARY SCIENCE RESPECTIVELY; POSSIBLY THEN THIS CPA COULD HAVE EVENTUALLY BROUGHT HOME A GAL PROBABLY ALMOST EXACTLY LIKE MOM 'possibly have gotten married at age' "TWENTY THREE" OR "TWENTY FOUR" LIKE PROBABLY MOST EVERYONE UNLESS THEY HAVE A STINKING "NERVOUS BREAKDOWN" AND WIND UP CRYING SELF TO SLEEP FOR A YEAR OR TWO; UNTIL RECUPERATING FROM LOTS AND LOTS OF HAND-SEWING AS THIS CPA 'did' FOR ALMOST "EIGHT YEARS".

SO, IF ANY OF YOU, GALS ARE NOT INTERESTED IN THIS CPA PERSONALLY, THAT CAN BE EXPECTED AS AFTER A FEW MORE REJECTIONS FOLLOWING THE ABOVE ONE, THEY ARE JUST NORMALLY EXPECTED TO THE POINT THAT IT IS POINTLESS AT PRESENT TO EVEN ANSWER ONE PERSONAL AD PER YEAR, THERE GENERALLY IS NO RESPONSE AT ALL. BUT, PERHAPS YOU CAN BE INTERESTED IN A BUSINESS AND PROFESSIONAL 'aspect' IN HELPING TO NAIL A SUPER COMBINATION IRS/FAMILY ARROGANT, CONCEITED CHEAT FOR FRAUD AND RACKETEERING.

ENCLOSED IS A PICTURE OF VIOLETTA; aprettywoman.com # 1946 WHO IS THIS CPA'S FIRST CHOICE FOR A WIFE FROM ST PETERSBURG, RUSSIA; WITH BEAUTIFUL BLOND HAIR, SERIOUS SMILE, FAIRLY SELF-SUFFICIENT AND INDEPENDENT, SPIRITUAL EYES, PROBABLY CAN SEW HER OWN CLOTHES LIKE MOM USED TO DO, IS DIVORCED AND HAS A DAUGHTER AND 'looking for a' 'man' WHO IS UNDERSTANDING, RESPECTFUL, KIND AND RELIABLE; WHICH THIS CPA IS EXCEPT LATTERLY MORE LIKE A "RELIABLE FAILURE".

HAVE TRIED FOR TWO YEARS TO WRITE TWICE, BUT NO RESPONSE YET. POSSIBLY SHE JUST DOES NOT KNOW ENGLISH VERY WELL; WHICH SHOWS THIS CPA'S 'lack of common sense' AS FOLLOWS: "HOW ARE WE GOING TO COMMUNICATE? BUT POSSIBLY ONLY IJN THE LANGUAGE OF "MUTUAL LOVE AND RESPECT"; OF COURSE, THIS CPA WANTS VIOLETTA To Give "TWO MILLION DOLLARS" To Everyone In ST PETERSBURG, RUSSIA; SO THEY CAN ALL BUY GOLD AND HIDE IT FROM THE KGB WHEN THE RAT BASTARD 'is being dragged into' COURT BY BILL GATES TO GET THE RAT BASTARD Convicted of "FRAUD And RACKETEERING".

WELL, ASSUMEDLY ALL YOU CELEBRITY GALS HAVE THE GALS AT BJU BEAT A LONG WAY FOR GOOD LOOKS [except GRACE HORTON]; IN COMPARISON, WALKING AROUND THE BLOCK WITH # 2, # 4, # 6, # 8 'would make this cpa feel like charged with ONE HUNDRED THOUSAND VOLTS OF ELECTRICITY OR WITH ONE MILLION VOLTS OF ELECTRICITY WITH ALL AS ABOVE Immediate WHILE ADDING YOU AS Number # 15 WOULD BE MORE LIKE "TWO MILLION VOLTS OF ELECTRICITY".

THIS CPA Never Expected To Someday Meet Someone RICH AND FAMOUS And AFTER WORK MOST OFTEN WATCHED A CARY GRANT, FRED ASTAIRE, JOHN WAYNE, JIMMY STEWART, KIRK DOUGLAS, BURT LANCASTER TYPE CLASSIC MOVIE OR POSSIBLY A MOVIE WITH DORIS DAY OR KATHERINE HEPBURN, JOANNE DRU ETC. [WHICH ARE ONE AND THE SAME] AND JUST ASSUME OH! THEY ARE ALL DEAD ALREADY IN THE 1980'S. MOST PROBABLY, IT WOULD TAKE SEVERAL YEARS BEFORE THIS CPA EVER FELT GOOD ENOUGH TO "MEET AND GREET" YOU AT A CONCERT; SO YOU Or ANYONE ELSE DOES NOT HAVE TO WORRY THAT THIS CPA WILL EVER BOTHER YOU GALS; AS MOST PROBABLY THIS CPA WILL BE DRIVEN INSANE IN LESS THAN SIX MONTH; AND OBVIOUSLY, THIS CPA'S SOUL 'will accelerate to the speed of light as before'; BUT MOST LIKELY AS BEFORE WILL RETURN TO EARTH AND WREAK TOTAL ABSOLUTE "HELL AND DESTRUCTION" UPON THE ENTIRE "UNITED STATES DEPARTMENT OF JUSTICE" WITH ROBERT HOFF MOST LIKELY GETTING TREATMENT THAT IS ON EARTH WORSE THAN "HELL".

WELL THIS CPA CAN PROBABLY GO INTO THE "GUINNESS BOOK OF RECORDS" FOR FIVE 'reasons' AS FOLLOWS: 1) THIS CPA PROBABLY DURING AN OFFICIAL SITTING OF A CERTIFIED PUBLIC ACCOUNTANT EXAM "ADDED ALL THE COLUMNS OF A CONSOLIDATED WORKSHEET/ BALANCE SHEET/ INCOME STATEMENT IN THE LEAST TIME POSSIBLE AS PER THIS CPA'S 'keen memory' 'AS' The "MAY 1975 SOUTH CAROLINA PROCTOR" ANNOUNCED ONLY "TEN MINUTES" AS REMAINING FOR OFFICIAL "TEST WORK" AS PER 'practice' SESSION AS PER EXAM Almost TO AD-INFINITUM; WITH THE ADMONITION TO "ADD ALL YOUR NUMBERS" ON YOUR "CONSOLIDATED WORK" FOR EXTRA POINTS WHEREUPON MOST PROBABLY A Note Jotted Down At The Top Right Of The "CONSOLIDATED WORK PAPER" AS PER 'starting time' And This CPA VERY HURRIEDLY AND UNDER GREAT PRESSURE "ADDED AND ADDING" AS ABOVE RESULTED IN ADDING IN A METHOD AND FASHION OF MOSTLY JUST RUNNING THE FINGER DOWN THE COLUMN AND COLUMNS LEFT TO RIGHT STARTING IN THE MIDDLE ALL FOR AS ABOVE AD-INFINITUM AS FAST AS POSSIBLE JOTTING ALL THE OVER ONE HUNDRED REMAINDERS AT THE TOP AND ADDING COLUMNS POSSIBLY IN A MINUTE AND ONE HALF WITH THE GAL AS OPPOSITE TAKING THE EXAM AS DIRECTLY ACROSS THE TABLE 'seeing' SUCH RAPIDITY "THREW HER ARMS UP IN THE AIR; CROSSED THEM ACROSS HER CHEST; PUSHED BACK HER CHAIR A COUPLE FEET OR MORE; AND JUST "REFUSED TO DO ANY MORE WORK ON HER CPA EXAM" WITH PER MEMORY AS PER THIS CPA MOST LIKELY JOTTING DOWN THE COMPLETION TIME IN THE LOWER 'right' CORNER OF SAME "CONSOLIDATION". 2) THIS CPA WHILE WORKING FOR THE BJU SACRED ART GALLERY IN MOST LIKELY 1972, COMPLETELY MEMORIZED THE BOOK OF FIRST JOHN IN THE BIBLE VERSE UPON VERSE; EVEN TO THE POINT OF ACTUALLY VISUALIZING THE PAGE AT NIGHT BEFORE FALLING ASLEEP WHILE RECITING THE BOOK IN THE MIND AS A PRACTICE DONE BY THIS CPA FOR THREE YEARS AT BJU AND ONE YEAR AT MBA GRADUATE SCHOOL 3) THIS CPA, IF ONE WAS TO RE-EXAMINE ALL COLLEGE COURSE WORK IN ACCOUNTING AS WELL AS PROBABLY HIGH SCHOOL RELATED MATH COURSES LIKE PHYSICS, 'has' MOST LIKELY AND PROBABLY "HAS" "The Fewest Incidence Of Any Simple Math Errors of any ACCOUNTING

STUDENT AS WELL AS JUST POSSIBLY ANY MATH MAJOR STUDENT; ERRORS THAT OCCURRED AS MOST LIKELY DUE TO SOME OTHER LITTLE OR POSSIBLY BIG “GOOF UP” THAT RESULTED IN WRONG ANSWERS; AND ONLY POSSIBLE MATH ERRORS WOULD HAVE BEEN COMMITTED BY GETTING ONE NUMBER IN THE WRONG COLUMN BEFORE ADDING MULTIPLICATION PROBLEMS; ‘and that is probably darn unlikely also’. 4) THIS CPA HAS PREPARED THE LARGEST WINNING LAWSUIT IN HISTORY TAKING MUCH OF FIVE YEARS TO COMPLETE ENTIRELY ALONE WITH NO ASSISTANCE BUT ONLY RIDICULE AND INTERFERENCE ‘for most likely’ “THREE-FOURTHS OF ALL THE GOLD IN THE WORLD” OR APPROXIMATELY TWENTY FOUR HUNDRED FIFTY TRILLION DOLLARS AS VALUED AT THE HISTORIC THIRTY FIVE DOLLARS PER TROY OUNCE ‘valuation’; 5) THIS CPA HAS PREPARED THE MOST EXTENSIVE ‘exhaustive’ OFFICIAL CRITERIA And List(s) OF ANY FINANCIAL INSTITUTION ‘in the world’ AS WELL AS THE MOST “EXHAUSTIVE” LIST OF COMMON “PROPER NOMINAL DESIGNATIONS” FOR ALL SUCH ASSOCIATED FINANCIAL INSTITUTIONS AS WINNING AT TRIAL AS “BEING” AS PER AND/OR/Or/or FOR THE SAWB BANK PRIMARILY AS THE SUPREME ALL WISE BANK; AND SECONDLY BUT MOST GENERALLY AS SUCH A WONDERFUL BANK WITH APPROXIMATELY FIFTY SUB-SETS POSSIBLY SOME MULTIPLE SUB-SETS AS PER THE OFFICIAL NUMBER 59(FIFTY NINE) AS PER OFFICIAL CRITERIA And List(s) AS “BEING” MOSTLY [1759] AS NUMBER FIFTY NINE AS ‘joined’ WITH THE “TRILLIONAIRE OUTFIT” AT TRIAL TERMED THE “COMMITTEE OF 17” ‘AND’ “GUINNESS BANKS” AS “FORMING” THE OFFICIAL “SHAMROCK ALE WORLD BANK” AS ‘being’ DISTINCTLY AS PER OFFICIAL ‘picto-gram’ AS A “FOUR LEAF CLOVER And A GOBLET OF GUINNESS ALE “ STOUT AS PRESUMABLY ARTHUR GUINNESS WHO BREWED HIS FIRST STOUT IN DUBLIN IN [1759] And Found It Robust, Mellow And Satisfying; And AS BEFORE PER ADVERTISING AS FOLLOWS: “ TODAY, A GUINNESS IS STILL IN CHARGE” – SEE NEXT APPENDIX M FOR A “COMPLETE LIST”. VIABILITY OF WINNING THE RICO LAWSUIT AGAINST ROBERT HOFF, FEDERAL RESERVE BANK AND THE FBI THE SILVER COMPANY AS A SUBSIDIARY OF SIOUX FERTILIZER, SIOUX ENTERPRISES & FIRST COLONIAL TRUST FROM 1974 TO JULY 7, 1976 SIOUX FERTILIZER INVESTED 39,000 + IN SILVER BEARING PRODUCTS AND ACCUMULATED A WORKING INVENTORY OF 8,000 OUNCES OF SILVER @ AN APPROXIMATE MARKET VALUE OF \$ 5.20 PER OUNCE AS OF JULY 7, 1976 WHEN ROBERT HOFF SOLV STARTED KEEPING INTERNAL SILVER COMPANY RECORDS AND STARTED TO SELL THE SILVER BULLION AND APPARENTLY STARTED SHIPPING APPROXIMATELY 45 POUNDS OF 93 % SILVER FLAKE TO CONNIE MACK BERRY, HOFF'S SILENT PARTNER AND PADDED THE PURCHASES WITH \$ 140,000 IN AN EFFORT TO CONFUSE THE IRS AND THUS LAUNDERED THE \$ 140,000 FROM JULY 7, 1976 THROUGH MARCH 31, 1979. THIS CPA COULD NOT GET MEANINGFUL REPORTS FROM THE RECORDS NOT KNOWING THE BEGINNING PAYABLES and/or RECEIVABLES SO AS A FORMER MBA STUDENT TAUGHT THE LEAST SQUARES METHOD OF SOLVING FOR TWO UNKNOWN: BEGINNING PAYABLE AND MINIMUM NET INCOME PRODUCED A \$ 30,590 NET LOSS AS REPORTED TO JIM WELLS, CPA WHO PREPARED SIOUX FERTILIZERS JUNE 30, 1978 TAX RETURN. ON MARCH 31, 1979 THIS CPA REPORTED \$ 28,000 + NET INCOME PER CPA MEMORY FOR A TOTAL OF \$98,000 + NET INCOME FOR SIOUX FERTILIZER. DURING THE YEAR ENDING MARCH 31, 1980 DUE TO THE DROP IN THE SILVER MARKET, THIS CPA FURNISHED FRANK LAVIA, IRS CRIMINAL INVESTIGATOR STATEMENTS SHOWING A \$ 98 DOLLAR NET LOSS FOR THE YEAR. IN ICTIMS OF TRI STATE NEVER ACCUMULATING \$ 200,000 OF NET INVENTORY OF SILVER, THE COURT BY CONSPIRACY PROMISED A JUDGEMENT

OF APPROXIMATELY \$ 750,000 IN ORDER TO STEAL LORENTZ G OPDAHL'S TWO FARMS. IT SHOULD BE POINTED OUT THAT THIS CPA HAD A MATH ERROR OF EITHER \$ 27,000 OR \$ 36,000 IN THE SALES ACCOUNT AND PROBABLY OVERSTATED ENDING MARCH 31, 1979 RECEIVABLES BY \$ 56,000 BY FAILING TO RECOGNIZE THAT CASH DEPOSITS SHOULD HAVE BEEN DEDUCTED IN CALCULATING ENDING MARCH 31, 1979 SILVER RECEIVABLES. THE REDUPLICATED SILVER REFINING RECORD PRODUCED BETWEEN FEB 1990 AND NOV 1990 WHICH WAS PREPARED FROM REPORTS THIS CPA MADE WHILE ROBERT HOFF REPEATEDLY BROUGHT ALL THE SILVER SETTLEMENT SHEETS SHOWING OUNCES REFINED, PRELIMINARY PAYMENT AND FINAL PAYMENT FOR ALL THREE 97 % SILVER BULLION REFINERS UTILIZED BY TRI STATE REFINING COMPANY THE SUBDIARY OF SIOUX FERTILIZER & SIOUX ENTERPRISES AND INDIRECTLY A PART OF THE FOREIGN BANK, THE FIRST COLONIAL TRUST COMPANY, now in Liquidation. THE SHRINK FROM EACH SILVER REFINER WAS EXTRAPOLATED OUT AS WELL AS THE ADDITIONAL SHRINK FROM THREE SEPARATE PORTIONS OF THE SILVER REFINING RECORD AS THREE SECTIONS OF SILVER BULLION SHIPPED TOTALS WAS RECORDED ON FRIDAY THE 13TH, 1979 AS WELL AS EACH PAGE TOTAL OF EACH SEPARATE BEARING PRODUCT WAS ALSO RECORDED ON A SUMMARY. FROM SEPTEMBER 13, 1979 THIS CPA BECAME FULL TIME COST ACCOUNTANT AND ROBERT HOFF APPARENTLY REVERSED HIS INCOME SIPHONING SCHEME WITH CONNIE MACK BERRY BY SHIPPING APPROXIMATELY 90 POUNDS PER MONTH FOR SIX MONTHS WHICH BY MARCH 31, 1980 LEFT THE SILVER REFINERY WITH ONLY ABOUT 2800 TO 3000 OUNCES OF NET SILVER INVENTORY OR ONLY ABOUT \$ 30,000 THE FOREIGN BANK MENTIONED ABOVE ACCORDING TO THE 1983 AUDIT PREPARED BY THIS CPA SHOWED A TOTAL OF \$ 550,316.11 OF TOTAL DEPOSITS AND ONLY ABOUT \$ 125,000 OF TOTAL CAPITAL REMAINING. THE GRAND TURK FINANCIAL MINISTER TRANSFERRED \$ 144,000 OF LORENTZ OPDAHL'S DEPOSITS TO CAPITAL AND APPROXIMATELY \$ 30,000 WAS TRANSFERRED FROM A SWISS BANK ACCOUNT OF LORENTZ OPDAHL. ALL THE DEPOSITORS WERE REPAID WITH THE EXCEPTION OF A SECOND \$65,000 DEPOSIT OF MRS RAYMOND MICHAEL, A CATHOLIC WIDOW OF PORTLAND OREGON. ROBERT MOUSSALLEM GUIDED BY THE FBI & U.S. ATTORNEYS OFFICE AND IRS STOLE \$ 189,923.12 ON JANUARY 19, 1989. BY THE EARLY 1990'S J P CONNOLLY, THE CPA LIQUIDATOR REPORTED A TOTAL LOSS FOR FIRST COLONIAL TRUST COMPANY OF \$ 281,000. tlo,cpa lowA # 2468 inactive and cancelled AND PRESENT CPA FOREIGN BANK LIQUIDATOR 4/21/14 time 7:40 pm
